Departments to Use Main Switchboard Telephone System in City Hall Exclusively.

Supervisor McLeran presented the following resolution, which, on motion of Supervisor Power, was *laid over one week*:

Resolution No. — (New Series), as follows:

Whereas, under the original plans of the City Hall the building was completely wired for telephone service to the various offices and departments, to be served from a main switchboard sufficiently large and capable of handling all business of the municipal offices and departments in said building; and

Whereas, the said switchboard has been installed by the Telephone Company in a convenient room as originally specified in the plans of the City Hall, and so connected as to give satisfactory service to all offices and departments therein; therefore, be it

Resolved, That all offices and departments in the City Hall be supplied with telephone service through the main switchboard system as originally contemplated; and, further, it is the disposition of the Board of Supervisors to not permit in the future the installation of separate sub-board systems or deviation from said main switchboard service in any office or department in the City Hall other than straight line service that exigencies may demand.

On motion of Supervisor Welch:

Bill No. 4053, Ordinance No. — (New Series), amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, by amending Sections Five Hundred and Fifty-four and Five Hundred and Fifty-eight thereof, which amendment provides that the width of sidewalks on Evans avenue between Islais Creek and Lane street, shall be fifteen (15) feet; the width of sidewalks on Evans avenue between Lane street and Hawes street, shall be ten (10) feet; the width of sidewalks on Evans avenue between Hawes street and Water Front shall be fifteen (15) feet; the width of sidewalks on Innes avenue between Islais Creek and Hawes street shall be fifteen (15) feet; the width of sidewalks on Innes avenue between Hawes street and Donahue street shall be ten (10) feet; the width of sidewalks on Innes avenue between Donahue street and Water Front street shall be fifteen (15) feet.

Any expense caused by the above change of walk widths shall be borne by the property owners.

Bill No. 4054, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, by adding thereto a new section to be numbered Six Hundred and Thirty-three.

Be it ordained by the People by the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office April 20, 1916, by adding thereto a new section to be numbered Six Hundred and Thirty-three, to read as follows:

Section 633. The width of sidewalks on Locust street, westerly side of, between Jackson street and a point 211.87 feet northerly from Jackson street, shall be fifteen (15) feet; the width of sidewalks on Locust street, westerly side of, from a point 211.87 feet northerly from Jackson street to the Presidio Wall, are hereby dispensed with and abolished.

The width of sidewalks on Locust street, easterly side of, between Jackson street and a point 213.26 feet northerly from Jackson street shall be fifteen (15) feet; the width of sidewalks on Locust street, easterly side of, from a point 213.26 feet northerly from Jackson street to the Presidio Wall, are hereby dispensed with and abolished.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This ordinance shall take effect and be in force from and after its passage.

Extension of Time.

Supervisor Welch presented:

Resolution No. 12865 (New Series), as follows:

Resolved, That F. R. Ritchie is hereby granted an extension of 90 days from and after April 14, 1916, within which to complete contract for grading of Pennsylvania avenue from Twentieth street to Twenty-second street.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor has been enjoined from performing this work by interested property owners, and this extension will be necessary pending a decision on these injunction proceedings.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hilmer—1.

Also, Resolution No. 12866 (New Series), as follows:

Resolved, That Tibbitts Pacific Company is hereby granted an extension of 60 days' time from and after April 26, 1916, within which to complete contract for the improvement of Twen-

tieth street between Iowa street and Mississippi street.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that excessive rains prevented a diligent prosecution of this work, but it is well under way and the request is reasonable.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hilmer—1.

Closing Portion of Edna Street.

Supervisor Welch presented:

Resolution No. 12867 (New Series), as follows:

Resolved, That the public interest requires that a portion of Edna street between Joost avenue and Sunnyside avenue be closed in part as herein-after described. Be it further

Resolved, That it is the intention of the Board of Supervisors to close and abandon that part of Edna street between Joost avenue and Sunnyside avenue, more particularly described as follows, to-wit:

Commencing at a point where the easterly line of Edna street intersects the northerly line of Sunnyside avenue, and running thence northerly along the easterly line of Edna street 200 feet to the northerly line of Joost avenue; thence westerly along the southerly line of Joost avenue if extended and produced 60 feet to the westerly line of Edna street; thence southerly along the westerly line of Edna street 200 feet to the northerly line of Sunnyside avenue; thence easterly along the northerly line of Sunnyside avenue if extended and produced 60 feet to the easterly line of Edna street and point of commencement, as per map of Sunnyside, City and County of San Francisco, State of California.

Said closing up of said part of Edna street between Joost avenue and Sunnyside avenue shall be done and made in a manner and in accordance with the provisions of the Charter.

Be it further resolved, that the damage, cost and expense of said closing up of said part of Edna street between Joost avenue and Sunnyside avenue be paid out of the revenue of the City and County of San Francisco.

And the Clerk is hereby directed to transmit to the Board of Public Works a certified copy of this resolution, and the Board of Public Works is hereby directed to give notice of said contemplated closing and abandonment of said portion of said street

in the manner provided by law, and to cause notice to be published as required by law.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hilmer—1.

Also, Resolution No. 12868 (New Series), as follows:

Resolved, That Tibbitts Pacific Company is hereby granted an extension of 40 days from and after May 2, 1916, within which to complete contract for the South Bay View Sewer.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor was delayed by the rainy weather during the month of January, 1916, and also by repair work on his excavating machine. At the present time the contractor is prosecuting the work diligently and should be able to complete the work by June 16, 1916, in the opinion of the City Engineer.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hilmer—1.

Board of Public Works to Recommend Grading and Paving of Buchanan Street, Between Hermann and Market Streets.

Supervisor Welch presented:

Resolution No. 12869 (New Series), as follows:

Resolved, That the Board of Public Works is hereby requested to recommend the grading and paving of the roadway of Buchanan street between Hermann street and Market street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hilmer—1.

Section 3. This ordinance shall take effect immediately.

Referred to Streets Committee.

New Charter for San Francisco.

Supervisor Nelson presented:

Resolution No. — (New Series), as follows:

Whereas, At the last two special elections held for the purpose of voting on proposed amendments to the Charter nearly forty of such amendments were submitted, and

Whereas, It is practically impossible to obtain a satisfactory expression of opinion from the voters when such a multitude of propositions are submitted, and

Whereas, It is probable that an equal number of amendments will be asked for during the present year, and it is probable that, no matter how desirable the change may be, may be defeated, and

Whereas, Other cities are framing new charters embodying advanced ideas in respect to the management of cities and providing the framework for such administration according to approved business methods and the securing of greater economy, therefore

Resolved, That a new charter committee be appointed to consist of the Judiciary Committee and representatives to be chosen by the following organizations:

- The Building Trades Council.
- The Labor Council.
- The Chamber of Commerce.
- The Real Estate Board.
- The Civic League of Improvement Clubs.
- The Commonwealth Club.
- The Commercial Club.
- The Municipal Civil Service Association.

That such committee be instructed to report within sixty days as to the desirability and feasibility of securing a new charter for the City and County of San Francisco.

Referred to the Judiciary Committee.

Housing Committee to Attend Conference at Los Angeles.

Supervisor Wolfe moved that the Housing Committee recently appointed by this Board attend the conferences of the State Housing Commission at Los Angeles and that the expenses thereof be paid by the City.

So ordered.

Driveway Across Park Panhandle.

Supervisor Suhr presented:

Resolution No. 12870 (New Series), as follows:

Whereas, There is at present no highway crossing the Golden Gate Park Panhandle for vehicular travel for the total length of the Panhandle from Stanyan street to Baker street, a distance of eight blocks, or nearly a mile, which condition results in great inconvenience to the owners and drivers of vehicles desiring to cross to either side of the Panhandle, and

Whereas, Masonic avenue being nearly in the middle of the Panhandle, and the widest and most desirable thoroughfare to be used for this purpose, therefore

Resolved, That the Board of Park Commissioners be requested to open up Masonic avenue across the Park Panhandle from Oak to Fell streets to accommodate travel by vehicles.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Two Platoon System, Fire Department.

Supervisor Mulvihill presented:

Resolution No. — (New Series), as follows:

Whereas, under the existing system the members of the Fire Department are required to be on duty for twenty-four hours continuously and are thereby deprived of association with their families, and privileges of home life and its accompanying social advantages, and

Whereas, the perpetuation of this system is not in keeping with the traditions appertaining to the development of family ties and the formation of the highest citizenship; therefore

Resolved, That this Board approves of the effort being made to change the existing system of organization of the Fire Department so as to provide but twelve hours continuous duty and that this Board hereby expresses its willingness to co-operate with the Fire Commission and other organizations in perfecting a plan by which such change may be carried into effect and the efficiency of the department thereby increased.

Motion.

Supervisor Power moved reference to Finance Committee.

Substitute.

Supervisor Gallagher moved that the Board of Supervisors go on record as in favor of the Two Platoon System, but that the question of financing the plan be referred to the Finance Committee.

Switch Board for Board of Education.

Supervisor Power presented the following as recommendation of Telephone Committee:

Resolution No. — (New Series), as follows:

Resolved, That the Pacific Telephone and Telegraph Company is hereby instructed to install in the rooms of the Board of Education, City Hall, one

switchboard and five trunk lines, to be connected with Park 8500, similar to the one installed in the Secretary's office of the Superior Courts.

Privilege of the Floor.

Thos. Delury, representing the Pacific Telephone and Telegraph Company, was granted the privilege of the floor and addressed the Board. He declared that the company was unalterably opposed to the installation of private switchboards for any department. The company has spent \$16,000 for installing the main switchboard system which is up-to-date and in accordance with best practice in other large cities in the United States. The adoption of the resolution means additional cost to the company, a duplication of work and a decrease in the efficiency of this branch of the service.

Motion.

Supervisor Gallagher moved to refer to the Telephone Committee.

Withdrawn.

Refused Passage.

Whereupon, the question being taken, the foregoing resolution was refused adoption by the following vote:

Ayes—Supervisors Nolan, Power—2.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—15.

Rates of Fare Ordinance Amended Regarding Solicitors and Hotel Runners at Ferry.

The following matter heretofore passed for printing was taken up:

Bill No. 4047, Ordinance No. — (New Series), as follows:

Amending Section 32 of Ordinance No. 1898 (New Series), commonly known as the "Rates of Fare Ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 32 of Ordinance No. 1898 (New Series) is hereby amended to read as follows:

Section 32. It shall be unlawful for any runner or soliciting agent or driver or motorman, of any public passenger vehicle, to solicit patronage in front of any entrance, exit or gangway of any ferry landing, wharf, depot, theater, circus, hall or other place where people are assembled within twelve (12) feet thereof, or

within twelve (12) feet of the lines of said entrance, exit or gangway produced twelve (12) feet from the front thereof.

Section 2. This ordinance shall take effect immediately.

Privilege of the Floor.

Capt. Mathewson, representing the Police Department, was granted the privilege of the floor and addressed the Board. He said that at the last discussion the point was raised as to the jurisdiction of the police at the Ferry Building. He said that the Harbor Commission had jurisdiction at the Ferry Building and that if that commission should make vacant the taxicab stands and refuse to issue permits, that it would be the duty of the Police Department to enforce their orders irrespective of the ordinance of the Board of Supervisors.

Tom Dillon, representing the Downtown Association, *Edgar Peixotto*, representing the Downtown Association, requested that matter be laid over one week and referred to a committee representing both sides of the controversy for the purpose of seeing if some compromise could not be arrived at.

W. Moore, representing the Tourist Association, opposed any return to the old condition. He said that the Tourist Association was spending thousands of dollars to promote travel to this city and did not want the Board of Supervisors to permit an amendment to the law which would result in destroying the good work already done.

Byron Mauzy, representing the Downtown Association, *W. T. Hawes*, hotel owner, and *K. Harris*, representing San Francisco Hotel Association, opposed a return to the old conditions.

Wm. R. Hagerty, representing the Chauffeurs' Union, *John O'Connell* and *T. Riley*, representing the Labor Council, and *S. Dixon*, representing the Chauffeurs' Union, addressed the Board favoring the final passage of the ordinance permitting verbal solicitation on the part of the individual solicitors.

Motion.

Supervisor Deasy moved for the purpose of the conference suggested that matter lay over one week before final action by the Board.

Motion carried.

Final Passage.

The following matters heretofore passed for printing were taken up and finally passed by the following vote:

Mattress Ordinance.

On motion of Supervisor Walsh:

Bill No. 4058, Ordinance No. — (New Series). Defining mattresses: regulating the making, remaking and sale thereof; prohibiting the use of insanitary and unhealthy materials therein; regulating the buying and sale of used mattresses; requiring that materials used shall be accurately described, and the percentage of materials used in each mattress stated, and prescribing the manner in which mattresses shall be labeled; and materials disinfected or sterilized, and authorizing the Board of Health to adopt regulations governing the sanitation of premises; and making the violation of any of the provisions of this Ordinance a misdemeanor and repealing all ordinances or parts of ordinances in conflict herewith.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. On and after the passage of this Ordinance it shall be unlawful for any person, firm or corporation to engage in the making, remaking and sale of mattresses, or the buying or sale of used mattresses except in compliance with the conditions hereinafter specified.

Certificate Required.

Section 2. It shall be unlawful for any person, firm or corporation, or its servants or employes, to maintain or operate within the City and County of San Francisco the business of making or remaking and sale of mattresses within any building, room, apartment, dwelling, basement or cellar, without having first obtained a certificate, issued by the Board of Health and signed by the health officer of said City and County, that first the premises are in a sanitary condition and that all arrangements for carrying on the business without injury to public health have been complied with, in accordance with the ordinances of the City and County of San Francisco, and second, that the provisions of all ordinances

or regulations made in accord with this Ordinance, for the conduct of such establishments have been complied with. Said certificate when issued shall be kept displayed in a prominent place on the premises.

Inspection of Premises.

Section 3. It shall be the duty of the Board of Health upon application from any person, firm or corporation desiring to open, conduct or continue any place of business connected with the making, remaking and sale of mattresses, within the limits of the City and County of San Francisco, before issuing the certificate specified in Section 2, to cause the premises on which it is proposed to carry on such business, or in which said business is being carried on or conducted, to be inspected with a view of ascertaining whether said premises are in a sanitary condition for the conduct of said business, and comply with the ordinances of the City and County of San Francisco.

Time Limit and Renewal of Certificate.

Section 4. The certificate provided for in Section 2, of this ordinance, shall be valid for one (1) year from date of issue. After said period of one (1) year has elapsed a new certificate shall be applied for and issued in the same manner and under the same conditions as the original certificate.

Revocation of Certificate.

A certificate may at any time be revoked for cause after a hearing by the Board of Health.

No charge whatsoever shall be made or compensation or fee collected or accepted for the performance of any of the services required by this Ordinance in the inspection of the premises or the issuance of a certificate.

Board of Health to Make Regulations.

Section 5. The Board of Health shall from time to time adopt such rules and regulations governing sanitation, disinfection or sterilization as it may deem necessary and proper to give effect to this Ordinance and in accordance therewith.

Definition of Terms.

Section 6. Definition: (1) The term "mattress" as used in this Ordinance shall be construed to mean any quilted pad, comforter, mattress, mattress pad, bunk quilt, or cushion, stuffed or filled with wool, hair or other soft material to be used on a couch or other bed for sleeping or reclining purposes.

Data on Two Platoon System.

Supervisor Power presented the following resolution and moved the suspension of the rules for its immediate consideration:

Resolution No. — (New Series),
as follows:

Whereas, this Board has gone on record in favor of the Two Platoon System in the Fire Department, and

Whereas, in order to gather the necessary data from other cities that have said Two Platoon System in operation, therefore, be it

Resolved, That the Board of Fire Commissioners be and are hereby requested to select someone from the Fire Department, the Chief of the Department preferably, or some member of the Commission, to visit the cities where the Two Platoon System is in effect, and thoroughly investigate the systems in said cities, and to report the findings thereon to the Fire Commission and the Board of Supervisors.

Amendment.

Supervisor Power agreed to the following amendment:

Provided, however, that as soon as the Fire Commission feels that it has sufficient data to warrant the change to the Two Platoon System, it may proceed to make such change immediately.

Referred.

Whereupon, *Supervisor Nelson* moved reference to the Fire and Finance Committee.

Motion carried.

"One Day Off a Week," Police Department.

Supervisor Welch moved that the Clerk communicate with the Police Department and find out what action has been taken in the matter of his resolution providing for one day off a week for members of the department.

So ordered.

Improvement of Junipero Serra School Yard.

The following matter, laid over from last meeting, was on motion again *laid over one week*:

Bill No. —, Ordinance No. — (New Series), as follows: Ordering the improvement of the yard of the Junipero Serra School in accordance with plans and specifications prepared therefor, and authorizing and directing the Board of Public Works to enter into contract for said improvement.

Report of Finance Committee on an Additional Appropriation for the Daniel Webster School.

The following report was presented and read by the Clerk:

San Francisco, May 8, 1916.

Board of Supervisors—Gentlemen:

The Finance Committee respectfully refers to the Board, without recommendation, proposal of the Building Committee that an appropriation be made in the budget for the construction of Class C Daniel Webster School, to cost approximately \$145,000, in addition to the cost for additional land acquired for this school.

The budget of 1915-16 provided \$120,000 for the new school and additional land. Subsequent to the adoption of the budget the Board of Education reported that this sum was insufficient for the acquisition of desired land and construction of the building. On November 15, 1915, the matter was up for consideration by the Board of Supervisors and at that time the Board of Education had two propositions pending before the Board. On motion of Supervisor McCarthy Plan No. 1 was approved, and a motion by Supervisor Gallagher "That it be the sense of the Board that an appropriation be made in the next budget for the completion of the Daniel Webster School" was adopted.

Following this action, the Building Committee has purchased nine pieces of property (three pieces yet to be purchased), the aggregate of which is \$62,000. This leaves \$58,000 in the Daniel Webster School fund. To construct a building costing \$145,000 it will be necessary to provide \$87,000 additional.

The Finance Committee notes that in this recommendation there is no mention of equipment, and the committee is not advised as to whether the \$145,000 includes equipment, but from data available it is believed that this does not provide for anything other than the building itself. If this be the case, it will be necessary to provide additional money for equipment.

The Finance Committee is of the opinion that this proposal should be dealt with before the budget is reported on, so that the amount to be expended on the Daniel Webster School may be determined.

Respectfully submitted,

JAMES E. POWER,
ANDREW J. GALLAGHER,
E. L. NOLAN,
Finance Committee.

Motion.

Supervisor McLeran moved that \$45,000 additional be allowed.

Amendment.

Supervisor Brandon moved as an amendment that \$87,000 additional be allowed.

Amendment carried.

Ayes—Supervisors Brandon, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—12.

Noes—Supervisors Deasy, Gallagher, McLeran, Nolan, Power—5.

Absent—Supervisor Hocks—1.

Explanation of Vote.

Supervisor Power explained his vote by saying that he predicted the present situation when the Daniel Webster School question was before the Board last year. An additional \$87,000 for the Daniel Webster School means that there will be no new Fairmount or Monroe School.

Report of Streets Committee on Spur Track Permit to Schmidt Lithograph and Label Co.

San Francisco, May 8, 1916.

Board of Supervisors.

Gentlemen—Your Committee on Streets and Sewers, to which was referred the petition of Schmidt Lithograph and Label Co. and Hawley & Munson for permission to construct a spur track to serve the property of Schmidt Lithograph and Label Co. at northeast corner of Second and Bryant streets and the property of Hawley & Munson on the south side of Bryant street, 390 feet east of Second street, respectively, reports in favor of granting the permission to construct the spur track as follows:

Beginning at a point on the present spur track of the Southern Pacific Co. on the westerly side of Second street and distant 53.5 feet, more or less, southerly from the southerly line of Bryant street, thence on a curve to the right with radius of 146.19 feet to a tangent 8.5 feet southerly from and parallel to the northerly line of Bryant street at the premises of the Schmidt Lithograph and Label Co., thence on said tangent to a point adjacent to the

westerly line of Stanley place, produced, thence by a convenient line to the premises of Hawley & Munson on the southerly line of Bryant street, and distant 390 feet easterly from the easterly line of Second street, together with necessary switches and crossings.

Respectfully submitted,

FRED SUHR, JR.,
E. J. BRANDON,
J. C. KORTICK,
Committee.

UNFINISHED BUSINESS.

Rates of Fare Ordinance Amended Regarding Solicitors and Hotel Runners at Ferry.

The following matter heretofore passed for printing and laid over one week was taken up:

Bill No. 4047, Ordinance No. 3723 (New Series), as follows:

Amending Section 32 of Ordinance No. 1898 (New Series), commonly known as the "Rates of Fare Ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 32 of Ordinance No. 1898 (New Series) is hereby amended to read as follows:

Section 32. It shall be unlawful for any runner or soliciting agent, or driver or motorman, of any public passenger vehicle, to solicit patronage in front of any entrance, exit or gangway of any ferry landing, wharf, depot, theater, circus, hall or other place where people are assembled, within twelve (12) feet thereof, or within twelve (12) feet of the lines of said entrance, exit or gangway produced twelve (12) feet from the front thereof.

Section 2. This ordinance shall take effect immediately.

Privilege of the Floor.

Edgar Peixotto, attorney for the Down Town Association, was granted the privilege of the floor and read a communication from the Down Town Association agreeing to the foregoing ordinance on the understanding that it did not mean a return to the old conditions at the Ferry.

Final Passage.

Whereupon, the question being taken, the foregoing bill was *finally passed* as Ordinance No. 3723 (New Series) by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Resolution No. 12901 (New Series), as follows:

Whereas, the Municipal Record is being published and circulated free to the people of the City at a cost exceeding \$15,000.00 per annum, one-half of which sum is for postage, and

Whereas, the aforesaid cost, in the opinion of the Board of Supervisors, is excessive and can be more wisely expended for other purposes, and

Whereas, the publication serves a useful purpose and is sought for by more than fifteen thousand citizens and should not be discontinued, therefore

Resolved, That from August 1st, 1916, a subscription charge of fifty cents a year be imposed for all subscriptions to the Record to the end that second-class postal rates may be secured and the cost of publication thereby reduced by the approximate sum of seven thousand five hundred dollars a year.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hynes, Kortick, Lahaney,

McLeran, Nelson, Nolan, Power, Suhr, Wolfe—12.

Noes—Supervisors Hayden, Hilmer, Mulvihill, Walsh, Welch—5.

Absent—Supervisor Hocks—1.

Absent—Supervisor Hocks—1.

Action Deferred.

The following bill heretofore presented by Supervisor Power and laid over one week was taken up and again *laid over one week*:

Ordering Construction of Paul Revere School.

Bill No. —, Ordinance No. — (New Series), entitled, "Ordering the construction of the Paul Revere School, to be located on city property on the north line of Tompkins street, between Folsom and Banks streets; authorizing and directing the Board of Public Works to enter into contract for said construction according to plans and specifications prepared therefor, and permitting payments to be made during progress of construction."

Passed for Printing.

The following matters were *passed for printing*:

Oil and Boiler Permits.

On motion of Supervisor Deasy:

Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Oil Storage Tanks.

Associated Milk Producers Inc., at 53 Clay street, 1500 gallons capacity.

Leopold and Bertha Marks, on north line of McAllister street, 137 feet 6 inches east of Steiner street, 1500 gallons capacity.

George H. Roundey, on south side of Sacramento street, 149 feet 9 inches east of Laguna street, 1500 gallons capacity.

Union Iron Works, at Pennsylvania avenue and Eighteenth street, 1500 gallons capacity.

City and County of San Francisco (San Francisco Hospital), at south-

west corner of Twenty-second street and Vermont street, 1500 gallons capacity.

Boilers.

American Marine Paint Co., at southeast corner of Bryant and Rincon streets, 10 horsepower, to be used for furnishing steam for steam jacket tanks.

D. G. Castagnola & Co., at 1528 Grant avenue, 4 horsepower, to be used in furnishing hot water for washing bottles.

Associated Milk Producers Inc., at 53 Clay street, 20 horsepower, to be used in furnishing power for pasteurization of milk.

Durham Farming Co., at 231 Sixth avenue, 10 horsepower, to be used in connection with operation of dairy.

The rights granted under this resolution shall be exercised within six months, otherwise said permits become null and void.

Stable Permits.

On motion of Supervisor Walsh:

Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Stables.

John Danna, for 2 horses, on east side of Plymouth avenue, 100 feet north of Farallones street.

George A. Hannan, for 2 horses, at 1608 Treat avenue.

Joseph Musso, for 2 horses, at 3940 Eighteenth street.

The rights granted under this resolution shall be exercised within six months, otherwise said permits become null and void.

Stable Permit, R. O'Banion.

The application of R. O'Banion for permission to maintain a stable for 30 horses at 1237 Folsom street, referred to the Board without recommendation of the Health Committee, was taken up.

Privilege of the Floor.

Henry Owens, representing the applicant, was granted the privilege of the floor and addressed the Board. He declared that the premises had been used as a stable since 1906 and from 1889 up to the time of the fire it was occupied as a stable by Milton Sessions.

Mr. Branigan, attorney representing property owners, was also granted the privilege of the floor and addressed the Board. He said that the premises were formerly used as a stone yard and the stable in connection for the private purposes of that business. Mr. O'Banion, on the other hand, proposed to run a livery stable, which would be a nuisance to the neighborhood and tend to depreciate adjoining property.

Mrs. Kirby, Mr. Rosenfeldt and Wm. Flahmen, property owners, also protested against the granting of the permit.

Dr. Quinlan, veterinary, addressed the Board in favor of granting the permit.

Motion.

Supervisor Nelson moved that the permit be granted.

Amendment.

Supervisor Walsh moved as an amendment that permit for twelve horses only be granted.

Amendment carried.

Passed for Printing.

Whereupon the following resolution was passed for printing by the following vote:

Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at will of the Board of Supervisors, is hereby granted R. O'Banion to maintain a stable for 12 horses only at 1237 Folsom street.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Kortick, McLeran, Mulhivill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—13.

Noes—Supervisors Gallagher, Hynes, Lahaney—3.

Absent—Supervisors Hocks, Nolan—2.

Clerk to Advertise for Proposals for Lighting Streets and Public Buildings.

Supervisor Nolan presented:

Moving Picture Ordinance Amended.

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Section 4 and repealing Section 4a of Ordinance No. 761 (New Series), entitled "Regulating moving picture exhibitions and entertainments at which moving pictures are exhibited."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 4 of Ordinance No. 761 (New Series) is hereby amended to read as follows:

Section 4. For the purpose of enforcing the provisions of this ordinance and preventing immoral pictures being displayed and acts of violence depicted in such detail as to offend public morality and decency, an advisory committee is hereby authorized, whose duty it shall be to inspect all moving pictures being displayed or exhibited. It shall be the duty of such advisory committee to prosecute or cause to be prosecuted by proper legal proceedings, all persons, firms, associations or corporations who violate any of the provisions of this ordinance. The public exhibition of any picture thus objected to shall be deemed sufficient cause for the revocation of any permit theretofore granted by the Board of Police Commissioners. Said advisory committee shall be constituted and appointed as follows:

Three members of such committee shall be appointed by the Mayor (at least one of whom shall be a woman and one a member of the Moving Picture Exhibitors Association), one by the Board of Education, and one by the Board of Police Commissioners, each member to serve during the pleasure of the officer or body making the appointment.

Said advisory committee, and the members thereof, shall have the right to freely enter any place or building, wherein moving pictures are displayed or entertainment given, at any or all times, for the purpose of inspecting any pictures that may be exhibited, or in the performance of any duty required to be performed by this ordinance.

To enable the public to readily distinguish between motion picture exhibitions and theatrical performances, every person, firm or corporation holding a motion picture exhibition shall expressly state and conspicuously display on all advertisements relating to such exhibitions, that the entertainment is furnished by means of motion pictures.

Section 2. That Section 4a of Ordinance No. 761 (New Series) is hereby repealed.

Section 3. This ordinance shall take effect immediately.

Substitute Ordinance.

Supervisor McLeran presented the following substitute for the foregoing, which was also *laid over one week*:

Bill No. —, Ordinance No. — (New Series), as follows:

Repealing Ordinance No. 761 (New Series), entitled, "Regulating moving picture exhibitions and entertainments

at which moving pictures are exhibited."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 761 (New Series), entitled, "Regulating moving picture exhibitions and entertainments at which moving pictures are exhibited" is hereby repealed.

Section 2. This ordinance shall take effect immediately.

Outdoor Park Permit.

Supervisor Lahaney presented:

Resolution No. 12904 (New Series), as follows:

Resolved, That the Ocean View Improvement Club is hereby granted permission to hold an outdoor park celebration in Sickles avenue, San Jose avenue, Plymouth avenue and Sagamore street, at Ocean View, from May 29th to June 3, 1916, without payment of the usual license fee required for said entertainment or any concession connected therewith; that said Club be permitted to decorate with electric lights or otherwise the said location for said period of time, provided that the City and County shall be at no expense for such decorations or the removal thereof; and provided further that no gambling devices shall be permitted.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Mattress Ordinance.

Bill No. 4058, Ordinance No. 3726 (New Series). Defining mattresses: regulating the making, remaking and sale thereof; prohibiting the use of insanitary and unhealthy materials therein; regulating the buying and sale of used mattresses; requiring that materials used shall be accurately described, and the percentage of materials used in each mattress stated, and prescribing the manner in which mattresses shall be labeled; and materials disinfected or sterilized, and authorizing the Board of Health to adopt regulations govern-

ing the sanitation of premises; and making the violation of any of the provisions of this Ordinance a misdemeanor and repealing all ordinances or parts of ordinances in conflict herewith.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. On and after the passage of this Ordinance it shall be unlawful for any person, firm or corporation to engage in the making, remaking and sale of mattresses, or the buying or sale of used mattresses except in compliance with the conditions hereinafter specified.

Certificate Required.

Section 2. It shall be unlawful for any person, firm or corporation, or its servants or employes, to maintain or operate within the City and County of San Francisco the business of making or remaking and sale of mattresses within any building, room, apartment, dwelling, basement or cellar, without having first obtained a certificate, issued by the Board of Health and signed by the health officer of said City and County, that first the premises are in a sanitary condition and that all arrangements for carrying on the business without injury to public health have been complied with, in accordance with the ordinances of the City and County of San Francisco, and second, that the provisions of all ordinances or regulations made in accord with this Ordinance, for the conduct of such establishments have been complied with. Said certificate when issued shall be kept displayed in a prominent place on the premises.

Inspection of Premises.

Section 3. It shall be the duty of the Board of Health upon application from any person, firm or corporation desiring to open, conduct or continue any place of business connected with the making, remaking and sale of mattresses, within the limits of the City and County of San Francisco, before issuing the certificate specified in Section 2, to cause the premises on which it is proposed to carry on such business, or in which said business is being carried on or conducted, to be inspected with a view of ascertaining whether said premises are in a sanitary condition for the conduct of said business, and comply with the ordinances of the City and County of San Francisco.

Time Limit and Renewal of Certificate.

Section 4. The certificate provided for in Section 2, of this ordinance, shall be valid for one (1) year from date of issue. After said period of one (1) year has elapsed

a new certificate shall be applied for and issued in the same manner and under the same conditions as the original certificate.

Revocation of Certificate.

A certificate may at any time be revoked for cause after a hearing by the Board of Health.

No charge whatsoever shall be made or compensation or fee collected or accepted for the performance of any of the services required by this Ordinance in the inspection of the premises or the issuance of a certificate.

Board of Health to Make Regulations.

Section 5. The Board of Health shall from time to time adopt such rules and regulations governing sanitation, disinfection or sterilization as it may deem necessary and proper to give effect to this Ordinance and in accordance therewith.

Definition of Terms.

Section 6. Definition: (1) The term "mattress" as used in this Ordinance shall be construed to mean any quilted pad, comforter, mattress, mattress pad, bunk quilt, or cushion, stuffed or filled with wool, hair or other soft material to be used on a couch or other bed for sleeping or reclining purposes.

San Francisco, May 15, 1916.

Honorable Board of Supervisors,
San Francisco, Cal.
Gentlemen:

Analysis of the foregoing figures discloses that the budget appropriation for the forthcoming fiscal year will not increase the tax rate per \$100 valuation, notwithstanding that provision is made for an increase in Bond Interest and Redemption (for which the people are responsible) of \$283,180.

Other increases which must be met are more than \$50,000 in the cost of subsistence for the City's charitable and corrective institutions. Still another increase, which has been absorbed without increasing the tax rate, is the automatic increase of salaries of school teachers, firemen and other City attaches, whose compensation is fixed by law.

In addition to providing for these compulsory increases the Finance Committee has found it practicable to recommend substantial increases for educational purposes, for motorization of the Fire Department, for permanent improvements, and for the normal increase in the City's cost of maintenance and operation.

Your Finance Committee presents and recommends the adoption of the accompanying budget for the fiscal year 1916-17. The Committee has carefully and diligently endeavored to prevent an increase in the tax rate, and at the same time provide a budget which will take care of the normal expenses of the City and County, and at the same time go ahead with the urgent improvements recommended by the Supervisors and the several departments—which improvements are also included in suggestions received from numerous improvement clubs and individuals and various organizations.

To arrive at the estimates recommended, the Committee has analyzed the budgets submitted by the several departments, the total of whose requests aggregate \$18,000,000. Careful study and analysis were also given to the requests of Improvement Clubs, Commercial Organizations and the public, whose recommendations for expenditures aggregate \$30,000,000, to total of \$48,000,000.

The present Finance Committee is confronted with an unusual condition in that the City's cost of living has gone up in the same ratio as the living cost of individuals. Food stuffs, hospital supplies, clothing, and maintenance generally of public institutions have increased to war costs, and at the same time the population of the several institutions maintained by the City has increased. This situation is so obvious that the Committee does not deem it necessary to go into extended details, but refers to the history of the past year, where it is found that extra appropriations were required for the hospitals, Relief Home and other institutions, so that the inmates might be properly and humanely provided for.

It must be borne in mind that nearly all of the appropriations from year to year are arbitrarily provided by Charter and State law, with the exception of a few positions created since the Charter was adopted, the Board has no option in relation thereto.

The budget is arranged this year—and submitted to the Board of Supervisors for approval—so that the original intention of the charter framers to provide practically lump sum appropriations for the different departments is carried into effect. While there is no intention to inferentially criticise former budget makers, the Finance Committee is of the opinion that it is well to provide sufficient funds for the departments, and permit the administrative branches of the government a full measure of freedom in the expenditure of money provided for municipal functions. Together with this freedom in administration of expenditures goes the full responsibility of the executive departments for the efficient and economical expenditure of the people's money. The purpose is that the departments and bureaus shall not be hampered by red tape or technical restraint in the conduct of the city's affairs. The Board of Supervisors should, and undoubtedly will, reserve its legislative authority to inquire into all expenditures and criticise and correct whenever it is found that public funds are being uneconomically paid out.

We recommend that this form of budget making be given a fair trial for the coming year at least.

The Assessor assures the Finance Committee that the Assessment Roll will be increased at least \$3,000,000. Relying upon this assurance, the Committee, for the information of the Board and the public, has estimated the tax rate, which will be passed prior to the first Monday in September, at \$2.26, the rate of the present fiscal year.

Particular attention is directed to the fact that the appropriation for Bond Interest and Redemption is \$283,180 additional for 1916-1917. This increase ordinarily would add to the tax rate, and logically the people could not complain if the tax rate were increased to meet an expenditure which was authorized by two-thirds of the voters. The Finance Committee provided in the budget for the normal expenditures and betterments, and at the same time absorbed the increase in Bond Interest and Redemption without finding it necessary to recommend a higher tax rate for municipal purposes. It should be remembered that each year to come the Bond Interest and Redemption charge will go up. Hetch Hetchy redemptions begin in 1920, and it is

well for this and succeeding Boards of Supervisors to bear in mind that four years from now \$1,000,000 annually must be provided for the redemption of Water Bonds.

LIBERAL APPROPRIATIONS FOR SCHOOL PURPOSES.

After providing for the completion of the Daniel Webster School (\$87,000 additional) and the Redding School (\$45,000 additional) a most liberal allowance is recommended in the Common School Fund for educational purposes exclusively. The Committee recommends a lump sum appropriation to the Board of Education of \$2,250,000. This is an increase over last year of \$119,350. It is believed by the Committee that this allowance ought to provide for 100 additional elementary school teachers and 15 high school teachers, provide for the legal increases in salaries and give the Board of Education an adequate allowance for educational purposes.

Included in the appropriation is the sum of \$3,000, requested by the Board of Education and Mothers' Clubs for a school dental clinic. The Committee feels that this dental clinic should be established and will prove of inestimable benefit to the children.

If the Board agrees with the recommendation of the Finance Committee, and allow a 5-cent increase on the \$100 valuation for school purposes, the total appropriation for the School Department will then be \$2,767,000, segregated as follows:

Common School Fund.....	\$2,250,000
For completion of Daniel Webster and Redding Schools	132,000
For repairs to school buildings.....	115,000
For new schools and purchase of lands for enlarging present school sites and of new school sites.....	270,000

There is also included \$1200 for traveling and incidental expenses of the Superintendent of Schools.

SPECIAL TAX OF 5 CENTS FOR SCHOOLS.

The question of providing additional and necessary school buildings in the City of San Francisco is one of the most pressing that confronts the Board of Supervisors at this time. Suggestion has been made from various sources that a bond issue of five or six million dollars be provided for additional schools.

The Finance Committee, following precedents established here, and a method worked out in other communities, feels that better results can be obtained by a special tax for school purposes—the amount of this tax to be fixed by the Board of Supervisors. The budget itself provides for the ordinary and normal expenses of the City, and the estimates prepared, if adopted by the Board, will keep the tax rate at the present point.

In the judgment of the Committee a special tax of five cents this year and in succeeding years will accomplish better results—provide more schools and effect a great saving in the final cost of school structures. A special tax each year of five cents would amount to approximately the same as the interest on five million dollars bonds. The money would be available immediately, and the \$50,000 necessary to hold a bond election would be saved. This \$50,000 might well be used for school purposes.

Other communities in this State and other States have found that the direct special school tax works to greater advantage than piling up a long term debt by voting bonds. Interest and redemptions in a bond issue for schools make the total cost double the amount of the initial expenditure; for instance, a bond issue of one million dollars for school houses maturing \$50,000 a year for 20 years, at 4½ per cent interest will cost the City at the end of the period:

For principal	\$1,000,000
For interest	467,000
Cost of election, printing bonds, opinions of attorneys, costs of sale, accounting, etc.....	33,000
Total	\$1,500,000

Annual average payments	75,000
The number of school houses at \$100,000 each that could be erected would be.....	10
A tax of 2 cents on \$100 would be each year (present assessment)	110,000
Continued for 20 years.....	2,200,000
This would provide for school houses during the same period of time	22
A tax rate of 1½ cents on \$100 would raise annually.....	77,500
In 20 years it provides for.....	1,500,000

And then multiply the foregoing figures by 5, and it is obvious the best way to pay for our schools is by a special tax.

The Committee is of the opinion that the public will not object to a special tax of this character devoted exclusively to the construction of school buildings. An advantage of this method as against the bond method is that, if a bond election were started immediately, at least a year, and possibly longer, would elapse before the money would be available.

The Civic Center bond issue was put through quicker than any other bond issue in the history of the City, and eight months elapsed from the time the project was broached before the bonds were printed and ready for sale.

The suggestion that the Finance Committee wishes to make is that provision be made at this time by special tax for the acquisition of lands and the preparation of plans and specifications for school buildings. Experience has demonstrated that the Departments having the expenditure of school money are not able to economically administer more than three or four hundred thousand dollars a year—this is borne out by the history of the 1908 School Bond Fund of five million dollars, which was not eventually expended for eight years.

It has been found that much time is necessarily consumed in the acquisition of lands for school purposes, inasmuch as condemnation proceedings are frequently resorted to, and negotiations with property owners are prolonged.

If money be provided for schools almost invariably almost a year elapses before the necessary lands are acquired and the plans and specifications prepared and bids for contracts called for. Experience has shown that the construction of two school houses a year keeps pace with the ordinary growth of the school population, and serves the needs that arise at the making of each budget. The Committee therefore recommends, and will vote with

the Board for a special school tax of 5 cents, which, on the information at hand, will net \$270,000 for the fiscal year. Should this policy be approved the Board of Education may immediately make recommendations for the acquisition of such lands and the construction of such buildings as are most urgent. The Board of Supervisors may proceed forthwith to procure the lands, and the Board of Public Works may proceed immediately with the preparation of plans. If this procedure is undertaken, much more rapid progress will be made in the construction of schools than has been made heretofore in any year.

The \$270,000 which would be realized by the special 5 per cent tax, or so much thereof as may be necessary, might very well be considered as providing for the following urgent school needs:

Fairmount School, plans and specifications.....	\$12,000
Fairmount School, additional land	40,000
Monroe School, additional land and new building.....	90,000
Mission High School, construction of annex.....	15,000
Dudley Stone School, additional land.....	12,000
Parkside School (new), first unit.....	12,500
Edison School, additional land	4,500
James Lick School, additional land.....	10,000
Fremont School, additional land.....	12,000
Emerson School, additional land and temporary building.	12,500
Garfield School, additional land.....	5,000
Henry Durant School, additional land.....	5,000

Crocker School, additional land.....	6,000
Sherman School, additional land.....	6,000
Visitation School, additional land.....	9,000
Francis Scott Key School, raising and repairs to.....	9,000
John Swett School, additional land.....	7,000
Douglas School, improvement of yard.....	2,500

The Committee submits this policy of financing our schools to the Board, with the full belief that it is the very best that can be offered. It will prevent the bond debt of the City from reaching undue proportions, and ultimately crowding the 15 per cent limit to a point where important utilities will have to be delayed, and will further provide for the immediate necessities of the School Department.

The Committee hopes that the Board of Supervisors will approve the 5 cents special tax for additional school buildings and lands and proceed at once to buy land and then build schools in this and the next fiscal year. After this first year under this procedure the construction of school buildings will proceed rapidly and the needs of the Department will be caught up with.

UNIFORM ACCOUNTING SYSTEM.

After consultation with the Auditor, Assessor, and accountants who have exact knowledge of the budget system of this City, the Committee recommends a change in form of the budget, the desired aim to provide a more scientific and improved system of accounting. This form will, we think, simplify the bookkeeping and obviate to a large extent any jurisdiction or friction between Boards and Departments in regard to the control and expenditure of public funds.

This method of budget-making will place responsibility where it belongs, permit of checking expenditures, and stop the practice of sending requests for improvements from one department to another. It will also have the effect of preventing one department encroaching upon the appropriations of another department, and at all times will permit of a more expeditious and better audit of bills and demands.

The Committee wishes to enlarge the Finance Committee's expenses for the purpose of initiating a uniform accounting and checking system. From preliminary investigation we can safely say, with such a system installed, a saving of approximately \$250,000 a year can be made. The Committee sincerely trusts that the Board will join with them in this recommendation, thereby placing the City on the same basis as any other business concern, in the matter of system and accounting.

MOTORIZATION—FIRE DEPARTMENT.

Careful study has been given to the proposal for the immediate and complete motorization of the Fire Department. The Committee is convinced, after investigation, that co-operation between the Board of Supervisors and the Board of Fire Commissioners for motor fire fighting apparatus throughout the Department will result in a large saving, and at the same time improve the condition of the members of the Department. Therefore the Committee recommends an appropriation of \$100,000 for the purchase of additional motor apparatus. If this amount be supplemented by approximately the same appropriation for two succeeding years the Department may be completely motorized.

COMMERCIAL DEVELOPMENT—THE MARINA AND BOULEVARDS.

Several important improvements, notably the Hunter's Point road, the Marina, Telegraph Hill boulevard, the extension of Market street to connect with the Twin Peaks boulevard, and the completion of the Twin Peaks boulevard are recommended, and should be done during the year. Your Finance Committee has not specifically included these projects in the budget, but recommends that provision be made now, and the Board go on record to pro-rate the revenues received from the State from automobile taxes (the

Good Roads Fund) to these betterments. Therefore the Committee recommends that the \$150,000 which will be received from the State be reserved to be expended as follows:

Hunter's Point Road.....	\$45,000
Opening and paving Marina Boulevard.....	30,000
Telegraph Hill Boulevard.....	10,000
Market Street extension.....	25,000
Twin Peaks Boulevard extension.....	40,000

The expenditure of this money in this way will carry on improvements designed to and which will benefit the whole city.

In proposing the foregoing appropriation from the Good Roads Fund, the Committee has taken into consideration the urgency of developing commercial and industrial districts in the Southern portion of the City by the immediate construction of thoroughfares. It is particularly desirable that the Hunter's Point road, as planned by the City Engineer, should be completed at the earliest possible moment, thereby bringing into use for factory sites and other commercial purposes valuable land which has been inaccessible for fifty years. The policy of continuing this sort of development should be approved, even at the expense of some much desired beautification.

The Committee is also mindful of the urgency and desirability of preserving the Marina, and in order to show co-operation and inaugurate this commendable project, \$30,000 is recommended to be expended from the Good Roads Fund. Necessarily considerable time must elapse before the lines of the Marina may be fixed and property, now privately owned, acquired or dedicated. Another fiscal year will undoubtedly elapse before the Exposition affairs are wound up and interested citizens and associations can formulate complete plans. With this in view the Committee feels that \$30,000 of public funds evinces a spirit of co-operation, and recommendation is now made that in the next year's budget sufficient funds be appropriated by the Supervisors to make an adequate contribution of the city's portion of this commendable project.

BERNAL CUT.

Were it not that an adequate appropriation for the beginning of improvement of Bernal Cut would materially increase the tax rate, the Committee would have suggested same. The members of the Committee have constantly approved the proposal to construct an easy grade highway, but does not feel at this time that it is justified in recommending any sum which would be at all sufficient to inaugurate the work. The Committee is also of the opinion that when the Bernal Cut improvement is started, a reasonable proportion of the cost of completion should be required by an assessment district equitably distributed over sections to be benefited. It was not considered timely nor prudent at this time to start making appropriations for a project that will cost ultimately in the neighborhood of \$1,000,000, as future budgets might be required to provide an undue burden at the expense of public necessities. The Committee hesitates to inaugurate appropriations for a desirable public work which would cost probably nearly twice as much as the Stockton street tunnel, and nearly half as much as the Twin Peaks tunnel.

WIDENING OF SAN JOSE AVENUE.

Ten thousand dollars is provided for the widening of San Jose avenue on the east side from Ottawa street to Sickels avenue (Ocean View). This is a very worthy improvement that has been advocated by the citizens in that section of the City for several years. When completed this will give another main outlet to the counties adjoining, and will practically be the southerly end of the proposed Bernal roadway.

There is pending a condemnation suit for land to open Chenery street. The City Attorney advises that a judgment in this matter will be entered before the budget has passed to print. This land will cost approximately \$6,000, and the Committee will move at the proper time to insert the amount of the judgment in the budget. It will not increase the tax rate.

THE ESPLANADE.

Fifty thousand dollars was provided in the current budget for the construction of the first unit of the Ocean Beach Esplanade. It has been found necessary to grant extensions of time on this contract, and the amount appropriated will not be paid out before the end of the fiscal year. The Committee feels that the construction of this beautiful and desirable pleasure project is somewhat experimental, and it is the mark of wisdom to proceed slowly and cautiously in this matter. With no intent to disparage or to delay its completion upon the admirable plan of the City Engineer, it is deemed prudent to recommend at this time \$25,000 toward the construction of the second unit. Numerous requests have been made for a much larger appropriation. The Committee has carefully considered these requests and feels that, in view of all the other demands for important betterments, no harm can come and no great delay occasioned by deferring the larger appropriations until another budget time arrives.

MUNICIPAL REPAIR SHOP.

The Committee believes, after exhaustive examination and compilation of data by the Board of Public Works and the Fire Department, that it is advisable to immediately establish a repair shop for the maintenance and repairs to city automobiles, motor trucks, vehicles and machinery. Under the present system of sending repair work to different shops there is a great loss of time and excessive cost, a large percentage of which can easily be saved by having the work done in the city's own shop. To install this repair shop in the corporation yard at Eleventh and Bryant streets, and under the management of the Board of Public Works, an appropriation of \$12,500 is recommended. This sum will erect the necessary building, buy the required machinery, and provide for the wages for a sufficient number of mechanics for a year to do the city repair work. Savings may also be made by making this an assembly shop for motor-driven vehicles.

It is estimated that a saving of at least \$10,000 a year can be effected by this repair and assembling shop. This estimate is conservative, and is based upon data from the books of Mr. Williams, the expert of the Board of Supervisors. It is substantiated by the fact that the Police Department alone spends approximately \$12,000 a year for repair and upkeep of its motor apparatus. Believing that this proposal is a logical economy, the Committee has made reductions in the appropriations for repairs as requested by the several departments. The Board of Health and Board of Works and other departments are using motor vehicles almost exclusively for transportation, and it is apparent that the repair bills must be very large.

We intend to have detailed shop reports submitted, and to make comparisons between the cost of operation, the amount of work done, and the time necessary in this shop as compared with competitive institutions in the same line on the outside. If it develops during the year that this Municipal Repair Shop cannot keep pace as to low cost of maintenance and amount of work done, then it should be abolished; but we feel confident that it will not only show a higher grade of work, but also decreased costs.

COMPLETION OF CIVIC CENTER STREETS.

The Building Committee recommends that provision be made for the purchase of two pieces of land at a cost of approximately \$75,000 for the com-

pletion of the opening of Civic Center streets into Market street. Civic and labor organizations have also recommended that this portion of the Civic Center be completed at once. The City now owns a portion of the land for the extension of Fulton street, but there are two pieces—one 50 feet and one 25 feet—which have not been bought for the reason that there is not sufficient money in the bond issue.

In the judgment of the Building Committee, the immediate completion of this portion of the Civic Center is urgent. The purchase of this property can be accomplished by an increase in the tax rate of one and one-half cents, and the Building Committee feels that if it becomes necessary to increase the tax rate by this amount for the opening and improving Fulton street into Market street, that such increase will be approved and gladly paid by the people of San Francisco.

The ultimate completion of the Civic Center upon plans already approved must be deferred for a few years, and until the people vote an additional bond issue for the acquisition of high value Market street property, and the construction of Police and Health buildings.

It is apparent that the portion of Fulton street easterly from Marshall Square cannot be left in its present condition. This thoroughfare leads to the front of the City Hall, and is the natural course of the stream of traffic from Market street to the Civic Center. The street railway tracks have been removed from City Hall avenue, and the street is in a disordered and unusable condition, and cannot be properly reconstructed until the land is acquired for the opening into Market street. The City has acquired property on both sides of the two pieces referred to, and the buildings that formerly stood on Market street were moved. The owners of the property in question are grievously disadvantaged by the existing situation. They cannot improve their property by constructing buildings, and the City is morally obligated to buy the land referred to, there should be no delay in consummating the transaction. At the time the Civic Center properties were purchased, condemnation suits were filed upon all lands, including these two pieces which now stand in the middle of the projected Fulton street. The owners agreed to accept the City's offer, which is the same price per foot as was paid for adjoining land. The Building Committee recommendation is presented to the Board for consideration and decision.

SUPERVISORS' OFFICE.

In the interest of public service, the Finance Committee recommends some changes in the office of the Clerk of the Board. The appropriation heretofore made for the Expert of the Board (Mr. H. A. Mason) is omitted. Mr. Mason was employed in 1908 for the special purpose of preparing Bond Ordinances, and has remained in the employ of the Board ever since. The Committee feels that the necessity of the employment of an expert of Mr. Mason's acknowledged ability no longer exists. The committee wishes to go on record commending the ability, integrity and faithfulness of Mr. Mason and would gladly recommend his retention if there were work to perform which requires his splendid attainments. The bond procedure of the City is firmly established and the City Attorney's office can be called upon to prepare any technical ordinances which may be required.

Another appropriation omitted is the expense for the Light and Water Inspector and his assistant. Practically all of the functions performed by these men, whose duties were prescribed by an Ordinance of 1896, have been transferred by Constitutional Amendment to the State Railroad Commission. Therefore the Committee feels that it is not necessary to continue this appropriation. In order that these men may continue in the City service, and because they have faithfully discharged their duties, it is recommended that the Light and Water Inspector and the Assistant Light and Water Inspector be transferred to the Board of Public Works and that the Board of Works be requested to employ them.

The Committee recommends, and the appropriation is provided for a deserved increase in salaries for some of the Assistant Clerks and

Stenographers in the office of the Clerk. We feel that these increases bring about an equitable standardization for loyal, long continued and efficient service.

THE AUDITORIUM.

The Board of Supervisors, through its Auditorium Committee, will have to conduct the Auditorium, and it is hoped that the building may be placed, at least, upon a self-sustaining basis. The Board of Public Works submitted an estimate of expenses for the building at \$31,000. This appeared to the Committee to be an unnecessarily high sum, and it is therefore recommended that \$15,000 be placed in the budget for the necessary salaries and maintenance of the building. The ordinance governing the use and revenues of the Auditorium creates an Auditorium Fund, to which is credited all revenues. The revenues for the forthcoming year ought to, with rigid economy, more than provide for any possible deficit in the operation charge.

To bring the building into more general use, and provide for possible additional revenues, an appropriation of \$6,000 is recommended for reinforcing the stage and installing the organ, which was presented by the Panama-Pacific Exposition.

An appropriation of \$3,900 for moving the organ has already been made, and the construction of the large reinforced stage, and the installation of the organ will cost approximately \$6,000 more.

The Committee is advised that the Panama-Pacific Exposition directors have under consideration an expenditure of from thirty to forty thousand dollars to correct acoustical errors in the main auditorium. The representative of the Exposition Directors urges that, if the City will provide for the installation of the organ and reinforcing of the stage, every effort will be made to procure money for remedying the faulty acoustics. Therefore, in a spirit of co-operation, the Committee recommends the \$6,000 appropriation.

ENGINEER'S SALARY PROPER CHARGE AGAINST WATER BONDS.

The budget for the year's expenditures in the Hetch Hetchy water construction project prepared by the City Engineer has been passed, and there remains sufficient money in hand for any additional work that may be inaugurated this year. The Finance Committee has provided, as required by law, for interest on one million dollars additional Hetch Hetchy bonds should the occasion require the sale of that amount.

In connection with this work it occurs to the Finance Committee that the time has arrived when probably the major portion of the City Engineer's salary should be charged against the Hetch Hetchy Bond Account. The other bond work has practically ceased, and necessarily the City Engineer is devoting most of his time to the water project, and for that reason a portion of the City Engineer's time should be a charge against the construction cost of the Hetch Hetchy System. The Committee recommends that \$10,000 of Mr. O'Shaughnessy's salary be included in the budget, and the Board of Public Works be instructed to pay the \$5,000 balance from the proceeds of the Water Construction Bond Fund, 1910.

CITY ARCHITECT SHOULD MAKE SCHOOL PLANS.

In the judgment of the Committee plans for school and other buildings should, or ought to be, prepared by the Bureau of Architecture. The inspection work incident to the City Hall and Civic Center, and the survey for repairs for municipal buildings, which has taken up so much of the time of the Bureau of Architecture in the past year, will not need to be duplicated in the coming year; therefore the architects in the employ of the City should be required by the Board of Public Works to prepare plans and specifications, and thus effect a saving of the percentages that are now paid to outside architects.

ADDITIONAL PLAYGROUNDS.

Appreciating that the public demand for additional playgrounds and particularly a playground in the Mission District is logical and progressive, it is proposed to provide \$50,000 for the purchase of additional playground sites, the equipment thereof, and the enlargement of the use of school yards for recreation purposes. In recommending this appropriation, the Committee feels that it is going along with a movement that makes for good and particularly is a benefit to the children of the congested districts.

It is also proposed in this recreational function to add \$25,000 for the improvement of lands owned by the city, and this appropriation will permit the development of playground spaces and recreational spots other than the larger parks which are provided for by charter.

DISTRICT ATTORNEY'S ASSISTANTS.

It has been found advisable to recommend the appointment of additional assistants to the District Attorney's staff. Mothers' clubs and men and women interested in the protection of children, especially girls, have urged upon the Supervisors the appointment of a Deputy District Attorney, whose duty it shall be to prosecute those persons who are guilty of contributing to the delinquency of minors. The increase in the number of offenses against children and the enactment of punitive legislation has brought into the penal courts and into the District Attorney's office, in this and other communities, an increasing number of defendants who deserve most rigid prosecution and extreme punishment. It is hoped that the creation of this position will lead to the punishment of unmentionable crimes, and result in a cessation of offenses against childhood and young womanhood.

SHERIFF'S DEPUTIES.

Joining with the recommendation of his Honor the Mayor, the Finance Committee urgently recommends an increase in salary of twenty-two jail guards at the County Jails who are now receiving only \$50 a month. It is true that the compensation of these men was fixed fifteen years ago at this figure. It is more than true that no man, and particularly a man with family, can be expected to live as a human being ought to live on \$50 a month. These men are all civil service employes, and there should be no opposition to this increase in their wages. Similar action has heretofore been taken for the benefit of deputies in the Assessor's and Tax Collector's offices, men who were receiving a much higher salary than that of the jail guards. There is no doubt the Civil Service Commission will approve this reclassification and permit the payment of a living wage to these county officers.

DEPARTMENT OF ELECTRICITY.

For several months there has been a repeated and reasonable demand for the appointment of additional inspectors in the Department of Electricity, because of an inadequate inspection force the work of this department is falling behind, and contractors who are required to pay a heavy license are unable to collect their bills owing to the delay in final inspections and issuance of certificates. Delays of this kind are unjust to everybody. After full inquiry the Committee has found a solution, and recommends the elimination of the Assistant Chief of Department in this department, and the appointment of two additional inspectors. The cost of this additional service is nominal, and the license paid by the electrical contractors is many times the cost of inspection. The city is making a profit on this service and surely ought to facilitate the inspection.

BRANCH LIBRARIES—SUNSET DISTRICT AND GOLDEN GATE VALLEY.

A \$15,000 increase is recommended for the maintenance of the Public Library and branches thereof. This increase includes an appropriation of \$6000 for the maintenance of the branch library in the Sunset District, and \$6000 for the maintenance of a branch library in Golden Gate Valley. It is hoped that immediately this money is made available the Library Trustees will place these two branches at the use of the neighborhoods for which they are intended. The site of the Sunset branch library was purchased nearly two years ago, and the growing population feels the need of the library in its neighborhood. The people of Golden Gate Valley made a most generous contribution toward the purchase of the library site, and they feel, having contributed their money, there should be no delay in the establishment of their library.

An increase of \$3000 is allowed for the main library, and the Committee feels that it should be understood at this time, when the beautiful San Francisco Library in the Civic Center is in use next year, ample funds must be provided for its maintenance upon a high standard.

INGLESIDE AMBULANCE SERVICE.

Provision is made for the purchase of an auto patrol ambulance for the Ingleside Police Station, and a sufficient sum has been allotted in the salaries of the Board of Health to provide for the necessary attendants at Ingleside Station to give first aid to the sick or injured. This is preliminary to the establishment, probably in the next budget, of an Emergency Hospital in the Ingleside District.

Respectfully submitted,
JAMES E. POWER, Chairman.

EDWARD L. NOLAN.

The following communication was presented, read and referred to the Finance Committee:

San Francisco, Cal.

May 12th, 1916.

Honorable Board of Supervisors of the
City and County of San Francisco,
City Hall, San Francisco.

Gentlemen:

Application having been made to me by the Sheriff of this City and County for authority to appoint twenty-eight assistant jailers, and having found upon investigation that the appointment of such assistant jailers is necessary, I respectfully recommend that you authorize the appointment of such twenty-eight assistant jailers at salaries of \$75.00 per month.

This request and recommendation are made in accordance with the provisions of Section 35, Article XVI, of the Charter of the City and County of San Francisco.

Yours very truly,
JAMES ROLPH, JR.,
Mayor.

Passed for Printing.

The following matters were *passed for printing*:

Supply Station, Garage, Boiler and Oil Permits.

On motion of Supervisor Deasy:

Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Automobile Supply Station.

Shell Company of California, at the southwest corner of Bush and Larkin streets; also to store 900 gallons of

gasoline. The provisions of Ordinance No. 2659 (New Series) must be strictly complied with.

Public Garage.

J. W. Leavitt & Co., at the southwest corner of Van Ness avenue and Bush street; also to store 900 gallons of gasoline. The provisions of Ordinance No. 746 (New Series) must be strictly complied with.

Boiler.

M. E. Mission South, at 1040 Bush street, 15 horsepower, to be used for furnishing steam for heating purposes.

Oil Storage Tank.

Pierre D. Moore, on the west side of Lyon street, 150 feet north of Jackson street; 1500 gallons capacity.

The Hewitt Company at northwest corner of Seventh and South streets, 1500 gallons capacity.

The rights granted under this resolution shall be exercised within six months, otherwise said permits to become null and void.

Stable Permits.

Also, Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Stables.

William J. Fogarty, for 12 horses, on the west side of Thirteenth avenue, 300 feet north of Santiago street; permit to expire on December 1, 1916.

John Carlin, for 10 horses, at 69 Hoff avenue.

The rights granted under this resolution shall be exercised within six months, otherwise said permits become null and void.

Stable Permit.

Supervisor Walsh presented:

Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at the will of the Board of Supervisors, is hereby granted Christina Ettlin to maintain a stable for one cow on the south side of Cross street, 90 feet west of Pope street.

Privilege of the Floor.

Mrs. Sharon, property owner, was granted the privilege of the floor and opposed the granting of the permit. She said that the neighborhood has been thickly populated and the keeping of a cow causes a pest and nuisance from flies. She declared that the applicant for the permit is carrying on a dairy business and that the cow is not kept for use of her family exclusively.

T. Sweeney also protested the permit on the ground that a cow draws

flies and consequently menaces the health of the neighborhood.

Passed for Printing.

Whereupon, the question being taken, the foregoing resolution was *passed for printing* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Noes—Supervisors Lahaney, McLeran, Mulvihill—3.

Denying Stable Permit.

Supervisor Walsh presented:

Resolution No. 12930 (New Series), as follows:

Resolved, That in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission is hereby denied Athens Baking Company to maintain a stable on the north side of Harrison street, 300 feet west of Fifth street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Stable Permit Denied A. Delucchi.

The application of Antonio Delucchi for permission to maintain a stable for two horses at 425 Lyon street, referred to the Board without recommendation, was taken up.

Motion.

Supervisor Hocks moved that the application be denied.

Privilege of the Floor.

I. M. Pickle, attorney representing property owners, was granted the privilege of the floor and addressed the Board in opposition to the application on the ground of danger to public health, menace from fire and increase in insurance rates for adjacent property.

Mrs. Erkin, who maintains adjoining bakery, also protested the application.

Dr. Salfeld, representing district improvement association, opposed the permit on sanitary grounds.

Denial Defeated.

Whereupon, the question being taken on Supervisor Hocks' motion to deny, the same was defeated by the following vote:

Ayes—Supervisors Hilmer, Hocks, Hynes, Kortick, Lahaney, Power, Suhr, Walsh, Wolfe—9.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, McLeran, Mulvihill, Nelson, Nolan, Welch—9.

Permit Refused.

Thereupon, Supervisor Gallagher moved that the permit be granted.

Motion lost by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, McLeran, Mulvihill, Nelson, Nolan, Welch—9.

Noes—Supervisors Hilmer, Hocks, Hynes, Kortick, Lahaney, Power, Suhr, Walsh, Wolfe—9.

Exchange of Market and Produce Lots for Land of Southern Pacific Company.

The following resolution was presented by Supervisor Hayden, who stated that it had been prepared by the City Attorney:

Resolution No. — (New Series), as follows:

Whereas, South Beach Blocks 53 and 54 designated as "Market Place" and Potrero Nuevo Block No. 381, designated as "Produce Exchange" were reserved by the Board of Tide Land Commissioners, composed of B. F. Washington, Dodman Gibbons and L. S. Bullock, under the provisions of an Act of the Legislature, entitled "An Act to survey and dispose of certain Salt Marsh and Tide Lands belonging to the State of California," approved March 30, 1868 (Stats. 1867-68, page 716), and granted to the City and County of San Francisco by the provisions of an Act of the Legislature, approved March 11, 1874 (Stats. 1873-74, page 359), but with no power to donate, sell or alienate said lands or any part thereof, otherwise than by lease for a period not to exceed five years; and,

Whereas, on March 24, 1903, the Legislature passed an Act (Stats. 1903, p. 363), entitled "An Act to amend an Act entitled 'An Act to vacate certain streets, alleys and market places in the City and County of San Francisco, and to donate the same, and other tide lands belonging to the State of California to said City and County of San Francisco for commercial purposes, and other matters relating thereto,' approved March 30th, 1872," approved March 11th, 1874; and,

Whereas, said Act of March 24, 1903, provides "that in the judgment of the Board of Supervisors of the said City and County said 'Market Place' and said 'Produce Exchange', or either of them shall be necessary for terminal purposes for the use of any transcontinental railroad or railroad having transcontinental connections, and having its terminus in the City and County of San Francisco, then and in that case, the said City and County of San Francisco may sell said blocks or either of them, with the intervening streets, to the owners of such railroad for the fair and reasonable value thereof to be determined by a board of three arbitrators to be appointed as follows: One arbitrator by the owner of said railroad, one by the Board of Supervisors of the City and County of San Francisco and the third by the two arbitrators so appointed, the decision of a majority of whom thereon shall be final: or, if the Board of Supervisors shall determine that the interests of said City and County will be subserved by an exchange of said blocks or either of them for other property of equivalent value owned by the owners of such railroad, such value to be determined by arbitration as aforesaid, then and in that case said City and County of San Francisco may exchange said blocks or either thereof, for such other property of equivalent value, and thereunto may execute and accept all deeds of conveyance necessary and proper, to effect such exchange": now therefore be it

Resolved, That it is the judgment of this Board of Supervisors of the City and County of San Francisco and this Board of Supervisors determines that the interests of the City and County of San Francisco will be subserved by an exchange of said Produce and Market Place, known and designated as South Beach Blocks 53 and 54 and Potrero Nuevo Block No. 381, for other property of equivalent value owned by the owner of the Southern Pacific Company, a corporation, a transcontinental railroad, or railroad having transcontinental connections, having its terminus in the City and County of San Francisco: it is further

Resolved, That the Lands and Tunnels Committee of this Board of Super-

visors enter into negotiations with the owner of said Southern Pacific Company, a corporation, to the end that the owner of said Southern Pacific Company, a corporation, appoint one arbitrator to act for the owner of said Southern Pacific Company, a corporation, on a board of three arbitrators as provided for in said Act of May 24, 1903, vested with the powers therein specified, and that said Committee select one arbitrator to act on said board of arbitration for and on behalf of the City and County of San Francisco and make and render a report of its actions and proceedings to this Board of Supervisors at the earliest possible date; and be it further

Resolved, That a list and description of the property owned by the owner of the Southern Pacific Company, a corporation, together with a report on the title to each and every parcel of said land made by a title company doing business in the City and County of San Francisco showing that the title thereto is free and unincumbered and that the owners of said Southern Pacific Company, a corporation, can convey a title to said property in fee simple absolute, free and clear of all incumbrances to the City and County of San Francisco, be furnished to this Board by said owner of said Southern Pacific Company; it is further

Resolved, That after the list and title report of said property of said Southern Pacific Company, a corporation, is furnished as hereinabove provided and this Board of Supervisors is satisfied that the land and property owned by the owner of said Southern Pacific Company is suitable and useful for the purposes and uses of this City and County, this Board will proceed to appoint an arbitrator to act for and on behalf of the City and County of San Francisco to act with an arbitrator appointed by the owner of said Southern Pacific Company, a corporation, on a board of three arbitrators, the third member of which shall be appointed by the arbitrators so appointed, which board of arbitrators shall determine the fair and reasonable value of said Produce Exchange and Market Place, and also the fair and reasonable value of the property owned by the owner of said Southern Pacific Company, a corporation, as provided for in the Act of March 24, 1903.

Aquatic Park Data.

The following was also presented by Supervisor Hayden:

On November 12, 1912, the Board of Supervisors passed a resolution recommending a bond issue to the people for various acquisitions amongst which was the item of \$800,000 to acquire an aquatic park at the foot of Van Ness avenue.

After submission to the voters it was found that whilst a majority vote had been polled the sufficient two-thirds requirement had not been received and consequently the proposition for an aquatic park failed.

At a period within a year later the San Francisco Recreation League and the South End Rowing Club filed petitions with the Board of Supervisors for the exchange of certain lands owned by the City and County and commonly known as "produce exchange" or "market place lots," for certain other tide lands vested in the Southern Pacific Company at the foot of Van Ness avenue. The matter was referred to the Lands and Tunnels Committee. Several meetings were held and interested persons were present at each meeting.

The lands in question owned by the city are under lease with the Southern Pacific Company for \$18,000 per year, entered into December, 1906, for a period twenty years, expiring about ten years from date. The Southern Pacific Company expressed a willingness to exchange their properties by communication filed April 3, 1915. There was some question in the minds of the Committee as to the legality of such exchange.

The City Attorney was asked for an opinion on this point, and on September 23, 1915, filed a very elaborate opinion determining that the act vesting the market place lots in the city provided authority to the Board of Supervisors to make the exchange or sale of the lands when deemed in its judgment advisable, provided the land be used exclusively for transportation purposes and terminals.

The Committee subsequently, after the sum of \$200 was made available, directed appraisals of the lands in question, to-wit: the two blocks owned by the city, the lands owned by the Southern Pacific Company and various other owners at the foot of Van Ness avenue. Wm. Schadde was appointed appraiser and furnished a very comprehensive and detailed value of all of said lands, which appraisal is now on file with the Board of Supervisors, dated November 17, 1915.

Thereafter extended meetings of the Committee were held and numerous proponents and opponents of the proposition heard. Various petitions and communications were filed as follows:

J. E. Scully, submitting diagrams, etc.

The Recreation League of San Francisco, numerous communications requesting exchange.

W. Sproule, Southern Pacific Company, expressing willingness to confer for exchange.

Juvenile Protective Association, endorsing.

Aerial Rowing Club, endorsing.

North Beach Promotion Association, endorsing.

Dolphin Swimming and Boating Club, endorsing.

Corinthian Yacht Club, endorsing.

South End Rowing Club, endorsing.

Pacific Association of Amateur Oarsmen, endorsing.

Walter MacArthur, endorsing.

Pacific Association of the Amateur Athletic Association, endorsing.

Vittoria Colonna Club, endorsing.

A number of persons were heard from time to time in protest, principally members of the Van Ness Avenue Improvement Club.

The values of the lands in question as estimated by Appraiser Schadde are as follows:

Lands owned by Southern Pacific Co. at foot of Van Ness avenue.....	\$ 486,336.00
Lands owned by others at foot of Van Ness avenue	568,940.00

Total value of lands necessary	\$1,055,276.00
Lands owned by the city to be exchanged.....	1,146,603.12

The appraisement shows that the lands owned by the city exceed the value of other lands at foot of Van Ness avenue to the amount of \$91,327.12.

The Committee has the entire matter under consideration.

J. EMMET HAYDEN,

FRED L. HILMER,

JOHN O. WALSH,

Lands and Tunnels Committee.

Privilege of the Floor.

Dr. Leonard opposed the proposed transfer. He declared that the Market and Produce Lots were leased for only \$18,000 a year, whereas the terms of the lease called for 3 per cent of the valuation or approximately \$36,000. The land, he said, proposed to be given to the Southern Pacific Company is worth considerably more than that to be received in exchange for the aquatic park. He believed that it would cost upwards of \$3,000,000 for an aquatic park and such a price, he said, is prohibitive. The money is needed for fire escapes on the schools, for additional school houses. He declared, further, that the State owns some of the land and may not permit an aquatic park.

Rev. F. J. Foote, S. J., also addressed the Board. He said that he saw a future city wherein Van Ness avenue would be another Market street, another commercial artery of San Francisco. The destiny of this great avenue as a business street, he said, would be

greatly hampered by an aquatic park at the place indicated. That location will be required for ferries in the future when the people of San Francisco may be taken for recreation and pleasure to the attractive places in Marin County. Can you imagine, he said, what would have become of Market street if an aquatic park had been placed where the ferries are? I am not opposed to the aquatic park or any scheme of recreation, but want to point out what I believe the greater future which Van Ness avenue is destined to enjoy.

Dr. T. Maguire also protested against the proposed transfer of land for the establishment of an aquatic park at the foot of Van Ness avenue. He pointed out that we already have an aquatic park fronting on the Marina and that this would be a duplication.

Edward Scully, representing the proponents of the aquatic park, also addressed the Board. He declared that it was expected in this transfer that the city would receive in exchange land equivalent in value to that to be given to the Southern Pacific Company. He declared that the present yacht harbor is objectionable and that the proposed location for the aquatic park is the only sheltered cove on that portion of the bay shore where people can swim, enjoy aquatic sports in comfort and safety. He called attention to the large number of people who leave this city every Sunday and patronize the baths in Alameda County, and urged the aquatic park as a public watering place that will keep San Franciscans in this city.

Action Deferred.

Whereupon, the foregoing was laid over one week.

Extension of Time.

Supervisor Hayden presented:

Resolution No. 12933 (New Series), as follows:

Resolved, That R. C. Storrie & Co. be granted an extension of ninety days time from and after June 24, 1916, within which to complete contract for the construction of the Twin Peaks Tunnel.

This *first* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that it will be impossible to complete the work within the original time fixed in the contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Recommitted.

The following matters laid over from last meeting were ordered *recommitted to the Police Committee*:

Moving Picture Ordinance Amended.

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Section 4 and repealing Section 4a of Ordinance No. 761 (New Series), entitled "Regulating moving picture exhibitions and entertainments at which moving pictures are exhibited."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 4 of Ordinance No. 761 (New Series) is hereby amended to read as follows:

Section 4. For the purpose of enforcing the provisions of this ordinance and preventing immoral pictures being displayed and acts of violence depicted in such detail as to offend public morality and decency, an advisory committee is hereby authorized, whose duty it shall be to inspect all moving pictures being displayed or exhibited. It shall be the duty of such advisory committee to prosecute or cause to be prosecuted by proper legal proceedings, all persons, firms, associations or corporations who violate any of the provisions of this ordinance. The public exhibition of any picture thus objected to shall be deemed sufficient cause for the revocation of any permit theretofore granted by the Board of Police Commissioners. Said advisory committee shall be constituted and appointed as follows:

Three members of such committee shall be appointed by the Mayor (at least one of whom shall be a woman and one a member of the Moving Picture Exhibitors Association), one by the Board of Education, and one by the Board of Police Commissioners, each member to serve during the pleasure of the officer or body making the appointment.

Said advisory committee, and the members thereof, shall have the right to freely enter any place or building, wherein moving pictures are displayed or entertainment given, at any or all times, for the purpose of inspecting any pictures that may be exhibited, or in the performance of any duty required to be performed by this ordinance.

To enable the public to readily distinguish between motion picture exhibitions and theatrical performances, every person, firm or corporation holding a motion picture exhibition shall expressly state and conspicuously display on all advertisements relating to such exhibitions, that the entertain-

ment is furnished by means of motion pictures.

Section 2. That Section 4a of Ordinance No. 761 (New Series) is hereby repealed.

Section 3. This ordinance shall take effect immediately.

Substitute Ordinance.

Bill No. —, Ordinance No. — (New Series), as follows:

Repealing Ordinance No. 761 (New Series), entitled, "Regulating moving picture exhibitions and entertainments at which moving pictures are exhibited."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 761 (New Series), entitled, "Regulating moving picture exhibitions and entertainments at which moving pictures are exhibited" is hereby repealed.

Section 2. This ordinance shall take effect immediately.

Uniforms for City Hall Watchmen and Elevator Operators.

Supervisor McLeran presented:

Resolution No. 12934 (New Series), as follows:

Whereas, For the convenience of the public having business in the City Hall, it is deemed necessary that the elevator conductors and operators, and also the watchmen in said building wear a suitable uniform and cap during the performance of their official duties, it being suggested that the adopted color be of grey for the elevator conductors, and of blue for the operators and watchmen; therefore, be it

Resolved, That the Board of Public Works be requested to direct that the above named city employes wear such a uniform during the hours of their official employment in the hereinabove stated capacities.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

City Attorney to Institute Condemnation Proceedings for Land on Texas Street for Daniel Webster School.

Supervisor McLeran presented:

Resolution No. 12935 (New Series), as follows:

Whereas, The public interest and convenience require the acquisition by the City and County of San Francisco of the hereinafter described land for school purposes, and

Whereas, the price asked by the owner for said land is in excess of the appraised value thereof, and of lands surrounding and contiguous thereto, therefore, be it

Resolved, That the City Attorney be and is hereby authorized and instructed to institute condemnation proceedings for the acquisition of said land for school purposes, which land is described as follows, to-wit:

Commencing at a point on the westerly line of Texas street distant thereon 250 feet northerly from the northerly line of Twentieth street, running thence northerly along said westerly line of Texas street, 25 feet, thence at a right angle westerly 100 feet, thence at a right angle southerly 25 feet, thence at a right angle easterly 100 feet to the said westerly line of Texas street and point of commencement, being a portion of Potrero Nuevo Block No. 267.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Fixing Sidewalk Widths, Church Street.

On motion of Supervisor Welch:

Bill No. 4087, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the width of Sidewalks," approved December 18, 1903, by amending Section 33 thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the width of Sidewalks," approved December 18, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office May 11, 1916, by amending Section 33 thereof to read as follows:

Section 33. The width of sidewalks on Church street between Market street and Sixteenth street shall be ten (10) feet. The width of sidewalks on Church street between Sixteenth street and thirtieth street shall be fifteen (15) feet.

Section 2. This Ordinance shall take effect and be in force from and after its passage.

Blasting Permit.

On motion of Supervisor Welch:

Resolution No. — (New Series), as follows:

Resolved, That D. L. Bienfield is hereby granted permission, revocable at will of the Board of Supervisors, for a period not exceeding ninety days from date of approval of this Resolution, to explode blasts on Allison street, 105 feet northerly and easterly from Morse street for the purpose of constructing sewer and pavement, provided that said permittee shall execute and file a good and sufficient bond in the sum of \$5,000 as fixed by the Board of Public Works, and approved by His Honor the Mayor, in accordance with Ordinance No. 1204, provided also that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m. and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and that if any of the conditions of this Resolution be violated by said D. L. Bienfield, the privilege and all rights accruing thereunder shall immediately become null and void.

Referred.

The following resolution was presented by Supervisor Welch, and on motion of Supervisor Nelson *referred*

to the Streets and Buildings Committee:

Bridge Across Stevenson Street.

On motion of Supervisor Welch:

Resolution No. — (New Series), as follows:

Resolved, That E. M. Frazier be, and is hereby granted permission to construct and maintain a covered passageway or bridge across Stevenson street between the south line of the Easton Estate building, formerly known as "Hale's," and located on the south side of Market street, about 150 feet east of Sixth street, and the north line of a certain piece of property located on the south side of Stevenson street about 150 feet east of Sixth street; provided the said passageway or bridge is erected and maintained to the specifications and requirements of the Board of Public Works.

by the several departments of the City Government.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Data on Two Platoon System.

The following resolution heretofore presented by Supervisor Power and referred to the Fire and Finance Committee and favorably reported by said Committees was presented, and on motion ordered *recommitted* to said Committees:

Resolution No. — (New Series), as follows:

Whereas, this Board has gone on record in favor of the Two Platoon System in the Fire Department, and

Whereas, in order to gather the necessary data from other cities that have said Two Platoon System in operation, therefore, be it

Resolved, That the Board of Fire Commissioners be and are hereby requested to select someone from the Fire Department, the Chief of the Department preferably, or some member of the Commission, to visit the cities where the Two Platoon System is in effect, and thoroughly investigate the systems in said cities, and to report the findings thereon to the Fire Commission and the Board of Supervisors.

Provided, however, that as soon as the Fire Commission feels that it has sufficient data to warrant the change to the Two Platoon System, it may proceed to make such change immediately.

Passed for Printing.

The following matter was *passed for printing*:

Underground District, Twenty-second Street.

On motion of Supervisor Suhr:

Bill No. 4076, Ordinance No. — (New Series), as follows:

Amending Order No. 214 (Second Series), entitled, "Providing for the placing of electric wires and conduits underground in the City and County of San Francisco," by adding thereto a new section to be known as Section 1e.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Order No. 214 (Second Series) is hereby amended by adding thereto a new section to be known as Section 1e, to read as follows:

Section 1e. An additional district to those heretofore described within which it will be unlawful to maintain poles and overhead wires after January 1, 1917, is hereby designated, to-wit:

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Mayor to Sell Auxiliary Water System Pipe.

Supervisor McLeran presented:

Resolution No. — (New Series), as follows:

Whereas, There is on hand a considerable quantity of cast-iron water pipe specially manufactured for use in connection with the high pressure water system and that inasmuch as the funds for laying this pipe have been exhausted and no money is available therefor, and therefore cannot be used, and

Whereas, The value of said pipe is greater than at the time of its purchase and that the selling of the same will be of advantage to the City and County; therefore,

Resolved, That the Mayor is hereby authorized to sell, in the manner provided in the Charter, such surplus water pipe or so much thereof as the Board of Public Works shall designate as being unnecessary for public use.

Ordered referred to Fire Committee.

Assistant to Sealer of Weights and Measures.

Supervisor McLeran presented:

Resolution No. — (New Series), as follows:

Resolved, That Lawrence J. Dolan, Sealer of Weights and Measures, is hereby authorized to appoint one female clerk-stenographer for service in the office of the Sealer of Weights and Measures at a salary of \$100 per month, payable out of "Miscellaneous," Budget Item No. 306, Fiscal Year 1915-1916.

Referred to Finance Committee.

Endorsement of Nurses Training in Red Cross Work.

Supervisor Power presented:

Resolution No. 12922 (New Series), as follows:

Whereas, The United States Government has wisely seen fit in its campaign of preparedness to educate the American woman in Red Cross first aid work, home care of the sick and general sanitation, so that our citizens if ever called to defend our country may receive proper medical and nursing treatment, and

Whereas, A branch of the National Service Training School will open at the Presidio of San Francisco under command of United States Army and

Navy officers to impart this great humane knowledge to these patriotic women who desire to become enrolled in the Red Cross Nursing Service as reserves in case of calamity or war, and

Whereas, Such instruction will be given at mere maintenance cost and under tuition of efficient Army and Navy surgeons and Red Cross nurses in army barracks, and

Whereas, This training school is under auspices of that great patriotic organization, The Woman's Section of the Navy League, with a national membership of 325,000 women, having similar schools at Chevey Chase, Washington, D. C.; Philadelphia and New York; therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco give this local enterprise, under the assistance of the San Francisco Chapter of the Woman's Section of the Navy League, its hearty co-operation and approval.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Motion.

Supervisor Power moved that the vote be made unanimous.

Motion *carried*.

Adopted.

Whereupon, the following resolution was presented and *adopted* by the following vote:

Resolution No. 12941 (New Series), as follows:

Resolved, That James P. Donohue be and is hereby appointed Managing Superintendent of the Exposition Auditorium, and to serve during the pleasure of the Board at a salary of \$200 per month.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Creating Position of Superintendent of Auditorium.

Bill No. 4088, Ordinance No. — (New Series), as follows:

Providing for the creation of a position to be known as Managing Superintendent of the Exposition Auditorium, defining the duties of said position, fixing the compensation thereof and authorizing the appointment thereto, in accordance with the provisions of subdivision 1 of section

4, chapter I, article II of the Charter.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The position of Managing Superintendent of the Exposition Auditorium is hereby created, the designation of said position having been provided by the Civil Service Commission on the day of..... 1916, as required by section 2 of article XIII.

Section 2. The duties of the Managing Superintendent shall consist of carrying out and enforcing such orders, regulations and rules, for the maintenance, leasing and use of said Exposition Auditorium as the Board of Supervisors may provide, and he shall have general supervision of the use of and act as custodian of said Exposition Auditorium.

Section 3. That the compensation of said Managing Superintendent shall be two hundred dollars per month.

Section 4. That the Board of Supervisors is hereby authorized to appoint said Managing Superintendent subject to the provisions of article XIII of the Charter.

Section 5. This ordinance shall take effect immediately.

ADJOURNMENT.

There being no further business the Board at 7:30 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors May 22, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

THURSDAY, MAY 18, 1916, 8 P. M.

In Board of Supervisors, San Francisco, May 18, 1916, 8 p. m.

The Board of Supervisors met pursuant to adjournment.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hynes, Nolan—3.

Absence of Supervisor Gallagher.

The following was presented and read by the Clerk:

May 18, 1916.

Board of Supervisors, San Francisco, California.

Gentlemen:

I sincerely regret that I must ask to be excused from attending the meeting this evening, at which the public hearing on the budget is to be held.

I had a previous engagement which is of vital importance to a cause in which I am interested and find that I cannot cancel the engagement.

I am, however, on call, and if it is necessary for me to attend I shall respond forthwith.

Respectfully,

ANDREW J. GALLAGHER,
Supervisor.

Read and excused.

Leave of Absence, Marshall Hale, Playground Commission.

The following matter was presented and read by the Clerk:

Honorable Board of Supervisors, City and County of San Francisco, City Hall, San Francisco.

Gentlemen:

Application has been made to me by Hon. Marshall Hale for leave of absence, with permission to leave the State of California, for a period of sixty days commencing with this day.

I hereby request that you concur with me in granting said leave of absence.

Yours very truly,

JAMES ROLPH, JR.,
Mayor.

Adopted.

Whereupon, the following resolution was adopted:

Resolution No. 12943 (New Series), as follows:

Resolved, That in accordance with the recommendation of his Honor the Mayor, Hon. Marshall Hale, member of the Playground Commission, be and is hereby granted a leave of absence for a period of sixty days, commencing May 18, 1916, with permission to leave the State.

Ayes—Supervisor Brandon, Deasy, Hayden, Hilmer, Hocks, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hynes, Nolan—3.

Purchase of Right of Way for Chenery Street.

Supervisor Hocks presented:

Communication—From Glen Park Promotion Association, requesting a budget appropriation of \$6,000 for the purchase of a right of way on Chenery street from the United Railroads.

Read by the Clerk.

PUBLIC HEARING ON BUDGET

1916-1917.

The Chair announced that the purpose of this meeting was to hear taxpayers of the City and County on the proposed budget for the fiscal year 1916-1917 before finally determining same.

Privilege of the Floor.

Thereupon, the following were granted the privileges of the floor and addressed the Board:

J. B. Zimdar, representing the Mission Promotion Association, and allied clubs, said that the organizations he represented made several requests which were ignored in whole or in part by the Finance Committee in making up the Budget for 1916-1917. We asked for \$50,000 for the Hunter's Point Road. The Committee has allowed \$45,000. That is not enough. We reiterate our demand for the full amount. It is absolutely necessary.

We also asked for \$50,000 for playgrounds in the Mission. The Finance Committee recommends \$25,000. That amount is absolutely insufficient for the acquisition of the ground alone, not to say equipment. Such an appro-

priation is the same as denying the project.

Forty-five thousand dollars was asked for the improvement of Army street. This is necessary to connect the bay shore with the Mission District. Two years ago that amount of money was appropriated for this purpose. This is only one-third of the cost; the remainder was to be raised by an assessment district. On account of the protest against the grade change the work has not been done. We now ask again that this amount be put in the Budget for the improvement of Army street.

An appropriation for the improvement of the Bernal Cut has been asked for many years. In this regard the Finance Committee says in its report:

"It was not considered timely nor prudent at this time to start making appropriations for a project that will cost ultimately in the neighborhood of \$1,000,000 as future budgets might be required to provide an undue burden at the expense of public necessities. The Committee hesitates to inaugurate appropriations for a desirable public work which would cost probably nearly twice as much as the Stockton street tunnel, and nearly half as much as the Twin Peaks tunnel."

I do not know who told the Finance Committee that the Bernal Cut would cost twice as much as the Stockton street tunnel or one-half as much as the Twin Peaks tunnel, but it is very evident that the members are laboring under gross misinformation. The cost of the Bernal Cut will not be \$1,000,000. The City Engineer's estimate is nearer \$500,000.

Eustace Cullinan, representing the Mission Promotion Association, said that he agreed with everything that Mr. Zimdar said. I wish to impress upon the members of this Board the necessity of making the appropriations requested for these improvements in the commercial districts of the Potrero, which the Mission Promotion Association has been fighting for and which this budget does not sufficiently take care of. We have heard people decrying the fact that there are no factories here, that they are going to Los Angeles and across the bay. If we want factories we must develop our commercial districts. These projects, the road to Hunter's Point, the improvement of Army street, and the others mentioned, are vital to San Francisco and her commercial development. Unless appropriations are made for these necessary improvements and unless factories are established here we cannot realize the many magnificent projects that have been advanced for the beautification and adornment of our city.

Judge Van Duzer also addressed the Board. He requested that the people be given an opportunity to know what this Budget contains. He said that he had only just received a copy and, as there is no segregation, had not time to find out just what it meant. I have lived in the Mission, he said, for upwards of fifty years and will be sixty years in San Francisco in June, and am deeply interested in her welfare, and I say that I never saw such a dismal outlook for this city. I am in favor of recreation and open air for the children, but am opposed to any appropriation for playgrounds. Judge Sullivan, he said, declared recently that fifty-three thousand people had left San Francisco. Let not this Board do anything that will add to this number. Keep down the tax rate. Last year's appropriation for playgrounds was \$70,000. Strike out that item this year. I protest against \$50,000 for playgrounds in the Mission. As for the Bernal Cut, he said, let it wait. It has waited a long time so far. Cut out everything that is not absolutely necessary. Let it go until some time when men can get employment. Let everything go that means pleasure and confine yourselves to absolutely necessities.

M. E. Galvin also addressed the Board. He urged an appropriation for Bernal Cut. We have money, he said, for trails on Telegraph Hill. Why cannot some be found for this improvement that means so much for the development of San Francisco.

O. W. Owens, representing the Civic League, said that Bernal Cut was a business proposition absolutely. Millions of dollars are lying idle in undeveloped property in the Potrero District. Under proper stimulus this property would pay large taxes to San Francisco. Only a short time ago the assessment roll for Richmond was \$125,000; now it is over a million dollars. All of which is due to appropriations for public improvements making property available for commercial purposes. Every dollar spent in this way will be returned five-fold.

Edwin C. Porter also addressed the Board. There are 1,165 children, he said, attending the Fairmount School. These are housed in one main building fourteen shacks and two flats. The main building itself is in a dilapidated condition. When a new school was first asked for, he said, the land could be purchased for \$40,000, now it is \$70,000, and I am sure it will cost \$72,000 before we get it. We urgently request that something be done in this budget for the relief of the conditions in this school.

F. Olmo, representing the South of Army Street Improvement Association, said: The conditions at the

Fairmount School are absolutely the worst in San Francisco. Every inch of the grounds is on a pitch, which is extremely dangerous to the children who are obliged to play there. The school yard itself is a rat harbor and is infested with them. The Board of Health would make me tear up my yard and cement it if it was in that condition. We have been promised improvements and have waited for a long time for something to be done for the Fairmount School.

Jesse Dorman, representing the Southern Promotion Association and two hundred firms doing business in that district addressed the Board. He said that his association wanted something done for the streets in the southern portion of the city. He said there was no spirit of commercial development in this community. We should spend a large sum in improving the streets in our commercial districts. Less money, he said, has been set aside in this budget for this purpose than last year. One hundred and eighty thousand dollars is needed for the improvement of streets that are now required to be placed in condition.

Spencer Buckbee, president of the San Francisco Real Estate Board, also addressed the Board. He said that the San Francisco Real Estate Board represents to a great extent the taxpayers of San Francisco who will pay upwards of twelve to fourteen millions of dollars in taxes next year. He said that in the past everybody had a kick, but that nobody sat down and aided the municipal authorities in making a fair and equitable tax rate. The San Francisco Real Estate Board this year, he said, had secured the services of municipal experts from New York City, who, working through the Tax Committee of the Real Estate Board, would make recommendations for doing away with inefficiency and waste in the various municipal activities. He said that this action of the Real Estate Board was without political significance and was induced solely for the benefit of the community. He requested that Mr. Bruce Cornwall be granted the privilege of the floor for the purpose of explaining the plan.

Bruce Cornwall, representing the Tax Committee of the San Francisco Real Estate Board, was thereupon granted the privilege of the floor and read the following:

May 18, 1916.

To the Mayor and Supervisors of the City and County of San Francisco. Gentlemen:

If you make the general and special appropriations recommended by the Finance Committee, the payable tax rate will be \$2.325 and the sum total

of taxes will amount to about \$15,618,274. Of this amount about \$11,000,000 will be paid in taxes by the owners of real estate in San Francisco, principals whose interest we—speaking as the Tax Committee of the San Francisco Real Estate Board—represent.

The incidence or burdens of these taxes will not, however, fall upon them alone. Through the medium of every business activity in the city it will spread to the whole population. As this burden is light or heavy, San Francisco, its business, and all its people will materially prosper or stagnate.

This power of taxation is the brake for the vehicle that carries the people of this city forward to prosperity. You hold its handle in your hands. If applied with an even, uniform pressure, only when necessary, it will hold the vehicle steady in the road at a safe pace; if the pressure is increased or the brake is allowed to drag, it will check to the extent of the increase or drag the progress of the vehicle and the prosperity of every man, woman and child in the city. The responsibility is officially yours.

Taxation in San Francisco has reached a limit that challenges this city's desired growth and development. You know this and the people know it, and therefore those who pay taxes in San Francisco and who are most closely bound in their whole beings with the destiny of this city, have, through the San Francisco Real Estate Board, organized and financed this tax committee, a bureau for municipal research and betterment—a citizens' agency for studying facts; for getting into close touch with the business of the city and working with its officials for civic improvement. Non-political, without personal bias or favoritism, it stands for the post-election interests of citizens in the efficient management of their government. It aims through recognized practical experts to unearth and show officials and citizens any old-fashioned, round-about practices that may exist and how to supplant them with up-to-date, logical, time and money-saving methods. It is, and will be extremely practical, proceeding not upon theory but upon the actual experience of other cities that have likewise discovered and eliminated their waste.

This committee does not desire publicity or credit for what may be accomplished. The city officials carry all the responsibility; they should, in justice, have all the credit. You will not find this committee "muck-raking" or attempting to "put something over."

Thus far, wherever or whenever we have come into contact with a public

official, we have been met with a warm welcome and a spirit of friendly cooperation. This meeting tonight is no exception, for we meet with you to consider the report of your Finance Committee, which includes recommendations for progressive action in three things that are close to our hearts, and for which we have worked and are working hard:

1st: The budget reformation.

2nd: A uniform accounting system.

3rd: The principle of "pay as you go," as exemplified in the special school tax recommended.

With these three principles adopted and adequately and competently installed in our city government, San Francisco will have left the rapidly thinning ranks of antiquated stragglers in municipal government and have taken her proper place with the majority of great American cities doing business as efficient business organizations. You, gentlemen, will be accorded the honor and the full credit, and you will deserve it.

THE BUDGET.

In the past San Francisco has never had a real budget; it can not have one this year. What it has had, and what is now proposed for this year, are merely parts of a budget—the text and the appropriation bill. Now a real budget has three functions.

1st: It is a medium to inform the electorate relative to the city's finances, its transactions during the past year, its present condition, and its plan for the future.

2nd: It is an aid in making appropriations and in other local legislations.

3rd: It is an aid to the Mayor and other executive officers in the performance of their administrative duties.

In order that the city's budget may serve the three purposes indicated, it should contain:

1st: A balance sheet showing what the city owes and what it owns.

2nd: A fund statement showing the condition of the various appropriations—the amount of appropriations remaining unincumbered, and the amount of revenues remaining unappropriated.

3rd: A statement of past operations and an estimate of next year's operations—showing in a comparative form as a basis for judgment the revenues and expenses which accrued during each of the preceding two years, and the estimated accruals for the next year—the revenues classified according to sources and the expenses classified according to functions and sub-functions. The statement of expenses of past years should be supplemented by detailed statements of unit costs of

all kinds of service for which it is possible to prepare such costs.

4th: An explanatory text relative to the conditions, reasons, etc., connected with the estimates for the ensuing year. Also a work program showing the undertakings to be begun and those to be completed during the next year and each of several years in advance.

5th: An appropriation bill containing amounts and all necessary phraseology relating to specifications, requirements and conditions governing the expenditure thereof.

6th: Any proposed measure for revenue raising and borrowing.

Insofar as the San Francisco Budget does not contain the six features above set forth, the city may be said to have no budget. This classification is not theoretical but is real, practical, and approved generally by all cities devoting themselves to modern, efficient municipal government, and by the New York Bureau of Municipal Research—which is the acknowledged first national authority on the subject. It is a good systematic business method now to be found in all advanced American cities and it has travelled westward to the shores of San Francisco Bay. Oakland for the first time now has a systematic modern budget including a balance sheet.

We are here tonight in response to the provisions of the Charter contained in Article 3, Chapter 1, Section 3, providing that before finally determining upon the budget, the Supervisors shall fix such sufficient time or times as may be necessary to allow the taxpayers to be heard in regard thereto, and that the Supervisors shall attend at the time or times so appointed for such hearing.

Realizing the responsibility that rested upon us to appear at this time and represent the tax-paying citizens in the fixing of this budget, we have been engaged during the past two months in attempting to make an adequate investigation of the city's finances, resources, and needs, and have had accountants and assistants engaged in tabulating and studying so far as possible the requisitions of the several departments, offices, boards and commissions. They collected hundreds of pages of figures but they failed to get requisite and actual information and we therefore failed to get it. We haven't it now, and we cannot therefore now intelligently form a judgment about the city's financial needs. The reasons for this failure are shown in the following excerpts from the report furnished us.

The absence of a uniform accounting system showing unit and job costs, the amount of work done or to be done, stores, supplies and equipment

used or on hand, and the making of budget appropriations of lumped sums, covering expenditures for various purposes, makes it impossible to submit an accurate or intelligent estimate of the financial needs and requirements of the municipal government for any specified time or undertaking.

For example: Under the heads of "General Fund Board of Supervisors" and "Special Funds," there are in the 1915-16 budget three separate appropriations which include repairs to public buildings, as follows:

Budget Item No. 39—Rents, repairs, equipment and maintenance of public buildings and moving, \$60,000.00.

Budget Item No. 53—For work in front of city property, repairs to streets and buildings and miscellaneous improvements, \$80,000.00.

Budget Item No. 57—For repairs and reconstruction of Fire Department, Municipal and Police Buildings, \$34,800.00.

There are three separate appropriations which include repairs to streets, as follows:

Budget Item No. 51—For paving, repairing, grading, constructing and repairs to streets, \$351,000.00.

Budget Item No. 52—For reconstruction and repair of the following streets (certain streets specified) and such other streets as determined by the Board of Supervisors, and for furnishing and finishing the City Hall, \$300,000.00.

Budget Item No. 53—For work in front of city property, repairs to streets and buildings, and miscellaneous improvements, \$80,000.00.

There are two separate appropriations which include furnishing or furnishings for the City Hall, besides one appropriation for furniture for public buildings, as follows:

Budget Item No. 33—Furniture public buildings, \$5,000.00.

Budget Item No. 52—* * * and for furnishing and finishing City Hall, \$300,000.00.

Budget Item No. 71—Furnishings City Hall, \$75,000.00.

Budget Items Nos. 29, 39, 52, 53 and 58, aggregating \$600,400.00, are blanket appropriations, as follows:

Item No. 29—Stationery, books and printing and purchase and repair of typewriters, \$49,000.00.

Item No. 39—Rents, repairs, equipment and maintenance of public buildings and moving, \$60,000.00.

Item No. 52—Reconstruction and repairs of specified streets and of such other streets as determined by the Board of Supervisors, and for furnishing and finishing the City Hall, \$300,000.00.

Item No. 53—Work in front of city property, repairs to streets and

buildings, and miscellaneous improvements, \$80,000.00.

Item No. 58—Construction, reconstruction, fire escapes, repairs to and equipment of school buildings and portables, \$111,400.00.

The budget does not specify what proportions of these appropriations shall be applied to any one particular undertaking, but states that Items Nos. 52, 53 and 58 are "to be expended in such manner and in such amounts as directed by the Board of Supervisors." The requisitions and proposed budget for the coming year contain no accounting of the expenditures of these appropriations.

In several departments, including the Juvenile Detention Home, Widows' Pension Bureau, Magdalen Asylum, State schools (Preston and Whittier), Home for Feeble Minded, Criminal Insane, Health Department, Fire Department, and School Department, are appropriations for maintenance ranging in amounts from \$3,000 to \$170,000. There is no statement in the budget as to the proportion of the amounts to be expended for supplies, equipment, or salaries, nor are there records or accounts submitted with the budget requisitions for 1916-17 showing stores and supplies actually used during any fiscal year, or purchased for future use and on hand, nor, with the exception of the Widows' Pension Bureau and the Health Department, records of the number of inmates in the various institutions. The same conditions apply to Budget Item No. 259, allowing \$45,000 to the Sheriff for subsistence of prisoners.

These particular instances show how utterly impossible it is to intelligently criticize the budget at present in force and proposed for 1916-17, without first making a thorough exhaustive study of the miscellaneous records of each department for the purpose of ascertaining the basis upon which the appropriations are asked and made. This is prohibitive.

The budget requisitions do not contain efficiency records or unit costs to enable us to determine the need for requested increases in appropriations. For example—There are no budget records showing costs per square yard of different kinds of pavement repaired, or cost per 1000 square yards of the several kinds of pavement cleaned, or the proportionate cost of personal service in the total costs of these and other functions.

Budget records should show unit costs in all departments where possible, so that at budget-making time the supervisors and citizens will have available complete information not only of the quantity of work performed for the money expended the

previous year, but the amount of work to be performed the ensuing year, and the probable cost per work unit of accomplishing it (i. e.—cost per square yard of pavements laid, repaired and cleaned, and cost per inmate day of institutions, etc.) Thus a real basis would also be afforded for testing the relative efficiency of (1) departments as compared with the same departments of other cities, (2) departments the past year as compared with the preceding years, (3) different methods of accomplishing work, and (4) different employees, gangs, divisions, etc., (5) and costs of similar functions in other cities.

Now, Gentlemen, we trust and believe that you will remedy this by adopting the recommendation of the Finance Committee and requiring for the future a uniform system of adequate accounting. In the meantime you propose this year lumped sum appropriations. To this change in budget form there may be no strong objection if accompanied also with an accounting system change, which we understand you will include. We believe it is well to make a trial of the return to the officers, boards and commissions of the powers and duties of responsible administration that the Charter intended them to have. It *should* work for restoration of harmony and the proper placing of responsibility; BUT, with these lumped sum appropriations there must properly and necessarily issue from you notice and requirement that detailed records of expenditures and of unit costs of service be kept by the several officers, boards and commissions, and submitted to the Board of Supervisors and Auditor in proper form and proper time, to serve as a basis for legislation in formulating the 1917-18 budget. To grant these lumped sum appropriations without this notice and requirement and its fulfillment would open the door wide for expenditures other than those intended without offering any means of determining the responsibility and without insuring any proper information for the making of next year's budget. It would be one of the worst and most undesirable changes that could be made.

The city of Boston has, from the beginning of its corporate existence in 1882, made use of the lump sum budget, although in many departments it has used considerable detail in appropriations. Less than a year ago the Mayor and City Council at the suggestion of the Mayor, James M. Curley, ordered the appointment of a Commission, to study and report on the form of the annual budget. That Commission has recently reported. Amongst other things it found that—

"The only large cities discovered by

the Commission in which appropriations are voted on the lump sum plan are Kansas City, Mo., and San Francisco, Cal."—and now it is proposed to dispense with even the detail we have had heretofore. The Boston Commission evidently found that Boston was not in the best of municipal company for it recommended as follows:

"This Commission therefore concludes as its answer to the City Council that it is expedient to adopt a segregated form of budget and that the system should extend to all the departments for which the money is used."

The Commission further found that a marked evil of the lump sum budget was that it resulted in a largely excessive number of persons being employed in all departments and also the payment of excessive salaries. This is the danger in San Francisco, as every public official must realize, for only he knows how numerous and insistent, and in many cases, worthy, are the applications for employment. This danger can be more or less guarded against and controlled by the requirement of proper and adequate accounting from all departments, including personal accounts and expenditures for personal service in each department.

In the past and present, the only comparison open to San Francisco officials and citizens in budget consideration has been the comparison between proposed appropriations and past appropriations. In all official and unofficial tabulations, budgets and accounts, the only comparison is always between the budget appropriations of preceding years and estimates and requisitions for the coming year.

In preparing and considering the budget, the officials and citizens should be able to compare and consider the proposed appropriations in detail with the last past *annual cost* of doing each particular thing, and the past actual *monthly cost* of the current year, and *cost* must be stated in detail and also in terms of unit of result, if the supervisors or anyone else is to have any basis for judgment as to what amounts are needed and what amounts would be waste and not needed.

At this time, in examining the budget, amongst other things, we would like to know and pertinently ask:

What was the cost per 1000 square yards of sweeping the city's streets, and of sprinkling the city's streets for the last past and the current fiscal year?

What was the area swept and sprinkled, and what is the area to be swept and sprinkled during the present fiscal year, and what is the estimated area to be cleaned and sprinkled during the next fiscal year?

What amounts were for personal service (salaries and wages), and what amounts for other purposes?

We want to compare these answers with the costs of the same work during other periods—and with the cost of similar work in other cities.

What are the classes of street work performed and to be performed during this fiscal year?

What are the unit costs for each of these classes of work (i. e.—cost per square yard of asphalt paving, cost per square yard of basalt paving)?

How do these costs compare with the cost of the same classes of work during other periods, or with the cost of similar work in other cities?

What amount of each class of street work has been performed and is there to be performed during this fiscal year, and what is the estimated amount of each class of this work to be performed during the fiscal year 1916-17?

What was the amount expended for material, supplies, etc., during this fiscal year up to the time the estimates of this Department for the fiscal year 1916-17 were made? What amount for personal services?

What was the amount of material, supplies, etc., actually used during that time? What material, supplies, etc., were there on hand at the beginning of this fiscal year, and at the time of making the estimates for the fiscal year 1916-17?

What is the cost of maintenance of the city's automobiles?

What is the cost for each automobile for gasoline, oil, tires and repairs?

What is the mileage covered by each automobile, and what is the cost per mile?

How many prisoners were there confined in the jails during each day or month of this fiscal year up to the time of making the estimates for the subsistence of prisoners for the fiscal year 1916-17, and what was the estimated number of prisoners to be confined in the jails during the balance of this fiscal year?

What was the number of meals served at the jails and the cost per meal?

What was the amount of stores and supplies purchased during the period between the beginning of the fiscal year 1915-16 and the time of the making of the Sheriff's estimate for the fiscal year 1916-17?

What was the amount of stores and supplies actually used at the jails during that time? What stores and supplies were there on hand at the beginning of this fiscal year and at the time of making the estimate for the fiscal year 1916-17?

What was the number of inmates in each of the hospitals and homes

during each day or month of this fiscal year?

What is the estimated number of inmates to be cared for in each hospital and home during the fiscal year 1916-17?

What is the cost per hospital day for the fiscal year 1915-16? How do these costs compare with the "hospital day" costs for previous years, and with similar costs in private institutions of the same kind?

What was the amount of stores, supplies, drugs, etc., purchased by the city for each hospital and home during the period between the beginning of the fiscal year 1915-16 and the date of the making of the estimates for the maintenance of the same for the fiscal year 1916-17?

What was the amount of stores, supplies, drugs, etc., actually used at each hospital during that time? What stores, supplies, drugs, etc., were there on hand at the beginning of this fiscal year and at the date of making the estimates for maintenance for the fiscal year 1916-17?

How many elections were there held or to be held during the fiscal year 1915-16? Zemansky reports it.

What was the total registration for this fiscal year to the date of making the estimate for the Department of Elections for the fiscal year 1916-17, and what was the cost of each registration? Zemansky reports it.

What was the total vote cast at the elections already held during this fiscal year? In election returns.

What was the total vote cast at each election?

What was the cost per vote all elections?

What was the cost per vote each election?

How many elections are authorized for the fiscal year 1916-17?

What is the estimated increase in registrations for the fiscal year 1916-1917 over those for this fiscal year, and the estimated cost for each registration?

What is the estimated increase or decrease in the number of votes to be cast at all elections during the fiscal year 1916-17, and the estimated cost per vote?

How many fire houses are there in the city, and what apparatus does each house contain?

What is the cost of maintenance of each fire house?

How many alarms did the Fire Department respond to during some stated period of time in this fiscal year, and what was the average cost for each alarm?

How many horses are in the Department and what is the average cost per month for forage for each horse?

What is the cost of maintenance in

San Francisco of motor driven and of horse drawn apparatus of the same class, for a stated period of time?

Is there a uniform method of ascertaining the volume of clerical work performed in any particular office or department for the purpose of determining the amount of clerical help to be allowed?

Is there a record of the city's property and equipment which would enable the proper officials to fix the responsibility for the loss of or damage to any part of same?

We want to know these things and a great many others. No one can intelligently make a proper budget without knowing them. They have never been included in the process of budget making in San Francisco. Give us an adequate accounting system, and budget statements compiled from it, and then we and any one else interested can consider with reason proposed budget appropriations. Until we have such system and statements, it is almost idle and useless to give the citizen public a chance to meet with you and consider the cost of running the city.

Insofar as we are not now accorded this cost record information, this Committee respectfully enters of record formal exception and objection to all increases in amounts proposed to be appropriated for the coming year over the appropriations for the past year, except such as are required by law. Let me repeat, on behalf of the Committee and the tax payers we represent, that all we have said and now say is with the conscious feeling that we are talking in close and friendly cooperation with officials of the City who have at heart as keenly as we have the determination to put the City and its affairs upon the most efficient business basis possible.

Special School Tax.

With the same feeling we congratulate your Finance Committee upon the adoption of the pay-as-you-go principle in the matter of acquiring school buildings for the future. While this special school tax and the suggested special tax for acquisition of land for Civic Center streets will, if passed, raise the actual rate to be paid by the citizens of San Francisco from \$2.26 to \$2.325, it is the firm conviction of this Committee that such principle of financing such needs by a special tax as we go is correct and unquestionably more economical for the tax payers than an increase on the bonded debt, necessitating the actual double payment for such school buildings. Of course, we should properly have similar detailed information concerning the necessity for such appropriations as we have already outlined concerning other budget appropriations.

Playground Appropriations.

The Finance Committee has recommended an appropriation of \$50,000 for the purchase of addition playground sites and the equipment thereof, and the enlargement of school yards for recreation purposes. Insofar as this \$50,000 is to be used for additional playground sites and the equipment thereof, the San Francisco Tax Committee, in behalf of the tax payers, except and object to its appropriation for these reasons: That this matter of the acquisition of playgrounds is peculiarly one that should properly be submitted to the people for their direct decision, inasmuch as it is the use of public moneys for a purpose that has already been submitted to the people and voted upon by them; and inasmuch as they have already directly registered their opposition to such expenditure, this Committee believes that that opposition should not be countermanded except by a similar direct vote of the people.

There are a considerable number of items included in the proposed appropriation bill concerning the propriety of which this Committee has serious doubts. As these doubts are founded, however, upon matters concerned with the organization and operation of several departments of the city government, and as this Committee is now preparing to have a complete detailed survey made of these departments by the best experts of the New York Bureau of Municipal Research, and as this survey will discuss with authority and truth the actual conditions and needs in such departments, and will show efficient management where it exists, and inefficiency and waste where it exists—it has been decided best to not raise all of these questions through specific objections to appropriation items. There are, however, several proposed increases to which the Committee feels it should object specifically. These are:

First—We specifically except and object to an increase at this time of \$34,933 in the Fire Department, insofar as any part of this sum is intended for salaries for two-truck companies, asked for by the Department. It would appear that \$27,000 is such part intended for such purpose. We base our objections upon the following grounds:

1. The motorization of the departments now being made will remove the necessity for additional companies and will result in the discontinuance of some of those now existing, and the transfer of those men to increase other companies. It therefore appears to be most undesirable to now increase the personnel of the department.

2. The proposed new truck company at the proposed Potrero location is not warranted by the improvements

to which it would be contributory. These improvements are almost all one-story structures, not requiring the services of a truck and ladder company; the exceptions being the Union Iron Works buildings, which are constantly provided day and night with their own fire protection and by their own workmen, who, in all probability, would be able to prevent a fire gaining headway.

Other reasons are the fact that the Bluxome Street Station is contributory to the Potrero area through motorization and further that the city possesses two of the finest fire boats in the world, in addition to its auxiliary salt water system.

It is said that San Francisco pays more for fire protection per inhabitant (\$3.509) than any other city in the United States, and more than twice as much as New York, Chicago, Boston, Pittsburgh, Milwaukee, New Orleans or Minneapolis; that it pays more per square mile than any other city in the United States, except perhaps the heretofore extravagant city of Boston.

This increase is uncalled for and in our judgment should not be made.

Second—We call attention to the item, "Improvements of City Lands, \$25,000," and ask—What is this for? Is it for the improvement of park lands? This Committee does not desire to take a position that will in any way hamper the development and improvement of the city's parks, but if the appropriation for parks is augmented by this appropriation and the appropriation for the Esplanade (if this is considered as a portion of the Park) so that it exceeds in the aggregate the Charter limitation, it will, to the extent of such excess be illegal and should not be made.

Finally, we thank you for your attention, and assure you that we do not wish to unduly curtail or hamper in any way any legitimate municipal activity. We do desire financial economy. We desire just as ardently increased and better public service; for every dollar paid in taxes we want the people of the city to get a dollar's worth of good service.

We believe that each of you must have, as a public officer of the City and County of San Francisco, the same object at heart, and as you and the other officials of the City and County have your time principally taken up with the routine business of your offices, we hope and trust that you will permit this Committee to co-operate with you in considering, formulating and installing improvements in the municipal machinery. This course has been followed, and is being followed, in other large progressive American cities, and is endorsed

by such men as Mayor John Purroy Mitchel of New York, Mayor James M. Curley of Boston and former Mayor Newton D. Baker of Cleveland. Let us use it also for the material good of San Francisco and its people.

Respectfully submitted,

SAN FRANCISCO TAX COMMITTEE.

By BRUCE CORNWALL,

President.

Miss Florence Musto, representing the Congress of Mothers, requested a special itemization of the budget appropriation for dental clinics in the schools which she understood had been included in the appropriation for the Board of Education to the amount of \$3,000. She requested that this sum be given in charge of the Dental Clinic Committee of the Congress of Mothers, who she promised would expend it economically and without pay for personal services.

D. Van Blarcon, representing the San Francisco Tuberculosis Society, spoke in support of the request for an appropriation for the Board of Health for the employment of tuberculosis nurses. Twelve thousand five hundred dollars, he said, had been asked for this purpose to enable nurses to be sent into the homes of patients to instruct families in the precautions that should be taken to prevent infection. The money he said would be spent by the Board of Health.

Dr. Rosenstirn also addressed the Board. On behalf of the Board of Public Works he requested that \$4,000 be provided for a machine for street cleaning to be done in an up-to-date sanitary manner instead of the present uncleanly system. He said the machine it was proposed to buy has the recommendation of the Sanitary Board of the City of Milwaukee. He urged the extreme necessity of this appropriation. Upon being asked by the speaker, President Reardon of the Board of Public Works said that request of \$6,000 for an Elgin sweeper was now in the hands of the Finance Committee of the Board of Supervisors.

S. J. Spear, Fire Department employee, stated that the Finance Committee has recommended an appropriation of \$100,000 for motorizing the department. As a business proposition we urged upon you the advisability of appropriating \$150,000, as originally requested. Your maintenance cost for horses for five years will pay for your motorization. We cannot show you in dollars and cents property losses that might be saved

nor the number of lives but the superior efficiency of a motorized department must be evident to all. With motor equipment all drivers are available for use as fire fighters, whereas now they must stay with their horses. With an annual appropriation of \$150,000 motorization complete is possible in two and one-half years.

E. G. Ruedin, representing the Civil Service Elevator Operators at the San Francisco Hospital, said that the elevator operators he represented were paid only sixty dollars a month and board. As most of these men were men of family and had no use for the board he requested that the salary be increased to \$90.00 per month and the board eliminated. As to the insufficiency of the present salary, he cited the case of one of the operators who died about two years ago and up to this time the family had been unable to pay his funeral expenses.

Chris. Brandhorst, representing the Peralta Heights Improvement Club, speaking for the Le Conte School, said that in 1905 \$55,000 had been set aside for this school, but that nothing had been done. He urged the Board to do what it could in the matter.

S. J. Miller, representing taxpayers on Collingwood and Twenty-second streets, complained that only \$500 had been allotted for plans and specifications for grading Collingwood street. He asked that Collingwood street be treated the same as Cumberland street, and declared if work was done as required it would be a great aid to the Fire Department in protecting life and property.

M. Horan, representing Exposition and Golden Gate Valley Improvement Club, requested additional yard space for the Sherman School. We have over 600 children in attendance at this school and the yard is wholly inadequate to accommodate them. We have been asking for this yard space for several years. The land required cannot be purchased for \$6,000. The owner of it, Mr. Barr, will not sell for less than \$10,000, and that price is very reasonable. We hope, gentlemen, you will give this matter serious consideration.

T. Treacy also addressed the Board. He said that he spoke for the most thickly settled portion of San Francisco. We are satisfied, he said, with the report of the Finance Committee.

We want to keep taxes down. We ask for nothing that has not been put in the budget. Our schools, the Crocker, containing 900 children, and the Dudley Stone have been amply provided for. The property owners are now aiming to raise among themselves \$110,000 for the opening of a new street in this section and we will pay for it ourselves. Buena Vista and Ashbury Heights only hope that some day the city will run its municipal line over it.

Miss T. Lamey, representing Parkside District, requested that recommendation for an appropriation for construction of Parkside School be not stricken out of Budget as submitted by Finance Committee.

Mrs. Reber, property owner on Laidley street, requested that something be done by the city in the matter of the purchase of property that has been destroyed by slides last winter. The property, she said, is fit for nothing but for a play ground. She declared that she had spent \$2,215 for street work alone. Now she cannot get that much for the property itself. There have been two slides within two years. It will not cost more for play ground than it would to repair the street.

T. Robinson, representing the Park-Richmond Improvement Club, said Richmond only wants \$10,000. Portions have been granted in the budget for playgrounds. Anything outside that should be spent on the Esplanade at the Beach. It was understood that \$50,000 a year would be set aside for this purpose, but only \$25,000 has been provided in this budget. The reason given that the money appropriated the first year had not been spent is not a good one. Everybody knows that all work is slow at starting. This appropriation, he said, should not fall below \$50,000 annually.

Motion.

Supervisor Hayden moved that twenty copies of Finance Committee's itemization of the budget be prepared and each member furnished with a copy.

Motion carried.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

Mayor's Veto, Municipal Railway Across the Park.

The following was presented, read, laid over one week and spread at length in the Journal:

Mayor's Office, San Francisco,

San Francisco, Cal., May 20th, 1916.
To the Honorable Board of Supervisors of the City and County of San Francisco, San Francisco, Cal.

Gentlemen:

I herewith return to you, without my approval, Resolution No. 12897 (New Series):

"Whereas, the City Attorney has advised that in the construction of a public utility the Board of Supervisors may utilize rights of way across any property owned by the City and County, and

"Whereas, the Board of Supervisors has committed itself to the project of constructing an extension of the Municipal Railway across Golden Gate Park, and has instructed the City Engineer to propose plans and specifications therefor; therefore

"Resolved, that the Board of Public Works be directed to proceed with the work of construction of such extension, according to the plans prepared therefor by the City Engineer," providing for the construction of a Municipal Railroad across Golden Gate Park. This Resolution was passed by your Honorable Board on May 8th, 1916, and presented to me on May 10th, 1916.

On May 12th, 1916, I requested, from the City Attorney, an opinion as to whether or not "the Honorable Board of Supervisors has the power to order the construction of an extension of the Municipal Railway System through Golden Gate Park without the consent of the Honorable Board of Park Com-

missioners." On May 16th 1916, I received an opinion from the City Attorney, a copy of which I attach hereto and make a part hereof. (Exhibit "A").

I have also before me a copy of an opinion rendered by Hon. Curtis H. Lindley, Acting President of, and speaking for, the Board of Park Commissioners, on the same question, which I also attach hereto and make a part hereof. (Exhibit "B").

The authority of the Board of Supervisors to construct a Railroad across Golden Gate Park is disputed by the Board of Park Commissioners, and the proposed action opposed by that Honorable body.

The Board of Supervisors and the Park Commissioners are creations of, and derive their authority from the Charter.

The City Attorney has advised your Board that it has authority to construct a Municipal Railway through the Park without the consent or approval of the Board of Park Commissioners, notwithstanding the language of the Charter, which says that a Board of Park Commissioners shall have complete, exclusive management and direction of the Park. I quote from the Charter:

"The lands designated upon the map of the outside lands of the City and County, made pursuant to order No. 800 by the word 'park,' extending from Stanyan Street to the Pacific Ocean, and known as Golden Gate Park; also the land fronting on Haight Street, designated on said map by the word 'park,' and known as Buena Vista Park; also the lands designated on said map by the word 'avenue,' extending from Baker Street westward until it crosses Stanyan Street; also that certain highway bounded on the west by the Pacific Ocean, and designated upon said map as 'great highway;' also Mountain Lake Park; also Seal Rocks, as ceded to the City and County of San Francisco by Act of Congress; and all the other parks and squares in the City and County, and all the grounds surrounding public buildings in the City and County, and all parks and squares and public pleasure grounds hereafter acquired by the City and County, shall be under the exclusive management of a Board of Commissioners who shall be known and designated as Park Commissioners, except that children's playgrounds and recreation centers outside of Golden Gate Park, shall, to the extent of their use as such playgrounds and recreation centers, be under the exclusive management and control of the Playground Commissioners.

"The Commissioners shall have the complete and exclusive control, management and direction of the aforesaid

parks, squares, avenues, and grounds, and the exclusive right to erect, and to superintend the erection of buildings and structures thereon.

"They shall have the exclusive management and disbursement of all funds legally appropriated or received from any source for the support of said parks, squares, avenues and grounds."

Two of the Park Commissioners are lawyers of eminence at the Bar of this State, and they contend that the sole power in such matters rests with the Board of Park Commissioners, if any power to use the Park for other purposes exists at all.

As Mayor, I am not constituted the judge of the law; but, to my non-professional mind, one portion of the opinion of the City and County Attorney, rendered to the Board of Supervisors, presents great difficulties. I quote the concluding paragraph, as follows:

"I therefore advise you that, in my opinion, the Board of Supervisors has the power, without obtaining permission or authority from the Park Commissioners, to order the construction of the proposed Municipal Railroad across Golden Gate Park if the construction, maintenance and operation thereof does not affect or obstruct the free and comfortable use and enjoyment in the customary manner of the Park."

The City Attorney does not advise you who is to determine whether the "maintenance and operation of a Municipal Railroad" does, or does not, obstruct the free and comfortable use and enjoyment in the customary manner of the Park. The Park Commission, claiming authority to determine the question, has decided that the proposed plan of crossing the Park *does* obstruct the free and comfortable use and enjoyment in the customary manner of the Park. The Board of Supervisors, also claiming the right to determine this question, has decided the contrary.

If the Board of Supervisors can project a road through the Park by themselves determining that it does not obstruct or interfere with the use of the Park, and that determination be conclusive regardless of the actual facts, then, it is obvious, at least to the non-professional mind, that they can run a street railroad from one end of the Park to the other, or wherever, by ordinance, they shall adopt, thus, utterly destroying the people's pleasure ground. Such a construction would eliminate not only the Park Commissioners, but the Park itself, and the purposes of the Charter, in seemingly attempting to protect the Park and apparently vesting the power to do so in the Park Commissioners, would be at an end.

Obviously, neither the Park Commission nor the Board of Supervisors can determine its own authority. The question would, of necessity, be referred to the Courts perhaps, requiring years for determination; and, until then, the present controversy would not result in a Municipal Railroad or a convenience to the people.

Golden Gate Park is the pride of San Francisco and challenges the admiration of the world; the people's beauty spot! The people's playground! Free to all.

It was given in trust to San Francisco for future generations: it was saved by the wisdom and prophetic vision of the Pioneers. The people have the right to demand that their servants preserve this trust, inviolate.

The Municipal Railroad System is something of which San Francisco may be justly proud. In this, she is the pioneer among the cities of America. More extensively every year will this minister to the necessities and convenience of the public, and, as expiring franchises enlarge it, it will become a great arm of our municipal development and growth.

It must not be obstructed or dwarfed, or hampered by technical construction or artificial logic.

This is a case where utility and beauty should, if possible, be made to co-operate and co-ordinate, and, if any solution can be reached that will serve the interests of all the people, time is not wasted by the deliberation that is necessary to accomplish that purpose.

With the hope that a discussion of the question at issue, where two departments of the City Government differed as to authority and where public need was demanding an immediate solution of the problem by the provision of proper service, I invited and did hold in my chambers on Thursday, May 18th, a conference at which were present the members of the Board of Park Commissioners, the members of the Public Utilities Committee of the Board of Supervisors, the City Attorney, the City Engineer, several members of the Board of Supervisors, individuals, and the Press, and the question was discussed from every angle.

It has been suggested by the Board of Park Commissioners that a crossing at Twentieth avenue might be effected without damage to the Park and with little inconvenience to the proposed Municipal Railroad, and, if requested by the Board of Supervisors, that they would give their consent to the construction of such a Railroad at this point, on the same grades and crossings as recommended by the City Engineer for the crossing (disputed) at Tenth avenue.

This crossing had been advocated by Mr. John McLaren, Superintendent of

the Park, whose devotion to its development has so largely contributed to its grandeur, and whose work, as landscape gardener of the Exposition, raised him to international fame, and made, of the Exposition, in that particular, the most beautiful thing of all time.

I asked Chief Engineer M. M. O'Shaughnessy, to whose patriotic wisdom and engineering skill San Francisco owes much of the success of her municipal railroads, to examine the Twentieth avenue crossing.

I, personally, accompanied him during the inspection.

He reported to me that the route suggested, namely, the Twentieth avenue crossing, is quite feasible, and the purposes of the Municipal Railroad would be equally well served. I asked him for estimates on all plans suggested and he has furnished me with a summary of estimates for the four plans under consideration, which, for the purpose of placing before you all the facts in my possession bearing upon the question before us, I repeat herein:

May 16, 1916.

Hon. James Rolph, Jr.,
Mayor.

SUMMARY OF ESTIMATES FOR GOLDEN GATE PARK LINE.

"A" Original plan, including 30 ft. right of way (from Fulton street and Tenth avenue across the Park to Fourteenth avenue to Judah street.)

Portions through Park:

Materials	\$ 15,586
Construction	123,309
	<u>\$138,895</u>

Portion north of Park:

Materials	\$ 4,900
Construction	3,382
	<u>\$ 8,282</u>

Portion south of Park:

Materials	\$ 9,072
Construction	20,068
	<u>\$ 29,140</u>

Total cost original

plan "A"	\$176,317
"B" Revised plan, including 40 ft. driveway (from Tenth avenue and Balboa street via Balboa street, Twelfth avenue, across the Park, to Fourteenth avenue, to Judah street.)	
Materials	\$ 34,804
Construction	223,214
	<u>\$258,018</u>

"C" Tunnel scheme, as recommended by Park Commissioners (from Tenth avenue and Balboa street, via Balboa street to Twentieth avenue, to Fulton street, across

the Park, to Twentieth avenue and Lincoln way.)

4490 ft. of track from Balboa street and Tenth avenue to Fulton street and Twentieth avenue at \$20	\$ 89,800
2514 ft. of tunnel through Park at \$200	628,500
2640 ft. T rail construction at \$10..	26,400
Connections and crossings	<u>6,500</u>

Total cost Park Commissioner's tunnel scheme	<u>\$751,200</u>
--	------------------

"D" Surface line Twentieth avenue, as suggested by Mayor Rolph (from Tenth avenue and Balboa street, via Balboa street to Twentieth avenue, to Fulton street, across the Park, to Twentieth avenue and Lincoln way.)

4490 ft. of track from Balboa street and Tenth avenue to Fulton street and Twentieth avenue at \$20	\$ 89,800
2900 ft. to open cut construction	200,000
Connections and crossings	<u>6,500</u>

Total cost Twentieth avenue surface line	<u>\$296,300</u>
--	------------------

Note: It is to be noted that plans "C" and "D" provide for the Municipal Railway terminating at Twentieth avenue and Lincoln way where the United Railroads' Twentieth avenue line branches off from its tracks on Lincoln way.

(Sgd) M. M. O'SHAUGHNESSY,

I now wish to point out the differences in cost involved in the routes across Golden Gate Park in the several plans suggested:

PLANS SUGGESTED FOR THE CROSSING OF GOLDEN GATE PARK.

Total cost original plan "A" ..	\$176,317
Deduct cost of construction outside of Park	29,140
	<u>\$147,177</u>

Net cost of crossing Park

Total cost revised plan "B" ..	\$258,018
Deduct cost of construction outside of Park, approximately	62,800
	<u>\$195,218</u>

Net approximate cost of crossing Park

Total cost of plan "C" for a tunnel from Twentieth ave-

nue and Fulton street to Twentieth avenue and Lincoln way	\$751,200
Deduct cost of construction outside of Park, approximately	116,200

Net approximate cost of crossing Park	\$635,000
---	-----------

Total cost of new plan "D", from Tenth avenue and Balboa street, via Balboa street to Twentieth avenue, thence along Twentieth avenue to Fulton street, and across Golden Gate Park by a type of road construction similar to that of plan "B", that is, under the North Drive and under the South Drive and on the surface where not interfering with existing drives and roadways, and emerging from the Park at Twentieth avenue and Lincoln way	\$296,300
---	-----------

Deduct cost of construction outside of Park, approximately	89,800
--	--------

Net approximate cost of crossing Park	\$206,500
---	-----------

It will now be observed, from an analysis of the estimates furnished by the City Engineer, that crossings of Golden Gate Park will cost, approximately:

Plan "A", at Tenth avenue (net)	\$147,177
Plan "B", at Twelfth avenue (net)	195,218
Plan "C" (tunnel scheme) at Twentieth avenue (net)....	635,000
Plan "D" (with construction similar to plan "B") at Twelfth avenue (net).....	206,500

The Park Commission has refused to give its consent in the construction of plans "A" and "B". Plan "C", which the Park Commission suggested, involved a tunnel scheme, the cost of which is prohibitive. It remains, therefore, to consider whether it would be economical or prudent, at this time, to construct the crossing at Twentieth avenue, according to plan "D" open cut, passing under all drive-ways.

Plan "D" will cost \$59,323 more than plan "A."

Plan "D" will cost \$11,282 more than plan "B".

These figures, as I analyze the estimates furnished me by the City Engineer, give an approximate cost of crossing Golden Gate Park at Tenth avenue and also at Twelfth avenue, where the Board of Park Commissioners refuse their consent (at both

places) to cross the Park; as compared with a crossing at Twentieth avenue, where they give their consent for a road similar in construction to the one designed by the City Engineer for the Tenth avenue crossing.

The Richmond and Sunset Districts are fast growing in population. Both districts will continue to grow, and it is only a matter of a few years until Twentieth avenue will be the center of two large districts, each of which will include the population of a small city. They must be joined by municipal transportation.

A crossing at Twentieth avenue must, ultimately, be made by extending the Municipal Railway system along Balboa street from Tenth avenue to Twentieth avenue, thus giving an impetus to home-building in the neighborhood convenient to this line of travel.

I might dwell at length upon the possibilities of profitable Municipal Railroad extensions in both the Richmond and Sunset districts, but, for the purpose of giving my views in support of my veto of Resolution No. 12897 (New Series) I think I have sufficiently covered the points, in view of the fact that the Board of Park Commissioners will not give its consent to the Tenth or Twelfth avenue crossings.

If the Municipal Railroad could be thus expanded to open up a new and rapidly growing section of the Richmond and Sunset districts, with equal benefit to the people, and without any disfigurement to the people's pleasure ground and San Francisco's landscape garden, by the selection of the Twentieth avenue crossing, by all reasons, this should be considered, as it would then serve the interests of all the people.

Respectfully,

JAMES ROLPH, JR.,

Mayor of the City and County of San Francisco.

Subject: Across Park Municipal Railroad.

Dear Sir:

I am in receipt of your communication of May 12, 1916, as follows:

"The Honorable Board of Supervisors on Monday, May 8, 1916, adopted Resolution No. 12897 (New Series), as follows:

" 'Whereas, The City Attorney has advised that in the construction of a public utility the Board of Supervisors may utilize rights of way across any property owned by the City and County, and

" 'Whereas, The Board of Supervisors has committed itself to the

project of constructing an extension of the Municipal Railway across Golden Gate Park, and has instructed the City Engineer to propose plans and specifications therefor; therefore

"Resolved, That the Board of Public Works be directed to proceed with the work of construction of such extension, according to the plans prepared therefor by the City Engineer."

"I enclose you, herewith, a copy of the book containing the views of the Park Commissioners on the question of an extension of the Municipal Railway through Golden Gate Park, addressed to 'Hon. Edward I. Wolfe, Chairman Public Utilities Committee of the Board of Supervisors, City Hall, San Francisco, Calif.,' dated May 4th, 1916, in which Hon. Curtis H. Lindley, Acting President of the Board of Park Commissioners, gives his opinion of the powers of the Board of Park Commissioners in relation to the proposed Municipal Railway through Golden Gate Park, which appears to be in direct conflict to an opinion rendered by you and upon which said resolution of the Board of Supervisors was based."

"May I ask for your opinion, in writing, at the earliest possible moment, as to whether or not the Honorable Board of Supervisors have the power to order the construction of an extension of the Municipal Railway system through Golden Gate Park without the consent of the Honorable Board of Park Commissioners."

OPINION.

In connection with the question I have read the printed views of the Park Commissioners, as presented by Hon. Curtis H. Lindley, a copy of which you enclosed with your communication. My opinion, of course, must be limited to the legal questions argued, as it is not within my province to decide the questions of fact discussed by Judge Lindley.

Two distinct propositions are involved in the question propounded: First—Is it within the power at all of the City to construct a municipal street railway across Golden Gate Park? Second—If the City has such power can the power be exercised by the Board of Supervisors without consulting the wishes and views or obtaining the consent of the Park Commissioners?

First Proposition.

As far as the first question is concerned, fortunately we have a decision by the Supreme Court of this State directly bearing upon the point in the case of *People vs. Park & Ocean R. R. Co.*, 76 Cal. page 156. That was an action brought to abate

an alleged nuisance in Golden Gate Park and to procure an injunction against its continuance. The action was instituted by the Attorney-General in the name of the People of the State of California on the relation of a taxpayer of the City and County of San Francisco against the Park & Ocean Railroad Company. The alleged nuisance was the maintenance of a street railroad across Golden Gate Park near the Great Highway. A franchise had been granted to the defendants to build and operate the road. The Park Commissioners gave their consent to the construction of the road although the franchise was granted by the Board of Supervisors of this City and County.

The Supreme Court, after reviewing the history of the Park, decided that the construction of a railroad in the Park would be a purpresture, but further held that every purpresture does not amount to a nuisance. The Court on page 161 of the opinion says:

"In the case of a park, if it (the purpresture) unlawfully obstructs the free passage or use in the customary manner of such park by the public, it is a nuisance, and may be abated as such by a court of equity."

Whether or not an encroachment, says the Court, upon a public or private right is a nuisance is a question of fact to be determined by a jury or by a court sitting as such. The findings of the Court were in substance that "the construction, maintenance and operation of the railroad in no way affected or obstructed the free and comfortable use and enjoyment, in the customary manner, of the park or any portion thereof by all persons frequenting the same."

The trial court having found, therefore, that the railroad did not constitute a nuisance, the Supreme Court held that the City and County of San Francisco had the authority to permit the construction of the railroad in question across the lands of the Park. In consequence of this decision the Park and Ocean Railroad Company, and its successors in interest, ever since have been operating a street railroad across the westerly portion of Golden Gate Park.

While this case is not entirely controlling upon the question involved, it establishes, however, this proposition: the City and County of San Francisco has the power to permit the construction of a street railroad across the Park if the convenience of the public demands and the construction and operation of the railroad itself does not prevent the free and comfortable use and

enjoyment in the customary manner of the Park by the general public. Whether or not the construction of the proposed municipal railroad across the Park will obstruct the free and comfortable use and enjoyment of the Park in its customary manner is not for me to decide. That is a question of fact which must be decided by the officials of the City government in whom is confided the power to construct the proposed railway, or by the courts.

Assuming for the purposes of my opinion that the proposed railroad will not affect or obstruct the free and comfortable use and enjoyment in the customary manner of the Park and that therefore it does not constitute a nuisance, it is my opinion that the City and County of San Francisco unquestionably has the right to construct the proposed municipal railroad across the Park.

Second Proposition.

This brings us to the second proposition involved in the question, viz.: Has the Board of Supervisors the power to order the construction of this railroad without consulting the wishes and views or obtaining the consent of the Park Commissioners? The question is an important one involving as it does the relative powers and jurisdiction of the Board of Supervisors and the Park Commissioners. The present Park Commissioners are the successors in office of the Park Commissioners holding office at the time of the adoption of the Charter. The old Park Commission was created by an Act of the Legislature, approved April 4, 1870. Section 2 of the Act provided that the Park should be under "the **exclusive control and management** of a board of three commissioners." Section 4 of the Act provided that the Board should have "full and exclusive control and power to govern, manage and direct the parks, avenues and squares" committed to its control. This Act was in force at the time the case of *People vs. Park and Ocean Railroad Company* arose. The present provisions of the Charter are substantially the same as those of the Act of the Legislature just referred to. Section 6 of Article XIV of the Charter in part provides that "The Commissioners shall have the compete and exclusive control, management and direction of the aforesaid parks, squares, avenues and grounds, and the exclusive right to erect and to superintend the erection of buildings and structures thereon."

The proposed Municipal Street Railroad is not a structure which is being constructed strictly for park purposes. Its construction is to afford proper and adequate transporta-

tion facilities for the section of the community through which it will run. It must be conceded that the Park Commissioners have no power or authority to construct a Municipal Street Railroad. It cannot provide the funds therefor nor has there been confided to the Park Commission the authority to determine the necessity for the construction of a street railroad. That power is given to the Board of Supervisors and before a Municipal Street Railroad can be constructed the Board of Supervisors must determine **that the public necessity and convenience demand its construction.**

In *Platt vs. City and County of San Francisco*, 158 Cal., p. 81, the Supreme Court held that the "existence and proper conduct of such public utilities in cities clearly constitute a public affair, one relating very closely to the well-being, safety, health, advantage and convenience of all the inhabitants thereof and are well within the legitimate functions of government."

The declaration and findings of the Board of Supervisors that the public necessity and convenience requires the construction of a municipal railroad, if fairly made, is binding and conclusive, and it is for the Board of Supervisors alone to make this finding and determination. The Park Commissioners not having authority to make such a finding and determination it would seem to follow that the Commissioners do not have the power to set aside the finding and determination of the Board of Supervisors. Starting out with the proposition that the City and County of San Francisco has the power to construct a street railroad across the Park if its operation does not obstruct the free and comfortable use and enjoyment, in the customary manner, of the Park, it would seem to me to necessarily follow that the Supervisors alone have the power to determine the policy of the City government in such matters.

It is asserted that the provision of the Charter above quoted, found in Section 6 of Article XIV, confers on the Park Commissioners complete jurisdiction over all matters connected with the Park. I do not so construe the provisions of the article, although the language of the Charter is very broad. In my opinion, what is meant by the Charter when it is said that the Commission "shall have complete and exclusive control, management and direction of the parks and the exclusive right to erect and to superintend the erection of buildings and structures thereon," is that the Board has exclusive control and jurisdiction over those mat-

ters which pertain to park purposes. The construction of the proposed railroad is not for park purposes but it is for the purpose, as already stated, of affording transportation facilities to the inhabitants of that portion of the City served by the railroad. Incidentally, of course, the railroad will be a convenience for persons desiring to go to the park and may better serve them, but the railroad is not being constructed for the purposes of the park. The road, therefore, must be treated in the nature of a purpresture such as was considered in the case of *People vs. Park and Ocean Railroad*, although, in a strict legal sense a purpresture exists when a private person makes several to himself that which ought to be common to many. Aside from other considerations the Park Commissioners themselves have not the authority to construct this railroad for the very reason that it is in the nature of a purpresture. Being such it is not such a structure over which they have control and management. Conceding, as I have done, that such a purpresture will not obstruct or interfere with the free and customary use of the Park for the general public, I am of the opinion that the power lies within the Board of Supervisors to order its construction.

This view is practically the view adopted by the Court of Appeals of New York in the case of *People vs. Coler*, 83 N. E. Rep., page 18. That case involved the right of an electric light and power company to use the ocean parkway under the jurisdiction of the Department of Parks in the Borough of Brooklyn, which department had "the exclusive government, management and control of all the squares and public places in the city and full and exclusive power to govern and manage the ocean parkway and direct and regulate the use thereof." It was contented that this power gave the Park Commissioners jurisdiction to determine whether a franchise should be granted to an electric company to use the ocean parkway for laying down its conduits and mains by which the general public was to be furnished with light and power. The Court said on page 20:

"The statute relied upon is found in that portion of the charter of Brooklyn which is entitled 'Department of Parks'. We at once recognize that such department naturally would be invested with general supervision, maintenance, care, and control of parks and public places, and the regulation of the use thereof by the public, always having reference to the ordinary purposes for which they were designed. We would expect it to have the right,

amongst other things, to decide questions relating to the care and beautifying of parks, the proper maintenance of roadways, the lighting thereof, and the location of structures properly placed therein. Such matters naturally would be placed within the jurisdiction of authorities charged with special and limited powers of maintenance and supervision.

"When, with these ideas in mind, we study the statute conferring in different phrases upon the department the power of control, management, and regulation of the Ocean parkway, we have no great difficulty in concluding that the powers thereby conferred are of the character suggested. Various subdivisions of the section, which it is not desirable to quote at length, with reference to the location of fountains, maintenance of fences and sidewalks and of railroad tracks, confirm our estimate of the nature of the powers which it was intended to confer. These powers would doubtless authorize the department to confer a limited franchise to use the parkway for purposes which were necessary for and incidental to the ordinary public enjoyment thereof. For instance, it was necessary that it should be lighted, and it would be entirely proper and necessary that the commissioner should have power to authorize some corporation to lay conduits therein for the purpose of supplying such lights. The same very likely might be said of water pipes and other structures. But the use of the parkway for appliances designed for supplying electricity to private consumers is in no sense connected with that ordinary and primary public enjoyment of it which naturally ought to be subjected to the control of the park authorities. Such use is for purposes lying beyond such enjoyment. It constitutes a privilege to use the parkway just as any other public street as a means of carrying on a general business, and as such it should be left subject to the jurisdiction of the municipal authorities ordinarily intrusted with the control of such matters. Nor will this conclusion interfere with the exercise of that class of powers which we judge to have been conferred upon the park commissioners, for, if the board of aldermen should grant to respondent or any similar corporation authority to lay conduits in the parkway, I think that the commissioner would at least have the right to prescribe such reasonable regulations as to the time, place, and manner of the work as would least impair the public use and enjoyment committed to his care and regulation."

The last sentence just quoted needs to be noticed. In my opinion what the Court meant in that sentence was that the Park Commissioner, under the authority of the statute governing the parks of Brooklyn, had the power to make such reasonable requirements as would best serve the uses and purposes of the park, while not preventing the use of the park for the purposes granted to the company. In other words, the Park Commissioner could exercise such police authority as is exercised by a municipality over private corporations using the streets by making certain regulations, such as the depth of mains, their location, care and maintenance.

The present case, however, is one of a municipality using its own property for its own purposes, and as pointed out by our Supreme Court in *Platt vs. City and County of San Francisco*, supra, this "constitutes a public affair." The municipality does not exercise its police power to regulate itself.

It is not necessary at this time, under your request, to decide whether one of the governmental agencies of the City has been vested under the Charter with the power to regulate the City in the conduct of this "public affair" in the manner that a city regulates private corporations using its streets since the Park Commissioners dispute the power at all of the Board of Supervisors to construct the proposed road across the Park without the consent of the Park Commissioners.

In my opinion the case of *Spires vs. City of Los Angeles*, 150 Cal., page 64, and the case of *Mulvey vs. Wangenheim*, 23 Cal. App. 268, do not oppose this view. In the *Spires* case the Court held that the erection of a building for a public library in a public park with rooms therein as a meeting place for the board of library directors of the city is a legitimate use of a portion of the park which cannot be enjoined at suit of abutting taxpayers, but the use of the library building for municipal purposes, such as rooms for the Board of Public Works or any other municipal body, may be enjoined. The use of the park by departments of the city government who exercised no authority or jurisdiction over the park or in park affairs is necessarily, of course, inconsistent with park purposes and obstructs the use and enjoyment of the park in the customary manner. Assuming that the operation of the proposed street railroad does not interfere with the free and comfortable use and enjoyment of the park in the customary

manner, it is seen that the facts are quite different.

In the *Mulvey* case it was proposed to open up a street through the park, permission having been granted therefor by the Park Commissioners to private individuals. If the streets had been opened up there would necessarily have been withdrawn from the park a certain area which had been dedicated forever to park purposes. This, the Court held, could not be done. In the present case it is not proposed to withdraw from the park any portion of the area of the park any more than was done in the case of the Park and Ocean Railroad Company when it constructed its railroad across the park in accordance with its franchise. The free and comfortable use and enjoyment of the park will not be interfered with and it therefore comes within the rules stated in *People vs. Park and Ocean Railroad Company*, rather than in the rule stated in the *Mulvey* case.

I therefore advise you that in my opinion the Board of Supervisors has the power, without obtaining permission or authority from the Park Commissioners, to order the construction of the proposed Municipal Railroad across Golden Gate Park if the construction, maintenance and operation thereof does not affect or obstruct the free and comfortable use and enjoyment in the customary manner of the Park.

Respectfully,

(Signed) PERCY V. LONG,
City Attorney.

EXHIBIT "B".

Hon. Edward I. Wolfe, Chairman, Public Utilities Committee of the Board of Supervisors, City Hall, San Francisco, Cal.

Dear Sir:

The Board of Park Commissioners has had under consideration the request of the Supervisors presented by your committee for the privilege of constructing and maintaining across and within Golden Gate Park an extension of the Municipal Railway, for the avowed purpose, among others, of affording increased transportation facilities between the Richmond and Sunset districts, which are separated by the Park.

The Commissioners have carefully examined the proposed plan and route presented by the City Engineer, and have taken into consideration all the arguments which have heretofore been presented touching the public convenience to be subserved by the construction and operation of the proposed extension.

A similar request was heretofore made by the Board of Supervisors, and was denied by this Board, with the

suggestion that if a railroad was to be constructed across the Park at all, it should be by a route other than the one then under consideration.

The modified plans now under consideration do not alter the situation or remove the fundamental objections raised to the former application.

While regretting the necessity of declining to authorize the extension of the roadway as now requested, we feel that there is no public convenience to be served which would justify the damage which the Park would suffer if the extension of the road were permitted as now proposed. We are, therefore, of the unanimous opinion that the request should be denied.

In presenting the pending application, you represented that the Park Commissioners were appealed to by the Supervisors "as a matter of courtesy," which suggests the inference that the Board of Supervisors claimed the right to cross the Park without the consent of the Park Commissioners.

We must respectfully beg to differ with you with reference to the jurisdiction of this Board over the City Parks. The Charter in distinct terms confers upon the Commissioners the *complete* and *exclusive* control, management and direction of these public recreation grounds, and the *exclusive* right to erect and superintendent the erection of all structures thereon. With reference to the management and control of the parks, this Board is clothed with the same power as the Board of Public Works in its particular province. It is an independent body clothed with exclusive powers, and it was so intended by the people when the Charter was adopted. If it were not for this exclusive power, the Supervisors would be at liberty to extend through Golden Gate Park every public street which is now intercepted, without the consent or permission of the Park Commissioners.

We cannot believe that in adopting the Charter any such result was contemplated. It is hardly pertinent to inquire into the reason for conferring on the Board of Park Commissioners the exclusive control of the city parks. Having accepted office under the provisions of the Charter, we think it incumbent upon us to endeavor to obey it in letter and spirit.

We wish it understood that the Board of Park Commissioners is not averse to permitting the Municipal Railway to cross the Park, but we must insist that the route selected must meet with the sanction of this Board. This attitude of the Park Commissioners has heretofore been exhibited by consenting to the running through Mission Park of the Church street line, and by tendering to the Board of Supervisors a route through

Golden Gate Park, by the way of Twentieth avenue, which affords a central route, with an easy grade.

A few of the reasons which prompt us to decline the request of the Supervisors may be noted:

1. The destruction of the beauties of this part of the Park, one of the most important and highly cultivated sections. It would require the removal of 345 trees, and substitute scars and blemishes which could not be hidden.

2. The danger to human life at grade crossings, of which there would be four—one at Fulton street, another at Lincoln way and two others at drives and foot paths within the Park boundaries.

3. The vertical retaining wall (25 feet high by nearly 400 feet long) intended to strengthen and sustain the border of Stow Lake, which is over fifty feet above the sub-grade of the proposed railroad. It will be impossible to beautify this wall and the space above it, as there would be no room for terraces, consequently it must remain bare, making not only a blot on the landscape, but, acting as a sounding board, will reflect the noise of the moving cars toward the band stand, drowning the sound of the music, probably to such an extent that it would be necessary to remove the music stand to some other location. Even if it were possible to eliminate the retaining wall from the construction of the railroad, the noise of the cars would still interfere with the pleasure of the audience in the music.

4. The public convenience of intercommunication between Sunset and Richmond districts would be best served by the construction of a more central route, to wit, by Twentieth avenue, which route would meet with the approval of this Board.

5. The proposed route will cross a space 700 feet square set apart for museum extension on the unit plan, one unit of which is now about to be constructed.

6. The request made by the Supervisors has met with protests from individuals and clubs, which are entitled to more than perfunctory consideration. Among them are the following: Forum Club, California Club, Laurel Hill Club, Haight and Ashbury Improvement Club, North of Panhandle Improvement Club, Vittoria Collona Club, Peralta Heights Improvement Club and Public Ownership Association.

It may be noted that the last association named based its protests mainly on economic lines, asserting that such an extension of the Municipal Railway would result in a loss to the City, and would therefore tend to discredit municipal ownership of utilities generally. With this, however,

the Park Commissioners have no concern.

In support of the application we have received only one endorsement, and that from the Park Richmond Improvement Club which may be said to represent public opinion in the Richmond District. Undoubtedly a similar opinion is entertained in the Sunset District, as these two districts are the ones to be especially benefited by the proposed extension.

7. The parks are to be administered in the interest of all the people and not a part. It is the duty of the Board to see that the parks are not commercialized or utilized in the interest of any particular locality when that interest is not in harmony with the purposes and objects for which public parks are established and maintained.

8. Where the public convenience suggests the propriety of crossing the park with a street railway, and there are two routes over which it might be constructed, one which will seriously injure the park, and its highly adorned and improved areas, and the other which will not produce this effect, the judgment of the Board should be exercised in favor of the latter, particularly when it appears that the same result as to facilities of intercommunication may be accomplished.

We have communicated with the park authorities of numerous typical cities of the United States with a view of ascertaining their views and practice in the matter of permitting street railways to cross the park.

We find it to be almost the universal practice to inhibit the cutting up of parks with street railways. The problem of getting people into the park is solved by transportation facilities to its boundaries. In some of them, notably in Baltimore, the commissioners operate a phaeton or motor bus line, with such success that a street railway extending into the park was abandoned and the tracks torn up.

We may quote for your information some excerpts from the responses sent to us by the authorities of the various municipalities, the list below being *all* that have been received except Boston, which has street railways running through its parks, and which are said to be public conveniences.

Cincinnati (Board of Park Commissioners)—The Board has at various times gone on record as strongly opposing the establishment of any railway, not only in our parkways which are in process of construction, as the hard lines of the tracks do not harmonize with park condition and the road bed cannot be made ornamental.

New York (President of the Park Board)—We have never had at trolley line crossing the Park on the Park level, and I do not believe that such

a road would be approved by the public.

Note: The roads are sunken, and in many places so concealed from view that the running of the cars is only noticeable through the noise.

Detroit (Department of Parks and Boulevards)—We have never permitted it. In our largest park we maintain a motor bus service and we find it better and self-sustaining.

Baltimore (Department of Public Parks and Squares)—The proposition was to tunnel through with surface stations in the interior for the accommodation of park users, but it never amounted to more than a suggestion, because of the fact that the increasing use of motor vehicles for hire as well as by owners made unnecessary an extension of street railways in the parks for public convenience, *and left only the gain to private land owners as a reason for the project.* (Italics are ours.)

Chicago (West Chicago Park Commissioners)—As far as possible it is the policy of the Park Commissioners not to have parks cut up by street railways, and have not opened up any street car lines through the parks where they were not originally located previous to the purchase of the property.

St. Louis (Commissioner of Parks and Recreation)—Where street car lines pass through park property in the St. Louis parks, the condition is usually very ugly and unsightly and at no time during my experience have I seen a street car line in a public park, either in this city or any other city, which in my opinion has an added attraction to the park, or of sufficient benefit to the people as a whole to compensate the unsightly condition in the park property. There is considerable agitation on the part of one of the societies interested in the Art Museum, which is located in one of the large parks of this city, and they are trying to force the construction of a street railway in order to obtain transportation to this building. The Park Commissioner has taken a very decided stand against this railway line on the grounds that it will not add in any way to the beauty of the park, and will in fact be an unsightly and unsafe addition to the park.

Minneapolis (Board of Park Commissioners)—I believe that the public who is making use of street car lines is also entitled, to a certain extent at least, to the benefit of attractive park scenery. It goes without saying that the location and construction of the tracks must be under the supervision of the proper park authorities.

These views we think accord with the best park practice in the United

States, and are in harmony with the judgment of the Park Commissioners of this city.

We trust that the Board of Supervisors will see its way clear to adopt the Twentieth avenue route, in which event that Board will have the hearty co-operation of the park Commissioners.

Respectfully yours,

County Supervisors Annual Meeting at Redding.

His Honor the Mayor declared that at the request of Supervisor Casey of San Mateo County he wished to announce that the County Boards of Supervisors would hold its annual meeting at Redding on Wednesday. He urged that an appropriation be provided for sending a representative of the Board to said meeting as unfavorable comment had been made at previous conferences because San Francisco was the only city that was not represented.

Whereupon, on motion, his Honor the Mayor was authorized to appoint such representative by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—16.

Absent — Supervisors Gallagher, Suhr—2.

Thereupon his Honor the Mayor appointed Supervisor Nolan to represent this Board at the Redding meeting.

SPECIAL ORDER, 3 P. M.

The following matter, laid over from last meeting, was on motion again *laid over one week*:

Bill No. —, Ordinance No. — (New Series), as follows: Ordering the improvement of the yard of the Junipero Serra School in accordance with plans and specifications prepared therefor, and authorizing and directing the Board of Public Works to enter into contract for said improvement.

Privilege of the Floor.

George E. Gallagher, President of the Board of Education, was granted the privilege of the floor and addressed the Board. He quoted Section 2, Chapter VI of the Charter as to the power of the Board of Education, and said that the Board of Supervisors had no power to pass such a resolution.

Veto Sustained.

The question being: Shall the Bill finally pass, notwithstanding the objection of his Honor the Mayor, the Roll was called, with the following result:

Ayes—Supervisors Gallagher, McLeran, Power, Walsh—4.

Noes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Suhr, Welch, Wolfe—14.

Authorizing Payment to Park-Richmond Improvement Club of Fire Insurance on Building on Property Leased From City.

Supervisor Power presented:

Resolution No. 12955 (New Series), as follows:

Whereas, On the 26th day of March, 1913, the City and County of San Francisco leased to the Park-Richmond Improvement Club, a non-profit corporation, for a period of twenty years from and after May 17th, 1913, all that certain lot of land lying and being in the City and County of San Francisco, State of California, and described as follows:

Commencing on the west line of Eighth avenue, distant thereon two hundred eighty-five (285) feet southerly from the southerly line of Balboa street; running thence southerly along said westerly line of Eighth avenue thirty (30) feet; thence at a right angle westerly one hundred and twenty (120) feet; thence at a right angle northerly thirty (30) feet; thence at a right angle easterly one hundred and twenty (120) feet to the said westerly line of Eighth avenue and point of commencement.

Being a portion of Outside Lands Block No. 373.

And Whereas, It is provided in said lease that the buildings on or to be erected on said property shall be insured to the extent of at least fifty per cent of the value thereof, loss, if any, to be payable to the City and County of San Francisco as its interests may appear, and

Whereas, The said Park Richmond Improvement Club did insure said building and a fire, which occurred on the 15th day of May, 1916, slightly damaged said building, to the extent of \$75.50, and it appearing to the Board of Supervisors that the City and County of San Francisco has no interest in said amount; now therefore be it

Resolved, That the insurance company holding the policy of insurance on said building be and it is hereby authorized to pay to said Park-Richmond Improvement Club the amount of the loss and damage to said building, to-wit, the sum of \$75.50.

Adopted by the following vote:

The rights granted under this resolution shall be exercised within six months. otherwise said permit becomes null and void.

Exchange of Lands for Aquatic Park.

The following resolution, heretofore presented by Supervisor Hayden and laid over one week, was taken up:

Resolution No. 12956 (New Series), as follows:

Whereas, South Beach Blocks 53 and 54 designated as "Market Place" and

Potrero Nuevo Block No. 381, designated as "Produce Exchange" were reserved by the Board of Tide Land Commissioners, composed of B. F. Washington, Dodman Gibbons and L. S. Bullock, under the provisions of an Act of the Legislature, entitled "An Act to survey and dispose of certain Salt Marsh and Tide Lands belonging to the State of California," approved March 30, 1868 (Stats. 1867-68, page 716), and granted to the City and County of San Francisco by the provisions of an Act of the Legislature, approved March 11, 1874 (Stats. 1873-74, page 359), but with no power to donate, sell or alienate said lands or any part thereof, otherwise than by lease for a period not to exceed five years; and,

Whereas, on March 24, 1903, the Legislature passed an Act (Stats. 1903, p. 363), entitled "An Act to amend an Act entitled 'An Act to vacate certain streets, alleys and market places in the City and County of San Francisco, and to donate the same, and other tide lands belonging to the State of California to said City and County of San Francisco for commercial purposes, and other matters relating thereto,' approved March 30th, 1872," approved March 11th, 1874; and,

Whereas, said Act of March 24, 1903, provides "that in the judgment of the Board of Supervisors of the said City and County said 'Market Place' and said 'Produce Exchange', or either of them shall be necessary for terminal purposes for the use of any transcontinental railroad or railroad having transcontinental connections, and having its terminus in the City and County of San Francisco, then and in that case, the said City and County of San Francisco may sell said blocks or either of them, with the intervening streets, to the owners of such railroad for the fair and reasonable value thereof to be determined by a board of three arbitrators to be appointed as follows: One arbitrator by the owner of said railroad, one by the Board of Supervisors of the City and County of San Francisco and the third by the two arbitrators so appointed, the decision of a majority of whom thereon shall be final: or, if the Board of Supervisors shall determine that the interests of said City and County will be subserved by an exchange of said blocks or either of them for other property of equivalent value owned by the owners of such railroad, such value to be determined by arbitration as aforesaid, then and in that case said City and County of San Francisco may exchange said blocks or either thereof, for such other property of equivalent value, and thereunto may execute and accept all deeds of conveyance necessary and

proper, to effect such exchange"; now therefore be it

Resolved, That it is the judgment of this Board of Supervisors of the City and County of San Francisco and this Board of Supervisors determines that said Produce Exchange and Market Place are and each of them is necessary for terminal purposes for the use of the Southern Pacific Company, a corporation, a transcontinental railroad or railroad having transcontinental connections and having its terminus in the City and County of San Francisco, that the interests of the City and County of San Francisco will be subserved by an exchange of said Produce and Market Place, known and designated as South Beach Blocks 53 and 54 and Potrero Nuevo Block No. 381, for other property of equivalent value owned by the owner of the Southern Pacific Company, a corporation, a transcontinental railroad, or railroad having transcontinental connections, having its terminus in the City and County of San Francisco; it is further

Resolved, That the Lands and Tunnels Committee of this Board of Supervisors enter into negotiations with the owner of said Southern Pacific Company, a corporation, to the end that the owner of said Southern Pacific Company, a corporation, appoint one arbitrator to act for the owner of said Southern Pacific Company, a corporation, on a board of three arbitrators as provided for in said Act of May 24, 1903, vested with the powers therein specified, and that said Committee select one arbitrator to act on said board of arbitration for and on behalf of the City and County of San Francisco and make and render a report of its actions and proceedings to this Board of Supervisors at the earliest possible date; and be it further

Resolved, That a list and description of the property owned by the owner of the Southern Pacific Company, a corporation, together with a report on the title to each and every parcel of said land made by a title company doing business in the City and County of San Francisco showing that the title thereto is free and unincumbered and that the owners of said Southern Pacific Company, a corporation, can convey a title to said property in fee simple absolute, free and clear of all incumbrances to the City and County of San Francisco, be furnished to this Board by said owner of said Southern Pacific Company; it is further

Resolved, That after the list and title report of said property of said Southern Pacific Company, a corporation, is furnished as hereinabove provided and this Board of Supervisors is satisfied that the land and property owned by the owner of said Southern Pacific Company is suitable and useful for the purposes and uses of this City

and County, this Board will proceed to appoint an arbitrator to act for and on behalf of the City and County of San Francisco to act with an arbitrator appointed by the owner of said Southern Pacific Company, a corporation, on a board of three arbitrators, the third member of which shall be appointed by the arbitrators so appointed, which board of arbitrators shall determine the fair and reasonable value of said Produce Exchange and Market Place, and also the fair and reasonable value of the property owned by the owner of said Southern Pacific Company, a corporation, as provided for in the Act of March 24, 1903.

Privilege of the Floor.

Walter McArthur, representing the Recreation League, was granted the privilege of the floor and addressed the Board. He said: This resolution simply proposes that the valuation of the two pieces of land to be exchanged shall be determined. Then the question as to the exchange will arise. The city of San Francisco cannot lay claim to an inch of waterfront land, that which is not in private hands is under the control of the State. It is not likely that the State will appropriate any waterfront land for recreation purposes. We must be alert in taking advantage of this offer. With the finest harbor in the world we have done absolutely nothing to take advantage of our opportunities. The result is our citizens go across the bay to gratify their desire for aquatic sports.

Adopted.

Whereupon the foregoing resolution was adopted by the following vote:

The following bill was passed for printing:

Prohibiting Defacement of City Hall.

On motion of Supervisor McLeran:

Bill No. —, Ordinance No. —
(New Series), as follows:

Prohibiting the defacement of the City Hall and grounds of the Civic Center.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person to deface, mar, scratch, or in any way injure the walls, columns, balustrades, railings or ornaments of the City Hall, Auditorium, Library or other building composing the Civic Center, or to deposit rubbish on, or deface or injure in any manner the grounds of the Civic Center, or to mutilate any of the trees or structures therein.

Section 2. Any person violating any of the provisions of this Ordinance shall be guilty of a misdemeanor, and, upon conviction thereof, shall be subject to a fine of not more than Fifty Dollars, or by imprisonment in the County Jail for a period of not more than fifty days, or by both such fine and imprisonment.

Section 3. This Ordinance shall take effect immediately.

Extensions of Time.

Supervisor McLeran presented:

Resolution No. 12958 (New Series), as follows:

Resolved, That the following extensions of time be granted to contractors for work on the Juvenile Court and Detention Home. These extensions have been recommended by the Board of Public Works for the reason that delay was occasioned in the general construction of the building owing to the inclement weather during the past winter:

Atlas Heating & Ventilating Co., 90 days from May 3, 1916, heating and ventilating (first extension).

Herman Lawson, 90 days from May 3, 1916, plumbing (first extension).

Otis Elevator Co., 90 days from May 4, 1916, installing elevators (first extension).

Rex Electric Co., 90 days from May 4, 1916, electric work (first extension).

Anderson & Ringrose, 90 days from May 19, 1916, general construction (first extension).

Further Resolved, That an extension of 45 days' time be granted to the Otis Elevator Company from and after May 8, 1916, within which to complete alterations including installation of passenger elevator in the Hall of Justice (Proposition No. 3). This extension is recommended by the Board of Public Works for the reason that the elevators cannot be installed until the construction of the

elevator shaft has been completed by another contractor.

Advertising fee in all of the above extensions remitted.

Adopted by the following vote:

The improvement of the *crossing of Allison street and Morse street* by the construction of a 12-inch vitrified, salt-glazed, iron-stone pipe sewer and one brick manhole with cast-iron frame and cover and galvanized wrought-iron steps along the center line of Allison street produced between the northerly and center lines of Morse street, and a 12-inch vitri-

fied, salt-glazed, iron-stone pipe sewer from the last described point to the southerly line of Morse street 22 feet westerly from the easterly line of Allison street.

The improvement of *Bartol street, between Vallejo street and Broadway*, and of that portion of Vallejo street opposite the termination of Bartol street by the construction of a modified sidewalk consisting of a reinforced concrete stairway southerly from Vallejo street for 14 feet; by the construction of an artificial stone sidewalk of the full official width on the remainder of the sidewalk area where not already constructed; by the construction of a concrete coping along the property lines between lines respectively distant 14 feet and 137 feet 6 inches southerly from Vallejo street; by resetting to official line and grade the frame and cover of an existing manhole; by redressing and resetting to official line and grade existing granite curbs; by the construction of granite curbs where not already constructed; and by the construction of a vitrified brick pavement from Broadway 137 feet 6 inches northerly; all in accordance with specifications No. 12082 as prepared by City Engineer M. M. O'Shaughnessy, reference to which is hereby made.

Extensions of Time.

Supervisor Walsh presented:

Resolution No. 12959 (New Series), as follows:

Resolved, That D. L. Bienfield is hereby granted the following extensions of time to complete street work:

Ninety days from and after June 7, 1916, within which to complete contract for certain street work on Allison street, between Morse and Mission streets, including the crossing of Cross street.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the grading work has been completed and the improvement of Allison street is supplementary of the work on Ocean avenue between Mission street and Cayuga avenue, there being approximately 7,000 yards of rock and dirt to be removed from Allison street and to be placed in Ocean avenue.

Ninety days' time from and after June 7, 1916, within which to complete contract for the grading and sewerage of Ocean avenue, between Mission street and Cayuga avenue.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the City Engineer reports that the sewer has already been installed in this portion of Ocean ave-

nue and the extension will facilitate the completion of the contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Also, Resolution No. 12960 (New Series), as follows:

Resolved, That F. R. Ritchie is hereby granted an extension of ninety days' time from and after May 8, 1916, within which to complete contract for paving with asphalt boulevard through city property from Corbett avenue to the southerly boundary line of Twin Peaks reservoir site.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work included in the original contract is well under way, the grading having been completed, and the concrete foundation now being constructed; in fact the delay has really been caused on account of the necessity of performing certain extra work in connection with the contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Intention to Change Grades.

Also, Resolution No. 12961 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points herein-after specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 45760 (Second Series) of the Board of Public Works, adopted May 12, 1916, and written recommendation of said Board, filed May 13, 1916, to-wit:

On Capitol Avenue between Lake View avenue and Montana street, and on Thrift avenue between Plymouth avenue and a line 280 feet westerly from Capitol avenue.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Passed for Printing.

The following bill was *passed for printing*:

Establishing Grades.

On motion of Supervisor Welch:

Bill No. 4096, Ordinance No. — (New Series), entitled, "Establishing grades on Lake View avenue between

Plymouth avenue and the westerly line of Jules avenue."

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Referred.

The following Bill was presented by Supervisor Welch, and on motion ordered *referred to the Streets and Commercial Development Committees*:

Spur Track Permit, Schmidt Lithograph Company.

Supervisor Welch presented:

Bill No. 4099, Ordinance No. — (New Series), entitled, Granting permission, revocable at will of the Board of Supervisors, to Schmidt Lithograph and Label Co. and Hawley and Munson, their successors and assigns, to lay down, construct, maintain and operate a spur track, as follows:

Beginning at a point on the present spur track of the Southern Pacific Company on the westerly side of Second street and distant 53.5 feet more or less southerly from the southerly line of Bryant street, thence on a curve to the right with radius of 146.19 feet to a tangent 8.5 feet southerly from and parallel to the northerly line of Bryant street at the premises of the Schmidt Lithograph and Label Co., thence on said tangent to a point adjacent to the westerly line of Stanley place produced, thence by a convenient line to the premises of Hawley and Munson on the southerly line of Bryant street and distant 390 feet easterly from the easterly line of Second street, together with necessary switches and crossings.

Privilege of the Floor.

H. C. Campbell, representing the Chamber of Commerce, addressed the Board in favor of the permit.

M. J. Hawley, property owner, also favored the granting of the permit:

Louis H. Mooser, vice president of the San Francisco Real Estate Board, also favored the proposed permit in order that these commercial districts of the city might develop.

Messrs. John O'Connell, representing the Labor Council, M. Casey and John McLoughlin, representing the Teamsters Union, opposed the granting of the permit on the ground that they were opposed to the use of the public streets for storage purposes, not that they wished to block commercial development in San Francisco.

Passed for Printing.

Whereupon, the foregoing bill was *passed for printing* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Kortick, McLeran, Power, Suhr, Welch, Wolfe—10.

Noes—Supervisors Deasy, Gallagher, Hynes, Lahaney, Mulvihill, Nelson, Nolan, Walsh—8.

Action Deferred.

The following resolution, heretofore presented by Supervisor Welch, and on motion of Supervisor Nelson *referred to the Streets and Buildings Committee* and returned with favorable recommendation of said committee, was on motion *laid over two weeks* and made a special order for 3 p. m.

Bridge Across Stevenson Street.

On motion of Supervisor Welch:

Resolution No. — (New Series), as follows:

Resolved, That E. M. Frazier be, and is hereby granted permission to construct and maintain a covered passageway or bridge across Stevenson street between the south line of the Easton Estate building, formerly known as "Hale's," and located on the south side of Market street, about 150 feet east of Sixth street, and the north line of a certain piece of property located on the south side of Stevenson street about 150 feet east of Sixth street; provided the said passageway or bridge is erected and maintained to the specifications and requirements of the Board of Public Works.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Extension of Time.

Supervisor Welch presented:

Resolution No. 12962 (New Series), as follows:

Resolved, That Contra Costa Construction Co. is hereby granted an extension of sixty days from and after May 25, 1916, within which to complete contract for the construction of Church street line of the Municipal Railway, between 18th and 22nd streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor was delayed practically the entire month of January, 1916, and a portion of February, 1916, owing to inclement weather.

The work of the contract is progressing expeditiously and will be completed within the extension of time applied for.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Full Acceptance of Streets.

Also, Bill No. 4097, Ordinance No. — (New Series), as follows:

Providing for full acceptance of the roadway of certain streets.

Be it Ordained by the People of the City and County of San Francisco as follows:

Section 1. The roadways of the following named streets, including the curbs on both sides thereof, having been constructed to the satisfaction of the Board of Public Works, and of the Board of Supervisors, are hereby *fully accepted* by the City and County of San Francisco (except those portions required by law to be kept in order by the railroad company having tracks thereon), in accordance with the provisions of Section 23, Chapter 2, Article VI of the Charter, said roadways having been paved with cobbles, bituminous rock, and granite curbs laid thereon, and are in good condition throughout, and have sewers, gas and water mains laid therein, to-wit:

Divisadero street, between Filbert and Greenwich streets, paved with cobble stones.

Eighteenth avenue, between Balboa and Cabrillo streets, paved with bituminous rock.

Hampshire avenue, between the northerly line of Nineteenth street and Twentieth street, including the crossing of Nineteenth and Hampshire streets.

Andover street, between Cortland avenue and Ogden street, including the intersections of Ellert street, Newman street, Tompkins street, Highland avenue and Park street.

Conditional Acceptance of Streets.

Also, Bill No. 4098, Ordinance No. — (New Series), as follows:

Providing for conditional acceptance of the roadway of Excelsior avenue, between Athens and Vienna streets, and the crossing of Excelsior avenue and Vienna street.

Diamond street, between Bosworth street and the Southern Pacific Railroad Company's right of way.

Nineteenth avenue, between Vicente and Wawona streets.

Jones street, between Chestnut and Francisco.

Fifteenth avenue, between Geary and Anza streets.

Pacific avenue, between Walnut and Presidio avenue.

Twentieth avenue, between Judah street and the southerly line of Lawton street, including the crossing of Judah street, Kirkham street and Lawton street.

Rockland street, between Anza and Balboa streets.

Crossing of Keith street and Revere avenue.

Anza street, between Twenty-fourth and Twenty-fifth avenues.

Balboa street, between Seventeenth and Eighteenth avenues.

Fifteenth avenue, between Geary and Anza streets.

Forty-fifth avenue, between Kirkham and Lawton streets.

Gates street, between Cortland avenue and the southerly line of Jarboe street.

Lee avenue, between Ocean and Holloway avenues.

Fifteenth avenue, between Geary and Anza streets.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE. REPORTED UPON BY A COMMITTEE.

Resolution of Condolence on Death of John J. Hughes.

Supervisor Gallagher presented:

Resolution No. 12964 (New Series), as follows:

Resolved, That the sympathy of the Board of Supervisors is extended to the relatives of the late John J. Hughes, an Assistant Clerk, in whose death the City has lost an industrious

and efficient employee, the community a good and loyal citizen and his wife a kind and loving husband.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Storage of Gasoline.

Supervisor McLeran presented:

Bill No. —, Ordinance No. — (New Series), entitled, "Amending Ordinance regulating storage of Gasoline."

Referred to Fire Committee.

Jitney Regulation Consideration.

Supervisor Wolfe announced that Public Utilities and Judiciary Committees will meet on jitney regulation on Wednesday week at 1:30 p. m., instead of Saturday at 1:30 p. m., as heretofore announced.

ADJOURNMENT.

Whereupon, the Board, at the hour of 7:30 p. m., adjourned.

J. S. DUNNIGAN.

Clerk.

Approved by the Board of Supervisors June 5, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

TUESDAY, MAY 23, 1916, 2 P. M.

In Board of Supervisors, San Francisco, Tuesday, May 23, 1916, 2 p. m.
The Board of Supervisors reassembled at 2 p. m.

His Honor Mayor Rolph presiding:

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Quorum present.

PRESENTATION OF PETITIONS, COMMUNICATIONS, ETC., FILED WITH THE BOARD.

The following matters were presented and read by the Clerk:

Judgment Claims Against City.

Communication—From Edwin H. Williams, representing Credit Clearance Bureau, requesting that a tax be levied to cover final judgments, together with costs and interest, which have been recovered against the city by said Bureau.

Request for Budget Appropriation for Improvement of Streets in "South of Market District."

Communication — From Southern Promotion Association, specifying streets south of Market street which require improvement and requesting a budget appropriation for that purpose.

Parkside School.

Communication—From the Mother's Club and Parkside Promotion Club of the Parkside District, requesting the Board to itemize and set aside the \$12,500 recommended by the Finance Committee for the Parkside School; also requesting hearing for committee.

Memorial Day.

Communication — From Memorial Day Committee, 1916, extending invitation to Board of Supervisors to attend exercises at National Cemetery on Tuesday, May 30, 1916, at 11 a. m.

Clerk directed to accept invitation with thanks.

Appointment of Inspectors of Supplies.

Supervisor Hayden presented the following communication:

May 22, 1916.

Gentlemen:

I am in receipt of requests for an opinion touching the same matter from two committees of your Honorable Board—one from the Finance Committee, dated April 22, 1916, and one from the Civil Service Committee, dated April 24, 1916.

The communication from the Finance Committee is as follows:

"The Finance Committee has under consideration a resolution affecting the method of payment for services to the Supplies Committee.

"For four years past there has been an appropriation in the budget for 'Expenses of Supplies Committee.' During that period the Supplies Committee from time to time has employed inspectors, and at the present time the inspectors are employed and paid out of this particular budget item.

"The Finance Committee desires to know if an appropriation made in this manner can be used in payment for services of inspectors and experts whose duties are defined by the Supplies Committee and who are under the direct control and jurisdiction of the Supplies Committee.

"The Committee desires to make a report on this matter to the Board of Supervisors next Monday, and therefore an immediate reply is respectfully requested."

The communication from the Civil Service Committee is as follows:

"The Civil Service Committee of the Board of Supervisors is desirous of securing your opinion relative to the employment of additional inspectors or clerks for the Supplies Committee of the Board of Supervisors.

"Recently, the Finance Committee requested the Civil Service Commission to provide proper designation for two proposed new positions of inspectors of supplies, one position to carry a salary of \$1500 per annum, and the other a salary of \$1200 per annum. Under date of April 10, 1916, the Civil Service Commission stated that the designation of each of these

positions should be 'general clerk.' The questions on which the Civil Service Committee desires to be advised are as follows:

"Does Subdivision 1 of Section 4, Chapter I of Article II of the Charter make it necessary for these positions to be created by ordinance?"

"If an ordinance is necessary, are the positions thus created subject to the civil service provisions of the Charter?"

"Should the names of the persons appointed to these positions appear on the regular payroll of the employees of the Clerk's office of the Board of Supervisors and be submitted to the Civil Service Commission for its approval before presentation to the Auditor as required by Section 19, Article XIII of the Charter?"

Opinion.

If the inspectors of supplies, mentioned in the foregoing communications, are permanent employees there can be no question but that they would have to be appointed by the Board of Supervisors under Subdivision 1 of Section 4, Chapter I, Article II of the Charter, which provides that the Board of Supervisors shall "appoint a Clerk, Sergeant-at-Arms and, when authorized to do so by ordinance, such additional clerks and other assistants as may be deemed necessary." The inspectors so appointed would be governed by the provisions of Article XIII of the Charter, relating to Civil Service. In case, however, the Supplies Committee of the Board of Supervisors desires to employ inspectors from time to time, and not under any permanent employment, the appointment or employment of such inspectors would not be governed by Subdivision 1 of Section 4, Chapter I, Article II of the Charter. And, further, it is my opinion that the appropriation made in the budget for the "expenses of Supplies Committee" can be used in payment of services of inspectors and experts so employed from time to time, whose duties are defined by the Supplies Committee and who are under the direct control and jurisdiction of the Supplies Committee.

Respectfully,

PERCY V. LONG,
City Attorney.

Appropriation for Public Library.

The Clerk read:

May 22, 1916.

The Honorable the Board of Supervisors, San Francisco.
Gentlemen:

According to the budget estimates of the Finance Committee for 1916-1917 the proposed allowance for the Library is as follows:

Main Public Library.....	\$100,000
Sunset Branch	6,000
Golden Gate Valley Branch..	6,000

Total	\$112,000
-----------------	-----------

Your attention is called to the fact that the sum of \$134,000 was asked for to maintain the present system of branch libraries, stations and the Main Library in its present quarters for six months and in the new Library Building in the Civic Center for six months. Your Finance Committee has allowed \$112,000, but specifies that \$12,000 of this amount is to be used for the maintenance of two branch libraries that do not exist. Two sites for branch libraries were purchased about two years ago. On May 7, 1914, the Board of Library Trustees wrote to the Board of Supervisors in regard to a lot in the Sunset District as follows:

"It is not the expectation of the Library Trustees that the branch will be erected at once, but as the district increases in population it is felt that a branch library at this point (Eighteenth avenue and Irving street) would be desirable."

In August, 1915, a letter was sent to the Sunset Improvement Association advising them that until the Library Trustees actually knew as to the cost of maintenance for the new Main Library no building would be erected in the Sunset District.

In regard to Golden Gate Valley no recommendation was made by the Board of Library Trustees for the purchase of a site. The request was made direct to the Board of Supervisors by the residents of the district and the money was allowed for the purchase of a site by a former Board of Supervisors. After the money was allowed the Board of Library Trustees did approve a site.

According to Article 7, Section 2 of the Charter, "The Supervisors shall, for the purpose of maintaining such library and reading rooms and such branches thereof as the Board of Library Trustees may, from time to time, establish, annually levy a tax on all property in the City and County not exempt from taxation, which shall not be less than 1½c nor more than 2½c upon each hundred dollars assessed valuation of said property. The proceeds of said tax shall be credited to the Library Fund."

After the amount raised by the tax decided upon by the Board of Supervisors is placed in the Library Fund, the Library Trustees are the only ones who can determine the manner in which the money is to be expended. For your information we would advise as follows: We have

now seven branches established, the cost to maintain same being \$42,000; sixteen stations, the cost to maintain same being \$6,000, making in all \$48,000. If two new branches (as proposed) were erected, the cost to maintain same would be \$12,000. It would be necessary to stock these branches with books and periodicals, the cost being about \$10,000, making a total of \$70,000. The amount allowed in the budget is \$112,000, which would make available for the library, six months in the new present quarters and six months in the new building in the Civic Center, only \$42,000.

Your Honorable Board will realize that it will be impossible to conduct the library with this amount. It is the policy of the Library Trustees to get the books to the people from the branches and stations, but it believes

that it would be very poor policy to establish branches and not be able to support the same later on. While the Trustees realize that both the Sunset and Golden Gate Valley districts are important districts and should be supplied with branch libraries, until the new Main Library is moved into the new building, and the cost to maintain the same determined, the Trustees do not deem it wise to make any further extensions of the library service. The Trustees, therefore, at this time, ask your Honorable Board to allow the amount that they have asked for, which, based on last year's tax roll, would be 2½c on each hundred dollars' valuation.

Yours very respectfully,

EDWARD R. TAYLOR,
President Board of Library Trustees.

Motions.

Whereupon, Supervisor Power moved that the lump sum Budget as presented by the Finance Committee on May 15, 1916 (see pages 447-466), be *passed for printing*.

Supervisor Nelson moved that Budget be considered seriatim as itemized. *So ordered.*

Report of Streets Committee.

Thereupon, Supervisor Welch presented the following report and moved its adoption:

May 23, 1916.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

The Finance Committee, in its Budget report dated May 15, 1916, shows a prospective estimate from the Good Roads Fund from the revenue received from the State automobile taxes at \$150,000.

Following that estimate your Committee on Streets and Sewers respect-

fully recommends the following:
That the moneys derived from the said Good Roads Fund be expended as follows:

Bernal cut	\$ 50,000
Army street	30,000
Market street extension.....	20,000
Hunters Point road	50,000
	<hr/>
	\$150,000

Respectfully,
RICHARD WELCH,
J. C. KORTICK,
JOS. F. LAHANEY,
FRED SUHR, JR.,
E. J. BRANDON,
Committee.

Motion.

Supervisor Power moved that consideration of the foregoing be postponed until such time as the City Engineer may be present.

So ordered.

Motorization of Fire Department.

Supervisor Mulvihill presented the following resolution and requested that it be taken up when matter comes up during the proceedings:

Resolution No. — (New Series), as follows:

Resolved, That the Budget estimates submitted to this Board by the Finance Committee be increased by the substitution of the sum of \$150,000 for the sum of \$100,000, to be appropriated for the purchase of auto apparatus for the Fire Department.

(See pages 543, 551, 566n.)

Salary Increases, Police Patrol Drivers.

Supervisor Nelson presented the following, to be taken up when it is reached in the Budget:

Whereas, the police patrol drivers of the San Francisco Police Department are the lowest paid men in the city's employ performing similar service, are engaged in a very hazardous branch of the city's service, are largely men of family, and are entitled, considering the ever increasing cost of living, the dangerous character of their employment, and the fact that they receive no pension, as well as their faithful and conscientious performance of duty, to some increase in their monthly compensation; therefore, be it

Resolved, That this Board in justice to these men hereby fixes the salary of these employees at \$115 per month, and requests that this amount may be taken from such surpluses as may exist in the salary fund of the Police Department; and if there are none such that it should be provided for from some other source.

Salary Increase, Ambulance Drivers.

Whereas, the ambulance drivers, Department of Public Health, are the lowest paid men in the city's employ

performing similar service, are engaged in a very hazardous branch of the city's service, are largely men of family, and are entitled, considering the ever increasing cost of living, the dangerous character of their employment and the fact that they receive no pension, as well as their faithful and conscientious performance of duty, to some increase in their monthly compensation; therefore, be it

Resolved, That this Board in justice to these men hereby fixes the salary of these employees at \$115 per month, and requests that this amount may be taken from such surpluses as may exist in the salary fund of the Department of Public Health and if there are none such that it should be provided for from some other source.

Motion.

Supervisor McLeran moved that Board take up out of order the foregoing report of the Streets Committee on the disposal of the 'Good Roads Fund.'

So ordered.

Discussion.

Whereupon Supervisor Wolfe said: "The more I listen to these resolutions, the more convinced I am of the great responsibility resting on the Board of Supervisors at the present time. We are asked to make appropriations for every appropriation that has not been made by the Finance Committee. There may be merit in all these applications, but the Finance Committee is entitled to make a frank presentation of the situation that induces it to make its report as we have it here presented to us. If that is not done we will continue to proceed in this haphazard way and as a result may greatly increase the tax rate of this City and County. We must proceed in a more orderly manner if we wish to determine these matters fairly and honestly. First, we ought to have a statement from the Finance Committee as to its reasons for its recommendation of these items of its report before we proceed to consider any of these propositions. I trust the chair will see the necessity for some such statement from the Finance Committee and then proceed with the matter in an orderly manner. These proceedings have convinced me that there is something very wrong with the entire Budget-making system of this city."

Supervisor Power said in part: "As every member knows, when we commenced to make up the Budget we faced a six-cent increase, at least, in the tax rate. I thought it would be utterly impossible to overcome this increase, which was due to bond interest and redemption, but this Com-

mittee has managed to do that, and, also, to take care of every request of every section of the city. We have kept down the tax rate, but we have had to refuse raises in salaries requested by various departments, much as we feel that we would like to grant them. As I said, we kept down the taxes to the same rate as last year. With regard to new schools, we have an idea of imposing a school tax of five cents instead of a bond issue. That is the best way to build schools. In that way we can build two times as many schools as if we provide for a bond issue. We trust that this explanation will meet with the approval of the Board.

"A uniform accounting system, that has been adopted by several cities in the East, has effected material savings. It has been endorsed by the Real Estate Board and there is that thought in the minds of the people that the city accounting should be as nearly identical as the Charter permits with the systems of accounting in other business concerns. We have increased the appropriation for 'Finance Committee Expenses' from \$5000 last year to \$17,500 this year; \$12,000 of this to be expended for the uniform accounting system. This amount will take care of the first year's work. We will then have, I expect, a system of cost accounting and trial balances at the end of every thirty days. I trust the Board will join in this recommendation.

"As to the motorization of the Fire Department, we have recommended \$100,000. The resolution submitted will commit the Board to \$125,000 next year and \$125,000 the year after. It asks for \$150,000 in this budget. That amount of money cannot be spent this year. If the apparatus is ordered now it will not be delivered until January of next year. Motorization of the Fire Department by the plan we have recommended will be only four months less in realization. This plan takes care of five companies, which the other plan eliminates. We have, therefore, recommended \$100,000 for this year, with a resolution of policy as to subsequent appropriations in accordance with this plan, which we request be endorsed by the Board. We hope by assembling apparatus here to save money for the city. Moreover, we have by this plan taken care of all districts in San Francisco.

"North Beach district requested a library site and \$10,000 for the extension of the proposed boulevard to Fillmore street hill. The Street Committee report intends to take this away. We have taken care of this request, except the library site. We intended to ask

for a swimming tank and a library site at North Beach.

"We have recommended that a portion of the City Engineer's salary be taken from the Hetch Hetchy bond issue fund as a proper charge against that fund.

"We have endeavored to carry out the public request for playgrounds and to take the initial step this year. We have included sufficient for playgrounds in Mission Park and also provided for Sunset District playground. Richmond District's request for a playground on Eighteenth avenue is granted. Ewing Field has been requested by the High School pupils and provision has been made for leasing that playground.

"The Public Library Trustees have protested against the appropriation for the maintenance of branch libraries in Sunset District and Golden Gate Valley, but according to the law these buildings, for which the money has been appropriated, cannot be built until an appropriation has been made for maintenance, etc. We have provided for \$6000 for maintenance in each case. The site for the Sunset branch was purchased two years ago and the investment is idle. The district is growing rapidly and the library is badly needed. The same is true of the Golden Gate Valley District. The cost of the library site for this district has been generously contributed to by the residents and property owners of that district and that money is also lying idle.

"The Finance Committee will stand on this Budget as it has been submitted, much as we might like to do otherwise. Every member of this Board has been elected upon a platform that promised a reduction in taxation. We, the members of the Finance Committee, have conscientiously tried to hold down the tax levy this year to what it was last year and we sincerely trust the Board will sustain us in the matter."

Consideration of the Report of the Streets Committee.

The Clerk then read the report of the Streets Committee on the disposition of the Good Roads Fund as hereinbefore printed.

Privilege of the Floor.

City Engineer M. M. O'Shaughnessy was thereupon granted the privilege of the floor.

Supervisor Power asked the City Engineer if he contemplated the use of the Good Roads Fund for constructing Bernal cut?

Supervisor Nelson asked the City Engineer what, if any, were his objections to the Streets Committee's re-

port as to the disposition of the Good Roads Fund?

Supervisor McLeran asked what the City Engineer would think of a lump sum appropriation for his disposition?

City Engineer O'Shaughnessy said, in part: "About two months ago my office made a recommendation to the Board of Public Works as to projects to be constructed during the coming year. Among these were Bernal cut and Hunters Point road. We recommended \$50,000 for the Bernal cut and \$100,000 for Hunters Point road. I did not think that either of these should be taken from the Good Roads Fund. The Good Roads Fund is the accumulating fund derived from automobile users and intended for the upkeep and construction of roads for their convenience. Hunters Point road is essentially a commercial road. In the event that it is worked into our boulevard system then its upkeep may properly be a charge against the Good Roads Fund. These are my written recommendations before the Finance Committee. This 'Marina Road,' which is included in the 'goods roads' recommendation of the Finance Committee, is entirely omitted by the Streets Committee. You know what citizens are doing to preserve this portion of the Exposition. Citizens are raising \$230,000 to purchase the necessary land for a road there. The acquisition of the land will cost \$400,000; over \$230,000 have been offered by the stockholders of the Exposition Company and the city is expected to help in this matter. The Marina is a just charge against the 'Good Roads Fund.' As to Army street. Last year we had \$30,000 to build that street, but owing to a protest of the property owners against the assessment district, that money is lying idle. Some was used for Oakdale avenue. Army street is a great artery of the city. If the corporations owning property along there will cooperate with the city we will build the road and that will be a very desirable thing to do. I did not make any recommendation this year in that regard and Mr. Reardon says that the Board of Public Works has made no recommendation.

"Market street extension is very important as we will have Corbett road improved as far as Twenty-fourth street shortly."

Supervisor Nelson: "If the Board appropriates \$50,000 for Hunters Point boulevard, how far can you go with it?"

City Engineer O'Shaughnessy: "We expect \$30,000 from the Union Iron Works, so we can do very well with it."

Motion.

Supervisor Gallagher moved that the

subject-matter be held in abeyance and City Engineer suggest apportionment for consideration later today.

Motion *lost* by the following vote:

Ayes—Supervisors Deasy, Gallagher, McLeran, Power, Walsh, Wolfe—6.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Suhr, Welch—12.

Report of Streets Committee Approved.

Whereupon, the report of the Streets Committee was, on motion of Supervisor Welch, *approved and adopted* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—14.

Noes—Supervisors Gallagher, McLeran, Nolan, Power—4.

(See subsequent proceeding on page)

Parkside School.

Mrs. T. Lamey, representing the Parkside Mothers' Club, was granted the privilege of the floor. She said she wished to speak on the special tax of five cents for new school buildings. "In the Parkside District," she said, "children over the Fourth grade have to come two miles to school, and then they have no school to speak of. They are housed in a couple of shacks. We are asking for an appropriation for a building to accommodate the growing needs of the district. The Board of Education says that it is willing to do all it can for Parkside. The Finance Committee has put in \$12,500 for the construction of the first unit. All we ask is that it be retained and not taken out by the Board."

Edison School.

Mrs. W. A. Smith, representing the parents of children attending the Edison School, said in part: "We need more room in the Edison School. Property adjoining, consisting of two lots, 50 by 115, on Hill street, near Church street, is desired to be purchased by some of the people, but that will hardly be enough. The district is growing and our necessity is very great."

Reassembled.

The Board reassembled at the appointed time and the following were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Quorum present.

His Honor Mayor Rolph presiding.

Thereupon the Board proceeded to the consideration of the following matters:

Esplanade.

(At this point in the proceedings the City Engineer addressed the Board on the question of the construction of the Esplanade. For the purpose, however, of obtaining a better correlation of the proceedings, his remarks and the discussion incident thereto have been inserted in the meeting of May 25, 1916, page 566, where the subject is fully covered.)

Appropriation for Completion of Civic Center Defeated.

Supervisor McLeran moved that a tax of two cents instead of one and one-half cents, as recommended by the Finance Committee, be approved.

Motion lost by the following vote:

Ayes—Supervisors Brandon, Deasy, Hilmer, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Suhr—9.

Noes—Supervisors Gallagher, Hayden, Hocks, Nelson, Nolan, Power, Walsh, Welch, Wolfe—9.

Motion.

Supervisor Hocks moved that we proceed to consider No. 1.

Motorization of Fire Department.

Supervisor Mulvihill moved as an amendment that the following item be taken up:

"710 For purchase of motor apparatus, \$100,000."

Amendment carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Resolution.

Thereupon, the following resolution heretofore presented by Supervisor Mulvihill was read by the Clerk:

Resolution No. — (New Series), as follows:

Resolved, That the budget estimates submitted to this Board by the Finance Committee be increased by the substitution of \$150,000 for the sum of \$100,000, to be appropriated for the purchase of motor apparatus for the Fire Department.

Privilege of the Floor.

Capt. S. J. Spear, representing the David Scannell Club of the San Francisco Fire Department, and himself as a tax payer, was granted the privilege of the floor and addressed the Board. He spoke in favor of the resolution submitted by Supervisor Mulvihill and urged upon the Board the granting of as large an appropriation as possible. "It is purely a matter of good business," he said. "that the motorization of the Fire Department proceed as rapidly as possible, the saving in maintenance costs, etc., by motorization amply warrants the initial cost. I do not want my interest in the Two

Platoon System to be considered in this connection or at this time. My recommendation now is based simply on grounds that would strongly appeal to businessmen."

Amendment.

Supervisor Power moved as an amendment that the Board pledge itself to an appropriation of \$125,000 for next year and \$125,000 for 1918-1919; and declared that with the \$100,000 appropriated this year that motorization would take place as speedily as it possibly can, considering time required to sign up contracts and get the work out.

Point of Order.

Supervisor Nelson raised the point of order that this Board could not bind succeeding Boards of Supervisors.

Point of order well taken.

Thereupon, Supervisor Power moved that the Board pledge itself to appropriate \$125,000 for 1917-1918 for motorization of Fire Department.

Supervisor Brandon moved as a substitute that the subject-matter lay over until we reach it in the Budget.

Motion carried.

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Nolan, Walsh Welch—12.

Noes—Supervisors Deasy, Mulvihill, Nelson, Power, Suhr, Wolfe—6.

(See pages 551 and 566n for subsequent action.)

Bond Interest and Redemption.

Supervisor Gallagher moved that the following items on the Finance Committee's budget be approved:

"Interest:

"Bonded debt..\$1,817,573

"Redemptions:

"Bonded debt.. 1,377,800 \$3,195,373"

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Nelson—1.

Mayor's Office.

Supervisor Gallagher moved that the following items on the Finance Committee's budget be approved:

"Mayor:

"Salaries\$17,520

"Incidentals 1,740

"Contingent 3,600 \$22,860"

Amendments.

Supervisor Kortick moved as an amendment that items Nos. 80 to 90 on the supplemental itemized list be approved.

Consideration of Itemized Budget.

Supervisor Welch moved as an amendment to the amendment that

Board proceed with itemization of Budget as in 1915-1916 Budget.

Motion *carried* by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch, Wolfe—11.

Noes—Supervisors Brandon, Deasy, Gallagher, McLeran, Nolan, Power, Walsh—7.

Supervisors Gallagher and Nolan Retire.

Whereupon, at the hour of 6:05 p. m., Supervisor Gallagher, declaring that he did not want to see the Budget of the Finance Committee butchered, retired from the Chambers, and Supervisor Nolan followed.

Motion.

Supervisor Hocks moved that the Board start in at No. 1 on the itemized supplement and pass upon each succeeding item until entire budget is made up.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—15.

No—Supervisor Power—1.

Absent—Supervisors Gallagher, Nolan—2.

Absent—Supervisor Nolan—1.

Supervisor Wolfe moved that item No. 63

"For Paving, Repaving, Grading, Constructing and Repairs to Streets\$600,000" be approved.

Privilege of the Floor.

T. Reardon, President of the Board of Public Works, was granted the privilege of the floor and addressed the Board. He said that the Chief Engineer had been cut down \$5,000, operating expenses; street repairs had been cut down \$95,700; sewers \$11,160. Where property owners want to improve on streets where there is city property, the appropriation for this purpose is cut down \$35,000. As to the Street Cleaning Department, at present we are short \$5,925, plus

equipment, \$6,000; total \$11,925. We can't get by without this additional amount and keep the streets clean the way we are operating now. Besides, we expect to sweep nearly 8,000,000 feet more ground next year. We will need three engineers and five watchmen when bridge is opened. We need in all \$695,700 for the Board of Public Works under present organization.

Amendment.

Supervisor Nelson moved as an amendment that item No. 63 be increased to \$684,000.

Amendment *accepted*.

Motion *carried* by the following vote:

No—Supervisor Power—1.

Excused from Voting—Supervisor Gallagher—1.

Absent—Supervisor Nolan—1.

(Subsequently rescinded. See page 566n.)

Explanation of Vote.

(Supervisor Power explained his vote by saying he voted in the negative that he might not act inconsistently as a member of the Finance Committee and one of the signers of the report.)

Whereupon items Nos. 608 to 645 as

submitted and as amended were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Nolan—1.

Recorder's Office.

Privilege of the Floor.

E. Godchaux, Recorder, was granted the privilege of the floor and addressed the Board. He said in part:

"We are in complete accord with the Finance Committee as far as statutory officers are concerned.

"Through some oversight the appointment of comparers in my office was overlooked and I appeal to you to allow six comparers in order to relieve the copyists and permit them to earn a decent salary. They now earn less than \$100 a month. I recommend the appointment of six comparers from the list of copyists, reducing the number from 28 to 22; allow the comparers \$125 and the copyists will then be able to make about \$125 each."

Chas. Stolz, employe of Recorder's office, said: "If the work is maintained at the present rate it will take all

of the \$36,000 to pay the men at the increased basis. If you allow six comparers it will take \$9,000 more. The copyists averaged \$91.20 each the preceding eight months. They get a vacation by doing the work at some other time. They are allowed no pay except for work actually performed."

Bert Mahoney spoke to the same effect, adding: "They get no pay for comparing. If they had comparers copyists would not lose so much time and would be able to make about \$125 a month."

In answer to Supervisor Suhr Recorder Godchaux stated that there are comparers in all other large cities.

Action Deferred.

Thereupon, the subject-matter was laid over until next meeting.

ADJOURNMENT.

Whereupon, the Board at the hour of 1 a. m., Wednesday, adjourned to meet at 12:30 p. m., Thursday, May 25, 1916.

J. S. DUNNIGAN,
Clerk.

WEDNESDAY, MAY 24, 1916, 1 P. M.

In Board of Supervisors, San Francisco, Wednesday, May 24, 1916, 1 p. m.

The Board of Supervisors met for the purpose of continuing consideration of the proposed budget for the fiscal year 1916-1917.

His Honor Mayor Rolph in the chair.

ROLL CALL.

The Roll was called and the following Supervisors were noted present:

Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—15.

On motion of Supervisor Wolfe, Supervisors Brandon and McLeran were excused.

Quorum present.

Motion.

Supervisor Nelson moved that the sergeant-at-arms be sent for Supervisor Nolan.

(Subsequently Supervisor Nolan appeared and the motion was withdrawn.)

The proceedings of this meeting relate entirely to a discussion between his Honor Mayor Rolph and Supervisor Nolan as to the latter's newspaper interview in which he stated that he could cut down the Budget one million dollars.

Stenographic notes of the discussion were taken and are on file in the Clerk's office of the Board of Supervisors for reference.

Motion.

Supervisor Gallagher moved that subject-matter of School Department

budget be made a Special Order for 2 p. m. tomorrow.

So ordered.

Recess.

Whereupon, the Board at the hour of 2 p. m. took a recess until 4 p. m.

J. S. DUNNIGAN,
Clerk.

WEDNESDAY, MAY 24, 1916, at 4:20 P. M.

In Board of Supervisors, San Francisco, Wednesday, May 24, 1916, 4:20 p. m.

The Board of Supervisors re-assembled for the purpose of continuing consideration of the proposed budget for 1916-1917.

His Honor Mayor Rolph in the chair.

ROLL CALL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Motorization of Fire Department.

The following resolution, presented by Supervisor Mulvihill, and motion by Supervisor Power, laid over from a previous meeting, were taken up:

Resolution No. 12964B (New Series), as follows:

Resolved, That the budget estimates submitted to this Board by the Finance Committee be increased by the substitution of the sum of \$150,000 for the sum of \$100,000, to be appropriated for the purchase of auto apparatus for the Fire Department.

Supervisor Power Amendment.

That the Board of Supervisors pledge itself to appropriate \$125,000 for 1917-1918 for motorization of Fire Department.

The question being taken on Supervisor Power's amendment, the same was *lost* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, McLeran, Nolan, Power, Walsh—7.

Noes—Supervisors Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch, Wolfe—11.

Resolution Adopted.

Whereupon, the question being taken on Supervisor Mulvihill's resolution, the same was *adopted* by the following vote:

Ayes—Supervisors Deasy, Hayden, Hilmer, Hocks, Hynes, Mulvihill, Nelson, Suhr, Welch, Wolfe—10.

Noes—Supervisors Brandon, Gallagher, Kortick, Lahaney, McLeran, Nolan, Power, Walsh—8.

Health Inspectors For Schools.

The following item was taken up:
466 4 Health Inspectors of Schools at \$900..... 3,600

Privilege of the Floor.

Mrs. Mary E. Bush, representing the Parents' Rights League of America, was granted the privilege of the floor. She compared the prevalence of diphtheria in the public schools with the

practical freedom from such disease in the parochial schools, and declared that it proved that medical inspection and the swabbing of throats were ineffective, if indeed they were not harmful and the means of spreading the disease.

Mme. Grosjean, President of the Parents' Rights League of America, also addressed the Board. She said that she had opposed medical inspection in the public schools and that the prevalence of the disease in such schools as compared with the private schools, which are singularly free from disease, was a powerful argument as to the ineffectiveness of inspection. St. James School, she said, a parochial school, is the only private school where death has occurred. She said that Father Cantwell, chancellor of the archdiocese, was not favorable to the proposed medical inspection in the parochial schools.

Supervisor Power declared that he had taken the matter up with representatives of the Catholic Archbishop and that they had no objection to the proposed medical inspection in the parochial schools.

Dr. Hassler, representing the Board of Health, stated that inspection in the parochial schools came upon the request of Mr. John O'Toole and Thomas Hickey, whose children attended St. James School and became affected from germ carriers in that school.

Mrs. Cooper also opposed the proposed appropriation for medical inspection in the parochial schools. She believed it was spite on the part of the Board of Health because some parents had taken their children from the public schools and put them in the parochial on account of the medical inspection in the former.

Amendment Lost.

Supervisor Nelson moved to amend as follows:

"466. Health Inspector at \$900."

Amendment lost by the following vote:

Ayes—Supervisors Deasy, Nelson, Wolfe—3.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nolan, Power, Suhr, Walsh, Welch—14.

\$132,880

Privilege of the Floor.

Arthur Barendt, President of the Board of Health, addressed the Board, recommending that the salary of Resident Physician and Superintendent of Nurses be increased.

Amendments.

Thereupon Supervisor Walsh moved that item No.

Resident Physician.

"480 Resident Physician..... \$1,800" be amended to read:

"480 Resident Physician..... \$2,100"

Motion *lost* by the following vote:

Ayes—Supervisors Deasy, Hynes, Lahaney, Mulvihill, Nelson, Suhr, Walsh—7.

Noes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Kortick, McLeran, Nolan, Power, Welch, Wolfe—11.

Pupil Nurses.

Supervisor Power moved that item No.

"498 Pupil Nurses, Number Required \$15,000" be amended to read:

"498 Pupil Nurses, Number Required \$22,464"

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Whereupon, the foregoing item, as amended, was *approved* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Whereupon, Supervisor Walsh moved to amend as follows:

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Kortick, Lahaney, McLeran, Nolan, Power, Welch—12.

Elevator Operator, San Francisco Hospital.

Communication.

The Clerk here read a communication from the San Francisco Hospital Elevator Operators complaining of insufficient salary and requesting increase to \$90 per month.

Privilege of the Floor.

Arthur Barendt, President Board of Health, said in this connection that men are boarded at the hospital in addition to the salary paid.

Supervisor Nelson moved that item No.

"513 3 Elevator Operators at \$720 \$2,160" be amended to read:

"513 3 Elevator Operators at \$1,080 \$3,240"

Supervisor Gallagher assured the Board that the Finance Committee, through the Board of Health, would take care of the situation regarding elevator operators at the San Francisco Hospital.

Thereupon, the motion was withdrawn.

Communication From Tax Payers Protective and Promotion Association of San Francisco.

The following was presented, read by the Clerk and ordered *filed*:

The Honorable, the Board of Supervisors, City and County of San Francisco, Cal.

Gentlemen: The undersigned duly appointed Committee of the Tax Payers Protective and Promotion Association of San Francisco, desire to memorialize your Honorable Board that any increase in the *tax rate to more than \$2.26*, as now proposed by the Finance Committee of your Honorable Board would be on your part tantamount to the breaking of your pre-election pledges and an unbearable burden to the already overburdened taxpayers of this City and County.

We have carefully investigated the budget of the ensuing year, item by item, and have come to the conclusion that this budget as proposed by the Finance Committee of your Honorable Board, should under no circumstances be increased a single dollar, but could, without lowering administrative efficiency, easily be decreased more than a million dollars and it is the purpose of our Association largely to diminish the present rate of taxation and at the same time increase efficiency in municipal management.

TAX PAYERS PROTECTIVE AND PROMOTION ASSOCIATION.

By C. D. SALFIELD,

Chairman.

I. N. ROSEKRANS,
JOHN A. MILLER, M. D.
C. E. MOEHRLE,
P. F. DUNDON.

Committee.

Privilege of the Floor.

Thereupon Dr. C. D. Salfield and Eugene Sieben were granted the privilege of the floor and requested that the tax rate be held down to the lowest possible figure consistent with the efficient administration of the various departments.

Maintenance of Hospitals.

The following item was then taken up:

555a Maintenance of Hospitals \$175,000

Privilege of the Floor.

Frank Klimm, member of the Board of Health, was granted the privilege of the floor and addressed the Board. He said that up to the present time this fiscal year hospital maintenance cost \$174,115.68, the advance in cost of all kinds of sustenance and hospital supplies cannot be taken care of within a ten per cent increased allowance over last year. We ought to

have \$201,944, but if you will increase the appropriation \$20,000, making it \$195,000, we will try to get along and take care of the new San Francisco Hospital and other institutions with it.

Motion

Supervisor Wolfe moved to increase appropriation to \$195,000.

Motion subsequently *withdrawn*.

Whereupon the foregoing item "555a Maintenance of Hospitals \$175,000" was approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Approved.

Whereupon, items 479 to 555a, as submitted and as amended, were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Tubercular Department, S. F. Hospital.

The following items were taken up:

556 1 Resident Physician	\$1,800
557 1 Interne	600
558 1 Interne	480
559 1 Gateman	720
560 3 Graduate Nurses at \$900.	2,700
561 1 Chambermaid	420
562 6 Practical Nurses at \$360.	2,160
563 1 Superintendent of Nurses.	1,080
564 4 Yard Men at \$192.....	768
565 5 Waiters at \$144.....	720
566 1 Cook	1,200
567 1 Assistant Cook	1,080
568 10 Pupil Nurses at \$144....	1,440
569 6 Orderlies at \$180.....	1,080
570 7 Orderlies at \$240.....	1,680

573 10 Helpers at \$192.....	1,920
574 1 Morgue Tender	240
575 12 Ward Men at \$120.....	1,440
576 1 Relief Cook	324
577 1 Pantryman	600
578 1 Porter	240

Privilege of the Floor.

M. Van Bracken, representing the Society for the Prevention of Tuberculosis, was granted the privilege of the floor. He asked that an item (No. 350a) be inserted setting aside \$12,500 for visiting nurses to go into homes where members of the family are suffering from tuberculosis and instruct the parents and children in preventative measures that will tend to diminish the virulence of this disease and prevent further infection.

Motion.

Supervisor Nelson moved that \$12,000 be inserted for this purpose.

Dr. Hassler of the Board of Health

said that the Health Department was doing practically nothing along these lines. We believe, he said, that a great many children can be saved by home instruction and that money appropriated for this purpose would be well spent.

Eugene Sieben, representing the Taxpayers' Association, also addressed the Board. He said: "We will guarantee that it will not cost anything for this appropriation, but we want to know what will be the salaries paid." He was informed by Mr. Van Bracken that the nurses would be taken from the civil service list and would be paid \$75 per month. "Then," said Mr. Sieben, "I repeat it will not cost the city anything. We can salvage the amount from the budget. I recommend, however, that \$6,000 instead of \$12,000 be appropriated for the first year."

Whereupon the question being taken on Supervisor Nelson's motion, the same was carried by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—12.

Noes—Supervisors Brandon, Deasy, Gallagher, McLeran, Nolan, Power—6.

Nurses for Home Inspection.

Thereupon a new item No. "450a Nurses for Home Inspection of Tuberculosis \$12,000" was inserted.

(Subsequently reduced to \$5,000. See page 566n.)

Approved.

Whereupon items Nos. 556 to 578 were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Isolation Hospital.

The following items were taken up:

579 1 Resident Physician	\$2,550
580 2 Internes at \$180.....	360
581 1 Steward	1,200
582 1 Attendant to Lepers....	1,080
583 6 Graduate Nurses at \$900	5,400
584 2 Cooks at \$1,080.....	2,160
585 10 Pupil Nurses at \$144...	1,440
586 1 Night Watchman	720
587 1 Day Watchman	960
588 1 Gardener	960
589 5 Ward Women at \$420...	2,100
590 4 Helpers at \$120.....	480
591 2 Helpers at \$144.....	288
592 2 Laundry Women at \$420	840
593 1 Kitchen Helper	360
594 1 Ambulance Driver	960
595 Additional Nurses	1,000
596 Maintenance	19,000

Privilege of the Floor.

Dr. Hassler of the Board of Health was granted the privilege of the floor.

He said that there are eight graduate nurses in the San Francisco Hospital at the present time and the Finance Committee did not consider the new help that will be required in the new buildings. He requested that provision be made for nine graduate nurses and six ward women.

Amendments.

Supervisor Nelson moved that No. 583 be amended as follows:

"583 9 Graduate Nurses at \$900\$8,100"

Amendment carried by the following vote:

Ayes—Supervisors Brandon Deasy, Hayden, Hilmer, Hocks, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Walsh, Wolfe—12.

Noes—Supervisors Gallagher, Nolan, Power, Welch—4.

Absent—Supervisors Hynes, Suhr—2.

(Subsequently rescinded. See page 566n.)

Supervisor Nelson moved that item No. 589 be amended to read as follows:

"589 6 Ward Women at \$420..\$2,520"

602 6 Nurses at \$1,080.....	6,480
603 3 Matrons at \$960.....	2,880
604 3 Pupil Nurses at \$144....	432
605 1 Seamstress	720
607 Maintenance	14,665

Amendments.

Supervisor Nelson moved to amend item No. 598 as follows:

"598 Chief Steward.....\$2,400"

Amendment carried by the following vote:

Ayes—Supervisors Deasy, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch—12.

Noes—Supervisors Brandon, Gallagher, Kortick, Nolan, Power, Wolfe—6.

(Subsequently rescinded. See page 566n.)

Supervisor Deasy moved to amend item No. 601 as follows:

"601 21 Stewards at \$1,380...\$28,980"

Amendment carried by the following vote:

Ayes—Supervisors Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch—13.

Noes—Supervisors Brandon, Gallagher, Nolan, Power, Wolfe—5.

(Subsequently rescinded. See page 566n.)

Motion.

Supervisor Suhr moved to amend item No. 605 to read as follows:

"605 1 Seamstress.....\$900"

Motion subsequently withdrawn on statement of Supervisor Power that arrangements had been made with the Board of Health to take care of this item.

Approved

Whereupon, items 597 to 607, inclusive, as submitted and as amended, were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Reconsideration.

Subsequently, during the evening session, the following proceedings were had:

Emergency Hospital—Assistant Surgeons.

Supervisor Nelson moved the reconsideration of the action heretofore taken on item No. 600 "12 Assistant Surgeons at \$1320—\$15,840."

Motion carried by the following vote:

Ayes—Supervisors Deasy, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Walsh, Welch, Wolfe—10.

Noes—Supervisors Gallagher, Hilmer, McLeran, Nolan, Power—5.

Absent—Supervisors Brandon, Hayden, Suhr—3.

Amendment.

Thereupon, Supervisor Nelson moved that item 600 be amended to read "\$1500 per annum in lieu of \$1320 per annum."

Amendment carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Walsh—10.

(Subsequently rescinded. See page 566n.)

Noes—Supervisors Gallagher, McLeran, Nolan, Power, Welch, Wolfe—6.
Absent—Supervisors Brandon, Kortick—2.

Health Department—Miscellaneous.

The following items were then taken up:

General Office.

The following items were taken up:
648 1 Automobile \$485
649 2 Automobiles 1,800

San Francisco Hospital.

650 Converting Auto Wagon

Privilege of the Floor.

Dr. Hassler of the Board of Health, on being asked the question in regard to 649, stated in reply that the difference in the price in item No. 649 (two Ford machines) was due to the necessity of equipping them with shock absorbers. Inspectors

traveling continuously and for long distances suffer severely from kidney and other troubles where machines are not so equipped.

Motion.

Supervisor Hayden thereupon moved that item No. 649 be amended as follows:

"649 2 Automobiles\$990"

Motion lost by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Nelson, Welch—7.

Noes—Supervisors Deasy, Gallagher, Kortick, Lahaney, McLeran, Mulvihill, Nolan, Suhr, Walsh, Wolfe—10.

Absent—Supervisor Power—1.

Whereupon items Nos. 648 to 653, inclusive, as presented were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—17.

Supervisor Gallagher's Resolution.

Whereupon Supervisor Gallagher presented the following resolution:

Resolution No. — (New Series).

Resolved, That for the construction of new school buildings, additions to existing school buildings and the purchase of land therefor a tax of 5 cents on each \$100 of assessed valuation—approximately \$270,000—be levied, and this sum is suggested and recommended for the following purposes, to-wit:

Fairmount School, plans and specifications	\$12,000
Fairmount School, additional land	40,000
Monroe School, additional land and new building.....	90,000
Mission High School, construction of annex.....	15,000

Visitacion School, additional land	9,000
Francis Scott Key School, raising and repairs to.....	9,000
John Swett School, additional land	7,000
Douglass School, improvement of yard	2,500

Amendments.

Supervisor Brandon moved as an amendment that a special tax of 7½ cents instead of 5 cents be levied, the money to be spent under the direction of the Board of Education.

Thereupon, on motion of Supervisor Wolfe the following named were granted the privilege of the floor to discuss the subject under consideration:

Mrs. Davis, representing the Golden Gate Valley District, said: I have lived in that district for nine years. We have repeatedly come before your Board for small, modest demands. We have not asked for a hundred

thousand dollars improvements—only small requirements. We pay big taxes. I was called on for a pretty big tax for the Exposition and paid it. We asked for a \$10,000 appropriation for an additional piece of ground for our children to play at the Sherman School. We came before you with a demand for \$6,000 for a branch library and went down into our own pockets to pay for the site. This Board granted \$7,500. We represent the poorer working classes, but in a short space of time we bought the ground to erect the library. Today I come before you to see what the appropriations are going to be. My husband raged this morning. "For heaven's sake, give the property away. I would rather pay rent." All I ask you to grant is what the Finance Committee recommended. Cut down the \$10,000 appropriation for the school ground we asked for and grant us the \$6,000 that our children at least may have decent playgrounds. We have for years asked \$2500 to light Union street and cannot get it. As Secretary of the Association I have written letter upon letter, and have asked Mr. Nolan to come to our club and listen to our plea to light up Union street, with the result that he sent excuse after excuse, but we never saw him there. You gave us a Municipal Railway and we now have to pay 10 cents instead of 5 cents. We want Union street properly paved and appeared before the Board of Public Works. They said, Please have patience, and promised us when the Union street line was repaired they would bituminize the streets. They are now putting back the basalt blocks and told us it was only temporary repair. They cannot give us \$2500 to light up the street. We housekeepers would have to do better than that or our husbands would quickly find fault with us.

We beg this Board to consider the Sherman School and give us an appropriation of \$6,000 so that our children may have a chance to play in a decent playground.

Eugene J. Sieben, representing the Taxpayers' Association, said: "In regard to the 5-cent tax for school purposes we might accept that as a starting point and our recommendation would be in adopting the 5-cent tax that it will give the taxpayer a splendid opportunity to contract in another direction. It is the opinion that a great difficulty will be gained

by having the matter swept out of their minds in adjusting the budget. Our people are determined to have the schools and they have to be considered.

"Mr. Gallagher's suggestion coming to us at this time is very valuable for the reason that it will give us many thousands of dollars. Would recommend that we pass the 5-cent tax. Get that cleaned up and use it as a basis to build up our budget. The school proposition has to go. This school money is not going to cost us anything either. Will guarantee that, too."

Recess.

Thereupon the Board at the hour of 6 p. m. took a recess until 8:30 p. m.

J. S. DUNNIGAN, Clerk.

Reassembled.

The Board of Supervisors reassembled at 8:30 p. m., May 25, 1916, for the purpose of continuing consideration of the proposed budget for 1916-1917.

ROLL CALL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welsh, Wolfe—18.

Quorum present.

His Honor Mayor Rolph presiding.

Board of Education (Continued).

Mrs. W. A. Smith, President of the Edison School Club, was granted the privilege of the floor and addressed the Board. She called attention to the inadequacy of accommodations in the Edison School. The school, she said, is overcrowded and they have rented a shack at Twenty-first street and Chattanooga street, near the cut in the Church street road. The children will have to cross the tracks of the Church street railway in order to get there. It will be very dangerous for the children. We have appealed for a kindergarten for the smaller children and our people are very anxious to have one established. The increase in the Edison School has been from 500 to 800 pupils and we hope you will give our petition favorable consideration.

George Gallagher President of the Board of Education, then addressed the Board of Supervisors and stated: "The Board of Education in the segregation of figures asked for a few things that the Finance Committee said they had granted and we want to show you that you have not done so.

"We asked for 100 elementary teachers and 30 high school teachers at \$4,500, automatic teachers we

have no control of, \$9,000. Establishment of ungraded teachers on account of demands and needs. You cut out these ungraded teachers. All are in a unit that we need the ungraded classes and for that purpose \$30,000. Advisable increase in salaries, \$8,000. We are not playing favorites. We have 20 manual training teachers in our department, of culture and experience, who have spent four years in the University, to educate the children in this community and they are drawing \$105 a month. If you do not claim that is fair I will leave it in your hands. We have asked for increases in salary, \$8,000. We have plenty of men who have spent four years in the University now getting \$105 a month. They have no hope for the future and are getting older every day. It is not fair.

"For additional janitorial service we need \$7,500. This is for the schools running with three janitors where we ought to have five. In the new schools we will need that money to pay them. We are not looking to put anybody to work. Came down to 10 kindergartens when we wanted 50. The Board of Education stood in the breach between the public and the Supervisors when we asked for 10. The 10 costing \$13,350 is eliminated from the budget item and we get nothing. We sent a delegation and asked for 50.

"For additional equipment for the Paul Revere School we asked \$3,000 and for necessary equipment for the Polytechnic we asked \$30,000, where we are trying to give the pupils a chance to work with their hands as well as with their heads.

"We asked for 10 per cent increase in the cost of supplies, which amounts to \$5,000. While our annual bid this year has gone up between 30 per cent and 40 per cent, we put in only a nominal increase of 10 per cent. For a dental clinic we asked \$3,000. For the poor people in the outlying districts this clinic is doing a wonderful work, and they have same both in the East and in Europe.

"With the incidentals for the Superintendent's office of \$1,200 we need a total of \$227,150 over our last year's budget. This seems to be the needs of our department as it is run now; \$227,150 is the necessary amount to run it with these items I have specified.

"The pay-roll goes up from the first of the year to the end of the year; when it is at its highest is what you have to figure on.

"We can get along without dental clinics, kindergartens, etc., but should we? A special tax of 5 cents or 7½ cents on the \$100 valuation will not do away with a bond issue.

We have eighty claims for school lands and sixty of them are urgent. If we could get the 7½-cent special tax and the money is left to the Board of Education to spend, our first action will be to get more land for the Fairmount School, where there are ten classes in the building and four in shacks, and no playground for the 1,200 children. Next, we will buy land for the Monroe School building. We would also like to build an annex to the Mission High School for a night school for the young men from Union Iron Works. They are now accommodated in the basement. We want to put the school above ground out of the basement. That's what we want the annex for."

He declared that \$4,200 would be provided for dental clinic also. He wanted a "Repair Fund," approximately \$115,000. We figure \$55,000 of this for portables, leaving \$80,000 for repairs, or \$6,400 per month. We are running in debt with \$85,000. If you give us the 7½-cent special tax we will run it without this deficit.

Miss Regan and Miss Jones, members of the Board of Education, also addressed the Board as to the needs of the School Department.

Dr. Salfeld also addressed the Board. He said that he did not care what was spent for the school department providing it was economically spent. "Personally," he said, "I am in favor of anything that the schools require."

J. B. Zimdar also addressed the Board. He said that there is no section of San Francisco that does not need better school accommodations and for that reason I think a bond issue will meet with general approval. If you provide a bond issue you will provide for the children of today, if you only provide 5 or 7½ cents on the \$100 the present generation will not be adequately cared for.

Amendment Lost.

Whereupon, the question being taken on Supervisor Brandon's amendments providing 7½ cents on the \$100 valuation, the same was defeated by the following vote:

Ayes—Supervisors Brandon, Hilmer, Hocks, McLeran—4.

Noes—Supervisors Deasy, Gallagher, Hayden, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—13.

Excused from voting—Supervisor Hynes—1.

Whereupon, the resolution submitted by Supervisor Gallagher was on motion segregated and voted upon as follows:

As to tax levy of 5c on the \$100 valuation.

Carried by the following vote:

Ayes—Supervisors, Brandon, Deasy,

Gallagher, Hayden, Hilmer, Hocks, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hynes—1.

As to itemized schools recommended in report:

Lost by the following vote:

Ayes—Supervisors Deasy, Gallagher, Mulvihill, Nolan, Power, Walsh—6.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Nelson, Suhr, Welch, Wolfe—12.

Supervisor Power moved that the sum of \$2,250,000 (items 750 to 775a) be allowed to the school department in lump sum with the understanding that the money for the dental clinic be taken from that amount.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

No—Supervisor Nelson—1.

Dental Clinic.

Supervisor Wolfe, thereupon, moved that the specific sum of \$3000 be set aside out of above amount for dental clinic to be operated under jurisdiction of the Board of Education.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Wolfe—11.

Noes—Supervisors Deasy, Gallagher, McLeran, Nolan, Power, Walsh, Welch—7.

Explanation of Vote.

(Supervisor Power explained his vote by saying that the Finance Committee intended to take care of the dental clinic in another way.)

Sherman School.

Supervisor Wolfe moved that \$6000 be appropriated and set aside for school department for the purchase of additional land for the Sherman School.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—13.

Noes—Supervisors Deasy, Gallagher, McLeran, Nolan, Power—5.

Edison School.

Supervisor Mulvihill moved that \$4500 be provided for additional land for the Edison School.

Motion lost by the following vote:

Ayes—Supervisors Mulvihill, Nelson, Walsh, Wolfe—4.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Nolan, Power, Suhr, Welch—14.

Approved.

Thereupon, the following items were approved:

Common School Fund.

750 Common School Fund..\$2,250,000
751 Dental Clinic 3,000

Subsequently (page 566n) the following was approved:

752 Superintendent's Traveling
and Incidentals\$1,200

Sherman School.

Also, 70 Purchase of Additional

Land for Sherman School....\$6,000

Esplanade.

City Engineer M. M. O'Shaughnessy was granted the privilege of the floor and addressed the Board as follows:

Mr. Mayor and Gentlemen of the Board: The construction of the esplanade did not originate with the City Engineer, the Board of Public Works or the Supervisors, but by the citizens that the city proceed and build this esplanade. At the request of the Board of Supervisors the money was turned over to the Board of Public Works, and the contract was let for the first 450 feet of it, and in my judgment this could be finished in about six weeks so far as the character of the work is concerned and the nature of the construction. While the situation is very difficult and trying owing to the deep sand foundation, I have every confidence that the structure will survive, the same as all the other engineering works constructed by the city, and I do not think it should be suspended. I believe the city demands that type of structure in front of the park. About 50 feet of the beach was eaten away during one of our storms for want of protection and the beach lowered about 6 or 7 feet.

On being asked what minimum amount would be necessary for the second unit, Mr. O'Shaughnessy stated that \$50,000 as a minimum would lack 100 feet, as it costs about \$100 a front foot. From the end of the present structure it is about 1900 feet, so that it will cost \$190,000. My idea was to ask at least \$50,000 for the portion to be built this year.

Supervisor Wolfe asked if the Board were to appropriate only \$25,000 would Mr. O'Shaughnessy feel that he could complete and protect what has already been constructed?

Mr. O'Shaughnessy stated that it would complete 250 feet, and that the amount of money appropriated would determine the length of protection, and as the cost is \$100 a running foot the amount of protection for \$25,000 would be only half as much as if \$50,000 were appropriated.

On being asked if it would protect that which has already been constructed Mr. O'Shaughnessy stated that

that protects itself. However, there is the danger of the continual washing of the beach. A lot of material was hauled in there about two years ago from the Geary street railway which was washed away to an extent of about 50 feet in width. If this protection is put in there it will save this corrosion from the wash of the sea, which destroyed about fifty feet of the roadway behind what we are now building.

Supervisor McLeran asked Mr. O'Shaughnessy about the building of wooden piles further down.

Mr. O'Shaughnessy replied that the erosion further down is not so great, but that the trouble is from the sand drift. This particular part, from the Cliff House to the beach, suffers from the severest sea action, is the most difficult to protect and the most essential. Where we are now building we are in the very worst of it.

Supervisor Hayden asked Mr. O'Shaughnessy if he could assure the Board that the experimental stage had been passed.

Answer: The contractors have now finished 140 feet and I think that in six weeks all that part of the structure will be finished. We are over the experimental part.

On being asked if a contractor had been granted a 90-day extension on the present unit, Mr. O'Shaughnessy replied in the affirmative giving as the cause that the contractor had experienced difficulty in getting footing for his poles. There was no particular difficulty but as the poles weigh 6½ tons it was quite a mechanical problem to get them sunk in the concrete. Mr. O'Shaughnessy also stated that he would like to see 500 feet more of the beach protected.

Supervisor Power stated that it was the idea of the Finance Committee to grant \$25,000, and that when that sum was exhausted there would be ample time to judge whether or not there was any danger to that kind of construction.

Mr. O'Shaughnessy stated that if the Board would appropriate \$50,000 for the second unit of construction there would be no question that the work would be done properly and on time, as the question of type of construction was past the experimental stage.

Supervisor Power stated that there was no question or doubt of the Engineer's ability to carry out the project, but figuring from a business standpoint he wanted to go a little slow to see how that first unit developed.

Supervisor Nelson asked the City Engineer if he had looked over the itemization of his bureau and had found any shortage.

Mr. O'Shaughnessy stated that it had been cut about \$25,000, which would cripple the department to about that amount, but that his assistant, Mr. Shimer, would furnish complete data on the subject.

Communication.

The Clerk then read:

Communication—From the Civic League, requesting a \$50,000 appropriation in the budget for the continuance of the construction of the Esplanade.

Board of Supervisors.

The following items were then taken up and approved by the following vote:

Special Funds.

76 Accident Insurance, city employees\$ 5,000
77 Esplanade, Ocean Beach... 25,000
78 City and County Good Roads Fund 1,000

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Improvement of City Lands.

(See page 546.)

Reconsideration.

Supervisor Hayden moved that action whereby item "No. 61, Improvement of City Land, \$25,000," was defeated by reconsidered.

So ordered.

Privilege of the Floor.

Whereupon, *John McLaren*, Superintendent of Golden Gate Park, was granted the privilege of the floor. He said that the \$25,000 was very much needed for improvement of city lands. The site for the Huntington Park on California street will require \$6,000 to put it in shape. Street work is very much needed around McKinley Square; \$15,000 will be required to finish the work at Buena Vista Park. We hoped that an appropriation would be allowed for Telegraph Hill Park and would like to see some work done at Bay View Park, about \$10,000 would be required. About \$12,000 should be provided for convenience stations for women and children at the Ocean Beach and the construction of the Sloat boulevard tunnel at the Great Highway is absolutely necessary for the safety of women and children.

Mayor Rolph said: The Charter provides that the Supervisors shall provide all money necessary for the maintenance, etc., of parks and public squares and to that end shall levy annually a tax which shall not be less than 5c nor more than 7c upon every \$100 of assessed valuation, but it has been suggested that the tax could be reduced 2c, making it 5c instead of 7c. Would like your views on that subject, Mr. McLaren.

Mr. McLaren—It would ruin the parks and squares and you would be ashamed of them.

Action Deferred.

Whereupon item No. 61 was laid over temporarily.

Reconsideration.

During the evening session of May 25, 1916, the following proceedings were had:

Improvement of City Lands.

Supervisor Gallagher moved that previous action be reconsidered and that the following item be restored to the budget, to-wit:

"61. Improvement of City Lands\$25,000"

Motion lost by the following vote:

Ayes—Supervisors Deasy, Gallagher, Mulvihill, Nolan, Power, Suhr, Walsh, Wolfe—8.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Nelson, Welch—10.

McKinley Square.

Supervisor Lahaney moved to insert

61 For Improvement of City

Lands (McKinley Square). \$5,000

Amendment.

Supervisor Mulvihill moved as an amendment that the motion be laid over until we finish the budget.

Amendment lost by the following vote:

Ayes—Supervisors Lahaney, Mulvihill, Nelson, Walsh—4.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Nolan, Power, Suhr, Welch, Wolfe—14.

Whereupon, the question being taken on *Supervisor Lahaney's* motion, the same was lost by the following vote:

Ayes—Supervisors Lahaney, Mulvihill, Nelson, Walsh—4.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Nolan, Power, Suhr, Welch, Wolfe—14.

Opening of Chenery Street.

Supervisor Hocks moved to insert 61. For Purchase of Land for

Opening Chenery Streets..\$5,000

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—15.

Noes—Supervisors Gallagher, Nolan, Power—3.

(*Supervisor Kortick* requested to be recorded as voting Aye on 62.)

Police Department.

Thereupon, the following items were taken up:

Privilege of the Floor.

J. M. Barry, Chief of Department of Electricity, declared that the lady stenographer in his department, No. 716 on the above list, is receiving \$110 per month at present. He asked that it be increased to \$125, and said that such increase had been recommended by the Commissioners.

Amendment.

Supervisor Power moved to amend by inserting:

"717A, 1 Chief Inspector, \$1,800," which, he declared, had been omitted in error, and by striking out 729.

Amendment carried.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Privilege of the Floor.

J. M. Barry, Chief of Department of Electricity, declared that Commissioners had recommended an increase of salary on Items 726 and 727 from \$112.50 per month to \$125 per month.

P. Flaherty, representing Lodge No. 68, I. A. M.; also addressed the Board, urging the proposed salary increase on the ground that that was the wage of such men in private employ.

Amendment.

Supervisor Mulvihill moved that Item 729—1 assistant chief of construction department, \$2400—be inserted.

J. M. Barry, chief of Department of Electricity, here read a resolution of the Joint Board of Fire Commissioners in regard to the foregoing, recommending creation of position with title of "Superintendent of Outside Construction".

Whereupon, amendment was *carried* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Wolfe—12.

Noes—Supervisors Deasy, Gallagher, Nolan, Power, Walsh, Welch—6.

Whereupon Items 714 to 739, inclusive, as submitted and as amended, were approved by the following vote:

Motion.

Supervisor Hayden moved to strike out item

"No. 777 Sunset Branch Library \$6,000"

Amendment.

Supervisor Power moved as an amendment that action on above motion be postponed until tomorrow.

So ordered.

ADJOURNMENT.

Thereupon the Board at the hour of 1:15 p. m., on motion of Supervisor Brandon, adjourned to meet at 12:30 p. m., Friday, May 26, 1916.

FRIDAY, MAY 26, 1916, 1 P. M.

In Board of Supervisors, Friday, May 26, 1916, 1 p. m.

The Board of Supervisors met pursuant to adjournment for further consideration of the Budget for the fiscal year 1916-1917.

ROLL CALL.

The Roll was called and the following Supervisors were noted present:

\$125,860

Privilege of the Floor.

H. W. Shimer, Assistant City Engineer, was granted the privilege of the floor. He said in part: “A reduction of \$27,340 is being recommended in this department by the Finance Committee; \$5000 of it is being cared for out of the Hetch Hetchy fund, but the rest of the reduction will seriously impair the work of the engineering department.”

(At this point in the proceedings those members heretofore noted absent were recorded present.)

Amendments.

Supervisor Hocks moved that salaries be restored as requested and that item No. 389 read as follows:

“389 1 Chief Assistant.....\$3,900”

Amendment carried by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch, Wolfe—10.

Supervisor Hocks moved that item No. 391 be amended to read:

“391 1 Assistant

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch, Wolfe—10.

Noes—Supervisor Brandon, Deasy, Gallagher, Hynes, McLeran, Nolan, Power, Walsh—18.

Supervisor Hocks moved that a new item 392a be inserted as follows:

"392a 1 Assistant Engineer at..\$1,920"
(Now included in 393.)

Amendment carried by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch, Wolfe—10.

Noes—Supervisor Brandon, Deasy, Gallagher, Hynes, McLeran, Nolan, Power, Walsh—8.

Correction.

Supervisor Power moved that item No. 393, \$5400, be corrected so as to read:

"393 2 Assistants at \$1,800....\$3,600"
So ordered.

Amendments.

Supervisor Hocks moved that item No. 394 be amended to read:

"394 3 Assistant Engineers at
\$1,620\$4,860"

(Additional, not included in 395.)

Amendment lost by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch—9.

Noes—Supervisors Brandon, Deasy, Gallagher, Hynes, McLeran, Nolan, Power, Walsh, Wolfe—9.

Supervisor Suhr moved to amend item No. 396 as follows:

"396 1 Engineer Draftsman...\$2,400"

Privilege of the Floor.

A. J. Cleary, Assistant Engineer, addressed the members, saying: "The position of the Board of Supervisors would be inconsistent if all are not allowed a similar increase."

Amendment was, thereupon, lost by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Lahaney, Mulvihill, Nelson, Suhr, Welch—9.

Noes—Supervisors Brandon, Deasy, Gallagher, Hynes, McLeran, Nolan, Power, Walsh, Wolfe—9.

Approved.

Thereupon, items 388 to 415, inclusive, as submitted, corrected and amended were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Out of Order.

Emergency Hospital—Reconsideration.

Supervisor Nelson moved to reconsider item No. 603.

So ordered.

Amendment.

Supervisor Nelson moved as an amendment that item No.

"603 3 Matrons at \$960.....\$2,880" be amended to read:

"603 3 Matrons at 1,080.....\$3,240"

Privilege of the Floor.

Mrs. Kane, Matron at Emergency Hospital, declared that City Prison Matrons who have not been in the service near so long are receiving \$90 per month. He requested that the matrons in the emergency service be increased to that amount.

Amendment Carried.

Whereupon, the question being taken on Supervisor Nelson's amendment, the same was adopted by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch, Wolfe—14.

Noes—Supervisors Deasy, Gallagher, Nolan, Power—4.

(Subsequently rescinded. See page 566n.)

Privilege of the Floor.

J. C. Nealon, taxpayer, was granted the privilege of the floor on motion of Supervisor Gallagher. He said in part: "I have yielded to the opportunities of hundreds of my friends to come here and by invitation of Supervisor Gallagher say a few words. I want to protest against any further increases in salary except in deserved cases. The tax rate must be kept down to the present rate at any event. Conditions do not warrant the placing of any greater burden on the taxpayer. Bankers in this city are seriously thinking of lowering the rate of bank interest. The banks are full of money because people fear that any investment in real estate will not pay."

Supervisor Hynes asked if Mr. Nealon had any specific recommendation to make and was advised that he had not except in a general way.

Motion.

Supervisor Welch thereupon moved that the Board continue work on budget without further interruption until a balance is struck, except increases for heads of departments.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hocks, Kortick, McLeran, Mulvihill, Nelson, Welch, Wolfe—10.

Noes—Supervisors Gallagher, Hil-

mer, Hynes, Lahaney, Nolan, Power, Suhr, Walsh—8.

Explanation of Vote.

(Supervisor Gallagher explained his vote by saying: "The right of a taxpayer to be heard at any time cannot be negatived by this Board.")

Library Fund.

The following items, laid over from last meeting, were taken up:

776 Public Library	\$100,000
777 Sunset Branch Library...	6,000
778 Golden Gate Valley Branch Library	6,000
	<hr/>
	\$112,000

Motion.

Supervisor Hayden moved to strike out item 777.

Privilege of the Floor.

Geo. Mullin, Secretary of the Public Library, thereupon was granted the privilege of the floor. He said in part: "It is the declared policy of the Board of Library Trustees not to establish any new branches, either in the Sunset or Richmond District, until we move into the new Library Building and find out what it is going to cost to operate that building. The Board of Library Trustees has gone on record as favoring the establishment of branch libraries in outlying districts as fast as we can get the money to do so. We hope that the Board of Supervisors will not ask us to establish any new branch buildings until the budget of requirements for the main Library is determined and we know where we are."

James A. Devoto, representing the Golden Gate Valley Improvement Club. He said in part: "We have been overlooked in the matter of streets, fire protection and library. As for our schools, they are obsolete. We succeeded in getting our property owners to raise \$1,500, which, with \$7,500 appropriated by the previous Board of Supervisors, enabled us to buy a library lot. That was two years ago. During that time it has been lying idle and the Board of Library Trustees tells us that no use can be made of it until the Board of Supervisors provides money for its maintenance. If they were responsible to the people of San Francisco they would have this building erected eight months ago and the people would have the benefit of it now." He asked that a maintenance fund be provided so the people may have the benefit of a library when the building is constructed, which will take about six months.

F. W. Sawyer, representing the Sunset District, was also granted the privilege of the floor. He said in part: We were promised by the Board of Library Trustees that if we ob-

tained a site they would provide a building as soon as the Board of Supervisors provided for its maintenance. There was some difference of opinion among us and some stated that we would never get the building. It seems to be true. The main library is only an ornament and our right to library facilities should not be held back on account of it.

Dr. Salfeld asked that the two items be specified in the Budget.

Supervisor Hayden thereupon withdrew his objection.

Amendment.

Supervisor Power moved that the word "maintenance" be inserted after "Sunset Branch Library" and "Golden Gate Branch Library."

So ordered.

Approved.

Thereupon items Nos. 776, 777 and 778, as amended, were approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Excused—Supervisor Kortick—1.

Park Fund and Bond Interest and Redemptions.

The following items were thereupon taken up:

779 Park Fund	\$378,000
780 Bond Interest and Redemption	3,195,373

Approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Excused—Supervisor Kortick—1.

Assessor.

The following items were taken up:

102 Assessor	\$8,000
103 Chief Deputy	2,400
104 Cashier	1,800
105 4 Assistant Chief Deputies at \$2,100.....	8,400
106 4 Assistant Deputies at \$1,800	7,200
107 18 Deputies at \$1,500.....	27,000
108 Map Maker	1,800
109 Extra Clerks, Charter.....	40,000
110 Field Deputy Expenses....	2,000

\$98,600

Privilege of the Floor.

John Ginty, Assessor, was granted the privilege of the floor. He said in part: The Finance Committee has cut the budget estimates for my office \$11,000. One thousand dollars was cut in my field deputies' expenses. This account is for buggy hire, car fare, traveling expenses and postage stamps. Ten thousand dollars was cut in my request for extra deputies to attend to increasing work in

the office which must respond not only to depressed conditions but to all changes in the growth of the city. As it is, our deputies are unable to completely cover the field. I asked the Finance Committee for \$3,000 to put men on looking up solvent credits and promised to put \$3,000,000 on the roll for this investment, but was refused.

Amendments.

Supervisor Hayden moved that item No. 109 be amended to read:

"109 Extra Deputies, Charter.\$50,000"

Amendment carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson—11.

Noes—Supervisors Gallagher, Nolan, Power, Walsh, Welch, Wolfe—6.

Absent—Supervisor Suhr—1.

(Subsequently reduced to \$45,000. See page 566m.)

Supervisor Hayden moved that item No. 110 be amended to read:

"110 Field Deputy Expenses...\$3,000"

Amendment carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson—11.

Noes—Supervisors Gallagher, Nolan, Power, Walsh, Welch, Wolfe—6.

Absent—Supervisor Suhr—1.

(Subsequently reduced to \$2,500. See page 566m.)

Recess.

Whereupon the Board, on motion of Supervisor Welch, at the hour of 6:30 p. m., took a recess until 8:30 p. m.

Reassembled.

The Board of Supervisors reassembled at 9 p. m.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Automobile Maintenance and Repairs to Trucks.

Supervisor Nelson moved to insert: 443 Automobile Maintenance and

Repairs to Trucks.....\$3,000

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Walsh, Welch—14.

Noes—Supervisors Gallagher, Nolan, Power, Wolfe—4.

Explanation of Vote.

(*Supervisor Wolfe explained his*

vote by saying: "I cannot understand the votes of the Finance Committee. If they can afford to vote this way I can.)

(See pages 566g and 566j.)

Reconsideration.

Board of Public Works, General Office.

Supervisor Hocks moved to amend item 320 as follows:

"320 1 Clerk.....\$3,300"

Amendment lost by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Mulvihill, Nelson, Suhr—7.

Noes—Supervisors Brandon, Deasy, Gallagher, Hynes, Lahaney, McLeran, Nolan, Power, Walsh, Welch, Wolfe—11.

(See page 566d for previous action.)

Hostlers, Police Department.

Supervisor Nelson moved to reconsider item No. 290 and that it be amended by a \$5 increase, to-wit:

"290 9 Hostlers at \$1,200.....\$10,800"

Supervisor Welch moved as an amendment to the amendment that further consideration of the foregoing be continued until we complete the budget.

Carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

No—Supervisor Nelson—1.

(See page 566b for previous action.)

City Hall Watchmen.

Communication.

Supervisor Mulvihill presented a communication from the Watchmen in the City Hall requesting a \$10 monthly increase of salary and requested it lay over until we finish budget.

Read and ordered filed.

Municipal Repair Shop.

Supervisor Gallagher moved that vote on \$12,000 for Municipal Repair Shop be reconsidered.

(See pages 566g and 566i.)

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Noes—Supervisors Hayden, Hilmer, Kortick—3.

Privilege of the Floor.

P. Flaherty, representing San Francisco Lodge No. 68. I. A. M., was granted the privilege of the floor. He declared that he had recommended a municipal shop on account of the excessive charges for auto repair. The work is now being done in the shops not adequately equipped to

handle the work. Moreover, it is being done by boys who are learning and experimenting at city's expense. If work was done in proper shop or a municipal shop the machines would not be continuously laid up. You never hear complaint from the Fire Department shops and they do all their own work. If the city established its own repair shops the upkeep of city machines will be considerably reduced.

Motion.

Supervisor Welch moved to lay over the foregoing for reconsideration until budget is made up.

So ordered.

Playground Commission.

The following items were then taken up:

308 Salaries and Administration	\$35,000
309 Equipment, Improvement and Maintenance	30,000

Rent of Ewing Field	1,000
Employment of 20 Play Directors for School Yards to be used as Playgrounds	5,000
	<hr/>
	\$120,000

Motions.

Supervisor Lahaney moved that item No. 310, Mission District New Playground site be increased from \$25,000 to \$50,000.

Supervisor Wolfe moved as an amendment that action on motion be postponed until budget is made up.

Supervisor McLeran moved as an amendment to the amendment that the entire item No. 310 be laid over until the budget is determined.

Amendment lost by the following vote:

Ayes—Supervisors Hayden, Hilmer, McLeran, Mulvihill, Nelson—5.

Noes—Supervisors Brandon, Deasy, Gallagher, Hocks, Hynes, Kortick, Lahaney, Nolan, Power, Suhr, Walsh, Welch, Wolfe—13.

Recess.

Thereupon the Board at 10:25 p. m. took a recess for five minutes.

Reassembled.

In Board of Supervisors, Friday evening, May 26, 1916, 10:30 p. m.

The Board of Supervisors re-assembled at 10:30 p. m. and the following proceedings were had:

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present: Supervisors Brandon, Deasy, Gallagher, Hayden Hilmer, Hocks Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Good Roads Fund.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, the Board of Supervisors is confronted with recommendations from the City Engineer, Board of Public Works and various quasi-public associations, which would require the

expenditure of approximately \$350,000 for very desirable public improvements, and

Whereas, it is impossible to provide sufficient funds for these desirable improvements in any one fiscal year without unduly increasing the burden of taxation on property owners, and

Whereas, there will be available for the construction, maintenance and improvement of roads, \$150,000 approximately, revenue from State automobile licenses, which said amount may be properly expended upon such improvements as Bernal cut, Army street, Market street extension, Hunter's Point road, Telegraph Hill boulevard, Twin Peaks boulevard extension, the Marina and the Civic Center streets, and

Whereas, the expenditure of the said \$150,000 must under the law be made upon the recommendation of the City Engineer through the Board of Public Works, and concurred in by the Board of Supervisors; therefore, be it

Resolved, That the Board of Supervisors reconsider and rescind the action of May 23, 1916, wherein the report of the Streets Committee, apportioning the Good Roads Fund to the several projects, was adopted.

Further Resolved, That it is hereby declared to be the policy of the Board of Supervisors to await the recommendation of the City Engineer for appropriations from the Good Roads Fund, upon receipt of which the Board of Supervisors will make such appropriations as will continue desired street and road improvements.

Further Resolved, That in consonance with this the declared policy the appropriations for Twin Peaks extension, \$40,000; Telegraph Hill boulevard, \$10,000; the Marina, \$30,000; Civic Center streets, \$100,000; San Jose avenue, \$10,000, be reconsidered and omitted from the budget for the fiscal year 1916-1917.

Motion.

Supervisor Power moved that the Board take a recess until 12 o'clock and that action on foregoing resolution be deferred until that time.

Privilege of the Floor.

Geo. Skaller, speaking on behalf of the appropriation for the "Marina," addressed the Board. He said in part:

The reason we ask for the privilege of the floor at this time is because Supervisor Wolfe has given notice that he will move that the Board take a recess and go in executive session for the purpose of eliminating certain items that have already been passed upon favorably and whatever is then agreed upon shall stand. If such is the case it seems certain that the new spirit which seems to prevail means

that the items we have fought for will be eliminated. We wish to bring before you reasons why these items should not be eliminated and why resolution of Supervisor Welch should not be approved. I ask that the motion of Supervisor Power to lay matter over until after recess be not adopted.

(See subsequent action on page 566m.)

Supervisor Wolfe's Resolution.

Thereupon, Supervisor Wolfe offered the following:

Resolution No. — (New Series), as follows:

Whereas, From the appropriations already estimated by the Board of Supervisors in the making up of the Budget, it is evident that it will be necessary to increase the tax rate for the fiscal year 1916-1917, as compared with the tax rate of 1915-1916, and

Whereas, it is necessary in order to meet the payment for the redemption of bonds and interest on outstanding bonds that the sum of \$3,195,393 be raised in the tax levy for these purposes, which will total fifty-four cents of the amount fixed as a tax rate, and

Whereas, It seems that the time is inopportune to fix the tax rate in excess of that of last year except it be for the special purposes of the schools, as there are many obligatory charges upon the tax rate provided by the Charter, the State Laws, the Park Fund and other fixed expenses, over which the Board has no control, which must be provided, and which increase the obligatory rate above the bond interest and redemption, therefore be it

Resolved, That the Board take a recess until one a. m. Saturday

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Recess.

Whereupon, the Board of Supervisors took a recess until 1 a. m. Saturday, May 27, 1916.

The following matters were presented, read by the Clerk, ordered spread in the Journal and *referred to the Finance and Civil Service Committees jointly:*

May 26, 1916.

Mr. J. S. Dunnigan, Clerk, Board of Supervisors, San Francisco, Cal.

Dear Sir:

Yours of the 25th inst., calling my attention to a resolution adopted by the Board of Supervisors requesting the Auditor to furnish the Board with certain information regarding em-

ployees, at hand. I submit herewith the following list of employees who are now holding two positions under the city government and drawing pay for same:

J. Linehan, Tax Collector's Office and School Department.

Walter E. Trefts, Police Court Stenographer and School Department.

Martin F. Welch, Superior Court Reporter and School Department.

A. L. Aradon, Board of Public Works and School Department.

H. Raphael, Day School and Night School, School Department.

C. A. Davis, Day School and Night School, School Department.

I also submit herewith a copy of a list which was prepared in answer to request from the Civil Service Commission some time ago.

Regarding the third request to furnish the Board with a list of names of persons receiving demands for services rendered, which said demands are made out in the names of persons other than their own, I beg to advise you that I do not understand what

is meant by this particular request, but inform you that some time ago a representative of the Supplies Committee of the Board of Supervisors spent a number of days in the Auditor's office taking off a list of teamsters whose names appeared on our books whose demands were receipted for by other parties. The work of taking off a duplicate of this list would entail considerable work at this time as we are very busy around the first of the month, but I am satisfied you can obtain the information desired from the representative referred to above.

Yours truly,

THOS. F. BOYLE, Auditor.

Adoption of Aqueduct Location, Hetch Hetchy Water Supply.

Supervisor Wolfe presented:

Resolution No. 12969 (New Series), as follows:

Whereas, For the successful consummation of the policy of the City and County of San Francisco of developing a complete municipal water supply, with Hetch Hetchy Valley, Lake Eleanor and the waters of the Tuolumne River and its tributaries in Tuolumne County, California, as a source for obtaining said water supply, it is necessary that the hereinafter described canal tunnel or aqueduct be fully developed; therefore,

Resolved, That the hereinafter described location be and the same hereby is adopted by the City and County of San Francisco as the amended definite location of the center line of a right-of-way two hundred and fifty (250) feet wide, being one hundred and twenty-five (125) feet on each side of said center line of the said City and County's canal tunnel or aqueduct 10.5 feet in diameter. The Mayor of the City and County of San Francisco is hereby authorized to apply to the United States Land Office, the Honorable Secretary of the Interior and any other department of government on behalf of the City and County for permission to construct and complete said amended canal tunnel or aqueduct. Said ap-

plication is to be made under the Act of Congress approved December 19, 1913, entitled "And Act granting to the City and County of San Francisco certain rights of way in, over, and through certain public lands, the Yosemite National Park, and Stanislaus National Forest, and certain lands in the Yosemite National Park, the Stanislaus National Forest, and the public lands in the State of California, and for other purposes," in order that the City and County may obtain the benefits of said Act.

The Mayor is further authorized and directed to make, on behalf of the City and County, any other application under said Act of Congress or under any law to any department of government, which may be necessary for the successful completion of the above described municipal water supply for the City and County of San Francisco; and also to enter into any stipulations or agreements on behalf of the City and County of San Francisco which may be required by the Department of the Interior, the Department of Agriculture, or the Forestry Bureau of the United States Government, in the matter of obtaining permits or favorable action from any of said departments on any of the City's applications before said departments, so as to successfully complete said municipal water supply.

The City Engineer is authorized and directed to prepare all the necessary surveys, maps, and field notes for said application or for any other applications which it may be necessary to make, under said Act of Congress, or under any law for the successful completion of the above described municipal water supply.

The City Attorney is authorized and directed to appear before the United States Land Office, the Secretary of the Interior, or any other department of government, for and on behalf of the City in the matter of this application, or any other proceeding which may be necessary for the successful completion of the above described municipal water supply.

Following is a description of the amended definite location of the canal tunnel, or aqueduct above referred to.

The center line of a right-of-way, two hundred fifty (250) feet wide, being one hundred twenty-five (125) feet on each side of said center line of the said City and County's canal tunnel or aqueduct 10.5 feet in diameter, located in Tuolumne County, California, and described as follows:

Beginning at the initial point or station "E" 0-00, whence the cor. to secs. 2, 3, 10 and 11, T. 1 S., R. 18 E., M. D. B. & M. bears N. 82° 15' West,

distant 2423.8 feet, which said initial point is identical with point No. 10 of that certain application, Sacramento Serial No. 07259, filed at the Sacramento Land Office, April 10, 1914, and approved by the Secretary of the Interior, July 29, 1914, thence by true courses and distances 65446.5 feet to the terminal point or Sta. "F" 643+60.3 in the westerly boundary of Stanislaus National Forest, which said terminal point is identical with point No. 20 of the said application Sacramento Serial No. 07259, and which bears N. 0° 27' East, distant 318.9 feet from the $\frac{1}{4}$ sec. cor. common to secs. 25 and 30, T. 1 S., Rs. 16 and 17 E.

This survey is an amendment of the survey described in that certain application, Sacramento Serial No. 07259 hereinabove mentioned, that is, an amendment of the portion thereof from Sta. 10 to Sta. 20.

Adopted, under suspension of the rules, by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Accepting Offers to Sell Right of Way of Hetch Hetchy Railway.

Supervisor Wolfe presented:

Resolution No. 12970 (New Series), as follows:

Whereas, The following owners of land sought to be acquired by the City and County of San Francisco for a right-of-way for a railroad to be used in connection with the Hetch Hetchy Water Supply have offered to convey the property desired by the City and County of San Francisco for the sums set forth opposite their respective names, viz.:

Jessie F. Corcoran, entire piece, \$325.

J. G. Houston, entire piece, \$75.

T. R. Reid, entire piece, \$97.

Green Consolidated Gold Mining Co., Hughes Consolidated Quartz Mine, The Dyneta Quartz Mine, \$15 per acre.

And whereas, The City Attorney has recommended the acceptance of the said offers and the acquisition of the property owned by them and offered to the City and County of San Francisco for the prices set forth, which said prices are in accordance with the City's appraisalment of said property;

Now therefore, be it Resolved, That the said offers of sale be accepted and that the City Attorney be authorized to close the negotiations and superintend the payment of moneys to each of the above-named persons

upon receipt of the proper conveyances.

Adopted, under suspension of the rules, by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Reduction of Auditorium Rental to People's Orchestra Association.

Supervisor Brandon presented:

Resolution No. 12971 (New Series), as follows:

Whereas, The Exposition Auditorium was leased to the San Francisco People's Orchestra Association for the following dates: April 23rd and 30th, May 7th, 14th and 28th for the purpose of giving popular musical entertainments, and

Whereas, Said Association has given free concerts for children on said dates, therefore

Resolved, In consideration of the giving of such free concerts, the rental of said Auditorium is fixed at one-half of the regular rental therefor, as fixed by Ordinance No. 3606 (New Series), and one-half of the amount of the rent paid therefor is hereby ordered refunded to said San Francisco People's Orchestra Association.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Outdoor Park Permit Amended, Ocean View Improvement Club.

Supervisor Hocks presented:

Resolution No. 12972 (New Series), as follows:

Resolved, That Resolution No. 12904 (New Series), is hereby amended to permit the Ocean Shore Improvement Club to hold an outdoor park celebration, as therein specified from June 5th, 1916, to June 10th, 1916, instead of May 29th, 1916, to June 3rd, 1916.

Adopted, under suspension of the rules, by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Masquerade Ball Permit.

Supervisor Lahaney presented:

Resolution No. 12973 (New Series), as follows:

Resolved, That the Catalpa Club is

hereby granted permission to hold a masquerade ball at Puckett's Hall, 1268 Sutter street, June 3, 1916, without payment of the usual license fee, provided the proceeds from said ball be devoted to charitable and benevolent purposes.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 12974 (New Series), as follows:

Resolved, That D. L. Bienfield is hereby granted an extension of thirty days' time from and after June 7, 1916, within which to complete contract for the curbing and paving of Bosworth street from Diamond street to the Southern Pacific Company right-of-way, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor was delayed in the work on account of being unable to secure granite curbs.

Adopted, under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Also, Resolution No. 12975 (New Series), as follows:

Resolved, That Federal Construction Co. is hereby granted an extension of ninety days from and after June 8, 1916, within which to complete contract for the improvement of Miguel street, between Bemis street and Laidley street, including the intersection of Bemis and Miguel streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is now under way, its commencement having been retarded by the difficulty of preparing the engineering diagram according to which the work was to be prosecuted.

Adopted, under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Lahaney, McLeran, Mulvihill—4.

Mortality.

Supervisor Gallagher presented:

Resolution No. — (New Series),
as follows:

Whereas, The suggestion has been
made that the welfare of the com-
munity will be promoted by the crea-
tion of a bureau for the purpose of
materially reducing infant mortality;
therefore

Resolved, That the Finance Com-

mittee be directed to investigate and
report on the subject and if deemed
advisable to present an ordinance
providing for the establishment of
such bureau.

Referred to the Supplies Committee.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JUNE 5, 1916.

In Board of Supervisors, San Francisco, Monday, June 5, 1916, at 2 p. m.
The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present: Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journal of the meeting of May 22, 1916, was laid over for approval until next meeting.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

Proposed Elevated Roadway for San Francisco.

Supervisor Gallagher presented:

Communication—From A. B. Burt, C. E., requesting consideration of his proposed plan of elevated roadway for relief of traffic in downtown districts.

Referred to Streets Committee and City Engineer for investigation and report.

Relative to Appropriation for Completion of Civic Center.

Communication—From Paul Bancroft, expressing his appreciation of the action of the Board in appropriating \$80,000 in the Budget for the completion of the Civic Center.

Read and ordered filed.

Fire Protection in Jordan Park.

Communication—From Jordan Park Improvement Club, for the installation of larger mains and fire hydrants in Jordan Park.

Referred to Fire Committee.

Property Withdrawn from Tax Sale.

Communication — From Assessor John Ginty, recommending that certain property erroneously assessed in

1915 be withdrawn from sale in accordance with Section 3806 of the Political Code.

Read by the Clerk and resolution subsequently adopted.

Leave of Absence, Chief of Police.

Communication—From Chief of Police, requesting a thirty-day leave of absence commencing June 14, 1916, with permission to leave the State.

Read by the Clerk and request granted.

Hearing of Appeal.

Moraga Street.

Hearing of appeal of Thos. D. Quigley from assessment for improvement of Moraga street, between Eighth and Ninth avenues and Tenth and Eleventh avenues, fixed for 3 p. m. this day, was taken up.

Privilege of the Floor.

Thos. D. Quigley was granted the privilege of the floor and addressed the Board. He declared that the assessment was illegal for the reason that it exceeded 50 per cent of the assessed value of the property.

Referred to the City Attorney.

Whereupon, the subject-matter was on motion of Supervisor Welch referred to the City Attorney for opinion as to legality of the proceedings.

VETO.

Municipal Railway Across the Park.

The following resolution, heretofore adopted and presented to the Mayor for approval and vetoed by him on May 20, 1916, was taken up.

Resolution No. — (New Series), as follows:

Whereas, The City Attorney has advised that in the construction of a public utility the Board of Supervisors may utilize rights of way across any property owned by the City and County, and

Whereas, The Board of Supervisors has committed itself to the project of constructing an extension of the Municipal Railway across Golden Gate Park, and has instructed the City Engineer to propose plans and specifications therefor; therefore

Resolved, That the Board of Public Works be directed to proceed with the work of construction of such extension, according to the plans prepared therefor by the City Engineer.

Veto Sustained.

The question being: Shall the Resolution finally pass, notwithstanding the objections of his Honor, the Mayor? the Roll was called with the following result:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Mulvihill, Nolan, Power, Walsh, Wolfe—10.

Noes—Supervisors Hilmer, Hocks, Kortick, Lahaney, McLeran, Nelson, Suhr, Welch—8.

Explanation of Vote.

Supervisor Hilmer explained his vote by saying:

"I am voting to sustain the Mayor's Veto for the reasons indicated by his Veto Message and for the reason that the Park Commissioners are willing this railroad shall cross at some other point in Golden Gate Park, which in my opinion will enable the City to construct this road more speedily than otherwise. Litigation will not give us a railroad across the Park. I am pledged for a railroad across the Park and I am sure by sustaining the Mayor new plans can be made for a road across the Park at some point satisfactory to the Park Commissioners whereby this road may be constructed without further delay."

Supervisor Nelson explained his vote by saying he favored a motor bus system across the park.

Whereupon the chair announced that the motion was *lost* and the Mayor's veto sustained.

Motor Bus Across Park.

Thereupon, Supervisor Power presented:

Resolution No. — (New Series), as follows:

Whereas, There is a difference of opinion existing between the Park Commissioners and the Board of Supervisors as to the construction of a railroad across Golden Gate Park, and

Whereas, On account of said difference of opinion the construction of an extension of the Municipal Railway across the Park will be delayed for an indefinite period, and

Whereas, The residents of the Sunset and Richmond districts are entitled to transportation between said districts, therefore be it

Resolved, That the Board of Supervisors and Board of Public Works be instructed to establish a motor bus service between the Richmond and

Sunset districts pending a settlement as to the construction of said railroad.

Referred to Public Utilities Committee.

REPORTS OF COMMITTEES.

The following committees, by their respective chairmen, presented reports on various matters referred, which reports were read and ordered placed on file:

Streets and Sewers Committee—By Supervisor Welch, chairman.

Fire Committee—By Supervisor Deasy, chairman.

Auditorium Committee—By Supervisor Brandon, chairman.

Streets and Commercial Development Committees—By Supervisor Welch, chairman.

Provided that in the construction, maintenance and operation of said track the Southern Pacific Railroad Company shall act in strict accordance with the provisions of Ordinance No. 69, approved October 12, 1906; also

Provided, further, that the railway operating any spur track on any public street or property hereafter constructed in the City and County shall, upon demand of the person, firm or corporation for the use or benefit of which said spur track is operated, place upon such spur track the freight cars of any railway which has, in this City and County, track connection with the operating railway; such cars so placed to be used for the receipt and delivery of freight in carloads only. And the operating railway shall receive and deliver the cars of the connecting railway over, at and upon such connecting track in the performance of such switching service for such persons, firms and corporations and such railway shall perform such service without undue delay or discrimination. The operating railway shall perform such service for the same charge or rate that it charges for corresponding service for its own cars upon the spur track for like purpose. The provisions of

this section shall apply only to such portions of such spur tracks as are not constructed, maintained or operated upon or across private land; also

Provided further that on that portion of said spur track authorized to be constructed, laid down, maintained and operated along Bluxome street, no car or cars shall be switched or moved during the hours between 6 o'clock a. m. and 6 o'clock p. m. except that cars may be switched to and from the spur track granted to the John Bollman Company by Ordinance No. 3152 (New Series), between the hours of 8 a. m. and 10 a. m., 12 m. and 2 p. m., provided a flagman shall be stationed by the John Bollman Co. at Fourth and Bluxome streets during the hours above set forth, and provided that no cars shall be allowed to stand on Bluxome street, between Fifth and Sixth streets, between the hours of 6 o'clock a. m. and 6 o'clock p. m.

Section 2. This ordinance shall take effect and be in force from and after its passage.

Privilege of the Floor.

Arthur Johnson, attorney, representing the Schmidt Lithographing Company, was granted the privilege of the floor and addressed the Board. He called attention to the necessity of the provision in the bill permitting daylight switching across Fourth street and declared that it was of the utmost importance that this proviso in the permit be not sticken out. He said the Bollman Company was responsible for the car as soon as the railroad company placed it within one hundred feet of the property line. The freight, he said, was very valuable and unless daylight switching was permitted there would be twenty-four hours' loss of time, as well as danger to stock from damage or theft.

Passed for Printing.

Whereupon, the question being taken, the foregoing bill was *passed for printing* by the following vote:

Ayes—Supervisors Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Mulvihill, Nelson, Power, Suhr, Welch, Wolfe—12.

Noes—Supervisors Brandon, Gallagher, Lahaney, McLeran, Nolan, Walsh—6.

Action Deferred.

The following resolution heretofore presented by Supervisor Welch, referred to Streets and Buildings Committees and returned with the favorable recommendation of said committees was taken up and on motion *laid over one week*:

Bridge Across Stevenson Street.

Resolution No. — (New Series), Granting E. M. Frazier permission

to construct and maintain a covered passageway or bridge across Stevenson street, between the south line of the Easton Estate building formerly known as "Hale's" and located on the south side of Market street, about 150 feet east of Sixth street, and the north line of a certain piece of property located on the south side of Stevenson street about 150 feet east of Sixth street; provided the said passageway or bridge is erected and maintained according to the specifications and requirements of the Board of Public Works.

Award of Contracts, Furniture, City Hall.

Supervisor Gallagher presented:

Resolution No. — (New Series), as follows:

Resolved, That contracts for furnishing and delivering furniture for City Hall be, and the same are, hereby awarded to the following persons, firms and corporations in strict accordance with the specifications therefor and their bids submitted to the Board of Supervisors on May 1, 1916; that the bonds for the faithful performance of said contracts are hereby fixed in the sums set below the names of the respective persons, firms and corporations to whom said contracts are hereby awarded, as per the item number and article appearing in their respective bids, to-wit:

Protest.

The following was presented and read by the Clerk:

San Francisco, Cal., June 5, 1916.
The Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:

In re bids for annual furniture contract.

We wish to protest against said award being made in accordance with the recommendation of the Supplies Committee of the Board of Supervisors at their meeting, held May 31, 1916, for the reason that said recommendation of award is made in flagrant violation of the specifications for said work, and not for the best interests of the city.

We respectfully request that a full and fair investigation of the acts of the Supplies Committee in this matter be had before final action is taken by the Honorable Board of Supervisors. Very respectfully,
RUCKER-FULLER DESK COMPANY,
By S. N. RUCKER,
President.

Privilege of the Floor.

James McSheehy was granted the privilege of the floor. He stated that three or four weeks ago the Supplies Committee of the Board of Supervisors appointed him furniture expert in the matter of awarding bids for furniture for the City Hall. He said that he was not present at the time and knew of his appointment only when a young man representing the firm of Rucker-Fuller Desk Company called upon him and informed him of his appointment. He then rang up the Clerk's office and verified the information. "I then took up the matter with Supervisor Gallagher," he said, "and accepted the appointment with the proviso that there should be no compensation for my services.

Action Deferred.

Whereupon, the foregoing resolution was, on motion of Supervisor McLeran, laid over one week and made a Special Order of Business for 3 p. m. on that day. Mr. Rucker to be notified to attend.

Clerk to Advertise for Proposals for Printing Journals and Calendars.

Supervisor Mulvihill presented:

Resolution No. 12987 (New Series), as follows:

Resolved, That the Clerk be directed to advertise that sealed proposals will be received by this Board at the hour of 3 o'clock p. m., on Monday, June 19, 1916, for printing the Journal of Proceedings and Cal-

endars of the Board of Supervisors, Daily Trial and Law and Motion Calendars and Decisions of the Supreme and Appellate Courts for the fiscal year 1916-1917.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Clerk to Advertise for Proposals for Printing Municipal Record.

Supervisor Mulvihill presented:

Resolution No. 12988 (New Series), as follows:

Resolved, That the Clerk advertise that bids for printing the Municipal Record for the next fiscal year be received by this Board at 3 p. m., on Monday, June 19, 1916, and that the Public Welfare and Publicity Committee prepare specifications therefor.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Leave of Absence, Chief of Police.

Resolution No. 12989 (New Series), as follows:

Resolved, That in accordance with the recommendation of his Honor the Mayor, Hon. D. A. White, Chief of Police, be and is hereby granted a leave of absence for a period of thirty days, commencing June 14, 1916, with permission to leave the State.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Property Withdrawn from Tax Sale.

Resolution No. 12990 (New Series), as follows:

Resolved, That the following property, erroneously assessed in 1915, be withdrawn from sale and reassessed in 1916 in accordance with Section 3806, Political Code; and the Tax Collector is hereby directed not to offer same for sale:

Extensions of Time.

Supervisor Welch presented:

Resolution No. 12991 (New Series), as follows:

Resolved, That Owen McHugh be granted an extension of 90 days' time from and after June 14, 1916, within which to complete contract for grading Thirty-seventh avenue, from Anza to Balboa streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is progressing rapidly but it is impossible to complete it before the expiration of time allowed on the contract.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Resolution No. 12992 (New Series), as follows:

Resolved, That D. O. Church Company be granted an extension of 90 days' time from and after June 12, 1916, within which to complete its contract for grading, sewerage and paving Athens street, from Russia to Amazon avenues.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is now well under way, the grading having been completed and the concrete curbs being constructed.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Also, Resolution No. 12993 (New Series), as follows:

Resolved, That the State Improvement Company be granted an extension of 90 days' time from and after June 8, 1916, within which to complete contract for the construction of sewers in Kirkham street, between

Forty-sixth and Forty-seventh avenues, and in Forty-sixth avenue, between Kirkham and Judah streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the issuance of the engineering diagram for the work was necessarily delayed.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Switching United Railroad Cars.

Supervisor Gallagher presented:

Resolution No. — (New Series).
as follows:

Resolved, That the iniquitous and senseless practice of the United Railroads in switching back cars in the middle, or near the end of a run, must be investigated with a view to its abolishment; further

Resolved, That the Public Utilities Committee is instructed to investigate these complaints and to report to the Board such measures as will insure a stoppage of this great inconvenience to passengers.

Referred to Public Utilities Committee.

Use of School Lots in Outlying Districts.

Supervisor Power presented:

Whereas, there are many unused school lots throughout the city, more especially in the Richmond, Sunset and Potrero districts, and

Whereas, many of these lots will never be used for school purposes, and

Whereas, it would be extremely advisable to have as much yard room

and play space as possible around each school building, and

Whereas, by the exchange of unused school lots for land adjoining present and contemplated school sites, each school could have ample yard room and play space, with very little cost, if any, to the city; therefore be it

Resolved, That the Board of Education be requested to advise this Board of Supervisors as soon as possible as to the unused school lots that may be used for school purposes in the future, and be it

Further Resolved, That, upon receipt of said information, the Board of Supervisors shall instruct the City Attorney to take the necessary legal procedure to bring about the required exchange of land referred to in this resolution.

Referred to Education, Parks and Playgrounds Committees.

ADJOURNMENT.

There being no further business the Board at 6:15 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

Approved by the Board of Supervisors June 26, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

San Francisco, June 7, 1916.

Hon. James Rolph, Jr.,

Mayor of San Francisco.

Dear Sir:

I want to take a vacation trip to Alaska. May I go, and if so, will this request secure me the necessary permission from the Honorable Board of Supervisors?

Thanking you for securing for me this permission, I am,

Very sincerely yours,

MARGARET S. HAYWARD,
Playground Commissioner.

Read and granted. (See Resolution No. 13020 (New Series).)

Leave of Absence, Frank Klimm, Member of Board of Health.

San Francisco, Cal., June 10, 1916.

Honorable Board of Supervisors,
City and County of San Francisco, City Hall, San Francisco.

Gentlemen:

Application has been made to me by Honorable Frank Klimm, member of the Board of Health, for leave of absence, with permission to leave the State of California, for the month of July.

I hereby request that you concur with me in granting said leave of absence.

Yours very truly,

JAMES ROLPH,
Mayor.

Read and granted. (See Resolution No. 13021 (New Series).)

Municipal Railway Extension Across Golden Gate Park.

Supervisor Nolan presented:

Communication—From the Ocean-side Improvement Association, calling attention to affirmative action heretofore taken by the Board of Supervisors and the Mayor in regard to extension of the Municipal Railway across Golden Gate Park at Tenth avenue and requesting that sufficient funds be provided for carrying out this work.

Referred to Public Utilities Committee.

REPORTS OF COMMITTEES.

The following committees, by their respective chairmen, presented reports on various matters referred, which reports were read and ordered placed on file:

Streets and Sewers Committee—by Supervisor Welch, chairman.

PRESENTATION OF PROPOSALS.

Lighting Streets and Public Buildings.

Proposals for lighting public streets, public buildings and places, with gas and electricity, and for furnishing heat, light and power to the City and County of San Francisco for the year ending June 30, 1917, were received, opened, read and referred to Lighting Committee, to-wit:

1. Pacific Gas & Electric Co., certified check for \$45,000, Merchants National Bank.

2. Pacific Gas & Electric Co., certified check for \$6,000, Merchants National Bank.

SPECIAL ORDER 3 P. M.

Bridge Over Stevenson Street, Between Fifth and Sixth Streets.

The following matter, heretofore passed for printing and laid over from last meeting, was taken up:

Resolution No. — (New Series), Granting E. M. Frazier permission to construct and maintain a covered passageway or bridge across Stevenson street, between the south line of the Easton Estate building, formerly known as "Hale's" and located on the south side of Market street, about 150 feet east of Sixth street, and the north line of a certain piece of property located on the south side of Stevenson street about 150 feet east of Sixth street; provided the said passageway or bridge is erected and maintained according to the specifications and requirements of the Board of Public Works.

Privilege of the Floor.

H. M. Owens, attorney representing the applicant, was granted the privilege of the floor and addressed the Board. He said that all he asked of the Board was to exercise the power given it under the Charter and grant this bridge permit, as a previous Board had done in the same prior to the fire in 1906. As to the legality of the action in this matter the opinion of former City Attorney Franklin K. Lane should settle the question to the complete satisfaction of the Board.

E. C. Harrison, attorney, representing Adrian Hedger, a minor, and owner of the adjacent property, was granted the privilege of the floor and addressed the Board. He protested against the granting of the proposed permit on the ground that it would interfere with the free use of the property of his client and would thereby seriously depreciate its value.

Platt Kent, representing the Felton Company, also addressed the Board. He protested against this proposed permit to erect a bridge on Stevenson street for the reason that it would permit of unfair competition in the theatrical business by placing Stevenson-street property on a par with Market-street property, which commands high rent and carries heavy taxation. He said his clients had made arrangements for the construction of a theater at Fourth and Market streets representing an investment of upwards of \$750,000. Competition of this character would be destructive of this enterprise.

Daniel O'Callaghan, representing the applicant, addressed the Board. He said that if the argument of un-

fair competition were true the big ship-building plant at Newport News could not locate in San Francisco, say at Hunter's Point, where lots are worth \$150, because it would come in competition with the Union Iron Works, where lots are worth upwards of \$3000.

T. O'Connor, attorney, representing the Theatrical Managers, also addressed the Board. He said that it was absolutely a matter of unfair competition, that the Board of Supervisors had no legal or moral right to give away public property without adequate compensation. As to the illegality of the proposed permit, he cited a similar case brought against Marshall Field of Chicago, who had made application for a like permit, which decision laid down the principle that the ownership in the street, including the air and light above its surface, was just as much public property as the ground itself.

E. M. Fraser, the applicant, in reply to the statement that an investigation had disclosed that the probability was that he was not financing this project but that it was being done from an unknown and perhaps an irresponsible source, said that he has been a resident of San Francisco for eighteen years, and proposes to finance the building of the theater himself. He was ready, he said, to stand any investigation as to his ability to carry out this enterprise, or his responsibility financially.

Jacob Samuels, attorney, representing lessee of the Imperial Theater Company, also addressed the Board. He based his objection to the granting of the permit on the unfair competition, if permitted, to the detriment of his client. He called attention to the danger to public life in the case of fire, when hundreds of men, women and children may be imperiled in trying to escape over the bridge from the proposed theater. The only person, he said, asking for this extraordinary privilege, besides the applicant, is the real estate agent, who is working for his commission.

A. J. Treat, representing Pantages, also addressed the Board. He raised the question of increased fire insurance to the other adjoining buildings on account of the proposed bridge. He said that Pantages carries insurance amounting to \$50,000, and feared the rate would be increased if the proposed bridge is permitted. He said he had taken the matter up with the Underwriters but as yet had not been definitely informed whether it would increase the rate, nor had he been informed that it would not. He was sure it would do Pantages no good.

S. Schulberg, representing himself, also addressed the Board. He said he opposed the permit as a citizen who does not believe in giving public property for private use without adequate compensation. He said that no matter what action some departmental councils of labor had taken in support of this proposition, organized labor itself does not favor it unless the San Francisco Labor Council speaks, and it has not done so. Further, he said, who knows but that in the near future this proposed bridge will seriously interfere with some elevated system of rapid transit that the city may find it necessary to construct.

I. Golden, attorney, representing the protestants, also addressed the Board. The applicant for this bridge permit is asking the Board of Supervisors for the only valuable asset his proposition has. Without the bridge the enterprise has no value. Have you considered that the city should receive upwards of \$25,000 annually for this valuable privilege? Have the men who are financing it considered what would become of their investment if this revocable permit were taken away for any reason whatever?

Sid Grauman, representing the Empress Theater, also addressed the Board. He said that if the bridge permit were granted he would be unable to compete and would have to cut out vaudeville and go back to moving pictures exclusively. The theater, he said, cost \$3500 per month. Some of his tenants are six or seven months back in their rents, and he is carrying them along. From some I see no chance of getting rentals. The proposed theater will accommodate 800 or 900 people more than the Empress.

Refused Passage.

Thereupon, the question being taken, the foregoing resolution was *refused passage to print* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Lahaney, Walsh, Welch—6.

Noes—Supervisors Deasy, Gallagher, Hocks, Hynes, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Wolfe—11.

Absent—Supervisor Kortick—1.

SPECIAL ORDER 3 P. M.

Award of Contracts, City Hall Furniture.

Resolution No. — (New Series), Awarding contracts to Rucker, Fuller Desk Co., C. F. Weber & Co and F. W. Wentworth & Co. for furnishing and delivering furniture for City Hall, in strict accordance with the specifications therefor and bids submitted to the Board of Supervisors on May 1,

1916; recommended by the Supplies Committee laid over one week and made a Special Order of Business for 3 p. m. this day, was taken up.

S. H. Rucker, representing Rucker-Fuller Desk Company, was granted the privilege of the floor and addressed the Board. He declared that in making his protest it was not his intention in any way to reflect on the integrity of the members of the Finance Committee. His contention being that the specifications were violated in the awarding of the contracts. In support of his protest he presented the following statement, which was read by him, and ordered filed:

In re Bids for Annual Furniture Contract.

Our protest is based on the fact that the recommendation of the Supplies Committee is made in flagrant violation of the specifications and not for the best interests of the City.

We quote from the specifications as follows:

"It is the intention of the Board of Supervisors of the City and County of San Francisco to standardize as much as possible furniture required for use of the various departments of the City government, with the thought that such standardization will make for *harmony, efficiency and economy*. To that end bidders are invited to submit proposals and samples as per the following specifications:

It is the intent of this proposal to adapt two standardized grades of equipment in desks, tables and chairs, and bidders are requested to carry out this idea in making their proposals.

Bidders *must* submit samples not later than the time fixed for the opening of the bids, and are required to deliver such to Polk Hall, Civic Auditorium, Grove and Larkin streets.

Each sample *must* be marked in a durable manner, assuring identification of same. Such marks shall state

1. Name of bidder.
2. The item number in the schedule.
3. Name of manufacturer.
4. Manufacturer's stock number."

The C. F. Weber Company violated the specifications in the following important particulars:

First—They submitted only six samples, whereas not less than eighteen samples were required.

Second—They omitted the name of the manufacturer, and the manufacturer's stock number.

Third—The specifications for Grade "A" desks state same are to be of

five-ply on exteriors, and to be of hardwood set in by deep rabbet all around, whereas the sample desk submitted by C. F. Weber Company has only three-ply panels, and is not set in by deep rabbet all around.

Fourth—Specifications for Grade "A" desks state that drawers shall be dovetailed front and back, whereas the center drawer in sample desk submitted by C. F. Weber Company is not dovetailed front and back.

Fifth—Specifications in Schedule "B" state that all drawers shall be dovetailed front and back, whereas the sample table submitted by C. F. Weber Company shows no such construction.

Sixth—Specifications with reference to item No. 214 state that the size must be not less than 60x36x30½ inches, whereas the sample table submitted by C. F. Weber Company is only 34 inches deep.

Seventh—Chairs—Schedule "B"—Specifications state that wood seat joints must be glued and splined or dowelled with two dowels not less than 2½x7-16 inches; that all back posts must be sawed from straight grained material steamed and bent to the required shape; whereas sample submitted by C. F. Weber Company is neither splined nor dowelled nor has it steam-bent back posts, and is inferior in many other important particulars.

Eighth—Apparent disregard for the specifications for this work is shown in the recommendation of the committee with reference to chairs. The specifications state that it is the intention of the Board of Supervisors to standardize as much as possible the furniture required, with the thought that such standardization will make for *harmony, efficiency and economy*. Where four chairs are required in Schedule "B", the committee recommends three different designs, getting about as far away from standardization and harmony as it was possible to do.

Respectfully submitted,
RUCKER-FULLER DESK COMPANY.
By S. N. RUCKER, President.

Mr. Welch, representing C. F. Weber & Co. and a representative of F. W. Wentworth & Co., stated that they had furnished samples as required by the specifications for the items bid upon.

J. McSheehy, furniture expert of the Supplies Committee, explained his appointment as an expert in the matter, and declared that if bids were called for in the specifications and samples were not called for that the furniture could be made as cheap in San Francisco. All of the bidders, he

said, were agents for Eastern manufacturers.

Referred.

Whereupon, the foregoing resolution was, on motion of Supervisor Hayden, referred to the Building and Supplies Committees jointly.

Extensions of Time.

Supervisor McLeran presented:
Resolution No. 13006 (New Series), as follows:

Resolved, That upon the recommendation of the Board of Public Works, the following extensions of time on public work be granted contractors for the reasons stated:

W. P. Fuller Company, 45 days from April 29, 1916. Contract for glass and glazing, City Hall, Proposition No. 1. Third extension. Reason: Unable to complete work until certain work is installed by other contractors.

McGilvray-Raymond Granite Co., 90 days from May 10, 1916. Contract for carving and finishing granite work of pediments, City Hall. Third extension. Reason: Granite cutters' strike.

W. & J. Sloane, 45 days from April 17, 1916. Contract for special furniture for Supervisors' Council Chambers. Second extension. Reason: Council Chamber in uncompleted condition and not ready to receive furniture. Second extension.

American Mailing Device Company, 30 days from May 20, 1916. Mail chutes. Second extension. Reason: Original models of boxes badly damaged in shipment to New York and had to be replaced; also delay of railroad company in delivering boxes to the City.

Dyer Bros., 90 days from April 27, 1916. Contract for structural steel work, southeast wing San Francisco Hospital. First extension. Reason: Foundation work not completed, consequently steel frames cannot be set.

Dyer Bros., 45 days from April 27, 1916. Contract for structural steel work, northeast wing San Francisco Hospital. First extension. Reason: Difficulty experienced in receiving shipments of steel.

Advertising fee remitted in each of above extensions.

Soliciting Signatures to Petitions in City Hall.

Supervisor McLeran presented:
Resolution No. 13007 (New Series), as follows:

Whereas, Complaints are being made that the soliciting of signatures to petitions in the City Hall is a source of annoyance to those who have public business to transact, and such soliciting is being carried on to an extent that is inimical to the pub-

lic convenience and welfare; therefore,

Resolved, That all solicitors be notified that their presence in the building will be no longer permitted, and that all soliciting must be done on the outside.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Excepting and excluding all public streets.

Also, Bill No. 4120, Ordinance No. — (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving

and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors April 25, 1916, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of the *crossing of Nineteenth and Sanchez street*, excepting that portion southerly from a line 15 feet northerly from the southerly line of Nineteenth street, by resetting to official line and grade existing curbs and catchbasins; by the construction of artificial stone sidewalks of the full official width on the angular corners; and by the construction of an asphalt pavement consisting of a 6-inch concrete foundation and a 2-inch asphaltic wearing surface on the roadway thereof.

Indefinite Postponement.

The following Bill was presented and on motion *indefinitely postponed*:

Also Bill No. 4121, Ordinance No.— (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors April 25, 1916, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of *Orange alley between Twenty-fourth and Twenty-fifth streets*, except where already improved and except that portion required by law to be curbed by the company having tracks thereon, by the construction of granite curbs, artificial stone sidewalks of the full official width, and an asphalt pavement consisting of a 6-inch concrete foundation with a 2-inch asphaltic wearing surface upon the roadway thereof.

Quigley, 1599 Eighth avenue, from the assessment issued by the Board of Public Works for the improvement of Moraga street, between Eighth and Ninth avenues and between Tenth and Eleventh avenues.

Resolution No. 12892 (New Series) is hereby repealed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Action Deferred.

The following matters were presented by Supervisor Welch and on his motion *laid over one week*:

Spur Track—Great Western Smelting and Refining Co.

On motion of Supervisor Welch:

Granting permission revocable at will of the Board of Supervisors to the Great Western Smelting and Refining Company, its successors and assigns, to lay down, construct, maintain and operate, a spur track in Spear street, as follows, to-wit:

Beginning at a point in the center line of the present Spear street industry track, said point being 41.25 feet southwesterly at right angles from the northeasterly line of Spear street, and 253.13 feet southeasterly at right angles from the southeasterly line of Folsom street; thence northwesterly on the arc of a curve con-

cave to the northeast, having a radius of 235.65 feet, a distance of 50 feet to a point; thence northwesterly on tangent to said curve a distance of 30.72 feet to a point; thence northwesterly on the arc of a curve concave to the southwest, having a radius of 235.65 feet a distance of 50 feet to a point, said point being 24 feet southwesterly at right angles from the northeasterly line of Spear street and 123.10 feet southeasterly at right angles from the southeasterly line of Folsom street; thence northwesterly parallel with and 24 feet southwesterly from the northeasterly line of Spear street a distance of 109.19 feet.

Provided, that no car shall be taken over said spur track between the hours of 7 a. m. and 6 p. m.

Further provided that no car shall at any time be allowed to stand on said track so as to block the roadway of a street, or block or obstruct a street crossing to exceed five minutes.

Provided the Great Western Smelting & Refining Co., its successors and assigns, shall erect and maintain one arc light at Spear and Folsom street.

Section 2. This Ordinance shall take effect immediately.

Spur Track Permit—S. F. Warehouse Co.

Also, Bill No. —, Ordinance No. — (New Series), entitled "Granting permission, revocable at will of the Board of Supervisors, to San Francisco Warehouse Company, its successors and assigns, to lay down, construct, maintain and operate a spur track, as follows, to-wit:

Commencing at a point in Spear street, said point being distant 24.0 feet at right angles southwesterly from the northeasterly line of Spear street, and 13.91 feet at right angles southeasterly from the southeasterly line of Folsom street; thence northwesterly parallel with the northeasterly line of Spear street and distant 24.0 feet southwesterly therefrom 234.0 feet."

Provided, that no car shall be taken over said spur track between the hours of 7 a. m. and 6 p. m.

Further provided, that no car shall at any time be allowed to stand on said track so as to block the roadway of a street, or block or obstruct a street crossing to exceed five minutes.

Provided the San Francisco Warehouse Co., its successors and assigns, shall erect and maintain one arc light at Spear and Folsom streets.

Appointment of Paul Ost, Assistant City Engineer, in Matter of Outlying Lighting System for Golden Gate Park.

Supervisor Gallagher presented:

Resolution No. 13022 (New Series),
as follows:

Approved by the Board of Supervisors July 3, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Resolved, That the Board of Public Works is requested to assign Paul J. Ost, electrical engineer, for conference with Superintendent of Parks and Squares John McLaren for the purpose of making such recommendations as they deem proper on the installation of lights in Golden Gate Park, as per Budget Item No. 58, fiscal year 1916-1917, to the Committee on Lighting of this Board.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JUNE 19, 1916.

In Board of Supervisors, San Francisco, Monday, June 19, 1916, at 2 p. m.
The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journal of the meeting of May 29, 1916, was approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

Veto of Telephone Operator Appointments.

The following matters were presented and read by the Clerk:

San Francisco, June 15, 1916.

Honorable Board of Supervisors of the City and County of San Francisco, City Hall, San Francisco.

Gentlemen:

I herewith return to you without my approval Resolution No. 12979 (New Series), "Resolved, That Miss Mabel Hobson, No. 59 on the eligible list, having been certified by the Civil Service Commission on Certification No. 19, is hereby appointed temporary telephone operator at the City Hall in accordance with Ordinance No. 3658 (New Series) at a salary of \$85.00 per month. Said appointment to date from June 1, 1916."

The application was made for temporary employment, which of itself is an absurdity. Such employment as a matter of fact must be as permanent as the City Hall itself. The very fact of your Honorable Board passing such a resolution and if it carried my approval would make the appointment permanent, until the resolution was repealed.

I can see very little likelihood of the repeal of such a resolution. It is my opinion that if such practices were tolerated, they would bring civil service into disrepute and reduce the

civil service system to a farce by ignoring other eligibles who have passed their civil service examinations and are higher on the list ready to accept such appointment.

In view of the fact that you have appropriated in Item No. 52 \$6480 for "Telephone Operators, City Hall Exchange," in the budget just adopted by you and approved by me for the coming fiscal year, indicates clearly that the positions are of a permanent nature and should be made so at one. Respectfully,

JAMES ROLPH, JR.,

Mayor of the City and County of San Francisco.

San Francisco, June 15, 1916.

Honorable Board of Supervisors of the City and County of San Francisco, City Hall, San Francisco.

Gentlemen:

I herewith return to you without my approval Resolution No. 12979 (New Series), "Resolved, That Miss Mary Foster, No. 66 on the eligible list, having been certified by the Civil Service Commission on Certification No. 19, is hereby appointed temporary telephone operator at the City Hall in accordance with Ordinance No. 3658 (New Series) at a salary of \$85.00 per month. Said appointment to date from June 1, 1916."

The application was made for temporary employment, which of itself is an absurdity. Such employment as a matter of fact must be as permanent as the City Hall itself. The very fact of your Honorable Board passing such a resolution and if it carried my approval would make the appointment permanent, until the resolution was repealed.

I can see very little likelihood of the repeal of such a resolution. It is my opinion that if such practices were tolerated, they would bring civil service into disrepute and reduce the civil service system to a farce by ignoring other eligibles who have passed their civil service examinations and are higher on the list ready to accept such appointment.

In view of the fact that you have appropriated in Item No. 52 \$6480 for "Telephone Operators, City Hall Exchange," in the budget just adopted by you and approved by me for the coming fiscal year, indicates clearly that the positions are of a permanent

nature and should be made so at one. Respectfully,

JAMES ROLPH, JR.,
Mayor of the City and County of
San Francisco.

Motion.

Supervisor Wolfe moved that veto be referred to City Attorney for the purpose of obtaining his opinion as to the power of the Mayor to veto merely administrative acts of the Board of Supervisors as distinguished from legislative acts, his veto power over the latter being recognized.

Motion carried.

Presentation of Proposals.

Journals and Calendars.

A proposal for printing Journal of Proceedings and Calendars for fiscal year 1916-1917 was opened at 3 p. m. as follows:

1. Recorder Publishing Co., certified check \$700, Savings Union Bank and Trust Company.

Municipal Record.

A proposal for printing and publishing the Municipal Record for ensuing fiscal year 1916-1917 was opened at 3 p. m. as follows:

1. Rincon Publishing Co., certified check \$900, Savings Union Bank and Trust Company.

Referred to Public Welfare Committee.

Bid for Annual Supplies Returned.

The Clerk called the attention of the Board to a bid for annual supplies signed by one Geo. Mullany for the furnishing of certain annual supplies for the fiscal year 1916-1917, which bid through error had been presented at an address on Market street adjacent to the former temporary City Hall.

Bid and certified check ordered returned to bidder.

Notice of Reconsideration.

Spur Track Permit, John Bollman Company.

The following bill, heretofore *refused passage*, was taken up for reconsideration on motion of Supervisor Power by the following vote:

Bill No. —, Ordinance No. — (New Series), Granting spur track privileges to John Bollman Company.

Ayes—Supervisors Deasy, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Power, Suhr, Welch, Wolfe—11.

Noes—Supervisors Brandon, Gallagher, Lahaney, Nelson, Walsh—5.

Absent—Supervisors Hayden, Nolan—2.

Action Deferred.

Thereupon, the foregoing matter was, on motion of Supervisor Power, *laid over for one week.*

REPORTS OF COMMITTEES.

The following committees, by their respective chairmen, presented reports

on various matters referred, which reports were read and ordered placed on file:

Streets and Sewers Committee—By Supervisor Welch, chairman.

Fire Committee—By Supervisor Deasy, chairman.

Auditorium Committee—By Supervisor Brandon, chairman.

Streets and Commercial Development Committees—By Supervisor Welch, chairman.

Public Buildings Committee—By Supervisor McLeran, chairman.

Lighting Service Committee—By Supervisor Nolan, Chairman.

Uniforms for Elevator Operators and Watchmen.

Supervisor Gallagher called attention to the following extract from the report of the Supplies Committee and requested that the committee's action in the matter be approved; to-wit:

"4. Consideration of recommendation of Public Buildings Committee to furnish uniforms to elevator conductors, operators and watchmen in City Hall.

Action—Your committee has requested the Board of Public Works to furnish details of said uniforms, and thereafter the present intention of your committee is to take bids for same and purchase them at the City's expense."

Report approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Authorizing Payment of \$300 to Ernest Wierck Out of Hetch Hetchy Rights of-Way Funds for Maintenance of Transportation Road Through His Property.

Supervisor Power presented:

Resolution No. 13037 (New Series), as follows:

Whereas, It is considered necessary and expedient by the City and County of San Francisco in the construction of the Hetch Hetchy Transportation Railroad to shift the present roadway through the property of Ernest Wierck in the Tuolumne River Canyon, Tuolumne County, State of California, adjoining the right-of-way of the Hetch Hetchy Transportation Railroad; and,

Whereas, The proposed change will necessitate the construction of the new roadway on filled ground instead of on solid ground as at present; and,

Whereas, The City Engineer estimates that the additional cost of maintenance of the proposed roadway by the owner thereof will be three hundred (\$300.00) dollars; and,

Whereas, This additional cost of maintenance will be incurred solely by reason of the construction of the Hetch Hetchy Transportation Railroad; now therefore, be it

Resolved, That the City Attorney be and he hereby is authorized to pay from moneys heretofore set aside for the purchase of rights-of-way for the Hetch Hetchy Transportation Railroad by Resolution Number 12917; the said amount of three hundred (\$300.00) dollars for the maintenance of said roadway to the said Ernest Wierck upon receiving the proper receipts therefor.

Absent—Supervisors Hayden, Nolan—2.

Passed for Printing.

The following matters were *passed for printing*:

Boiler and Oil Permits.

On motion of Supervisor Deasy:

Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Boiler.

Heineman & Stern at 1040 McAllister street, 25 horsepower, to be used

in furnishing steam for cookers and heating purposes.

Oil Storage Tank.

Durham Farm Creamery, at 231 Sixth avenue, 1500 gallons capacity.

David Bibbero, on south side of Pacific avenue, 165 feet east of Baker street, 1500 gallons capacity.

Heineman & Stern, at 1040 McAllister street, 1500 gallons capacity.

J. Cahen, at northwest corner of Powell and Bush streets, 1500 gallons capacity.

St. Francis Girls' Directory on south side of Waller street, 75 feet east of Central avenue, 1500 gallons capacity.

C. J. Keenan, on east side of Mason street, 137 feet 6 inches north of Post street, 1500 gallons capacity.

I. Rosenberg, at southeast corner of Presidio avenue and Washington street, 1500 gallons capacity.

The rights granted under this Resolution shall be exercised within six months, otherwise said permits become null and void.

Oil Storage Permit.

On motion of Supervisor Deasy:

Resolution No. — (New Series), as follows:

Resolved, That permission revocable at will of the Board of Supervisors is hereby granted H. A. Harris to install and maintain an oil storage tank, 3000 gallons capacity, also an engine and boiler of 150 horsepower at 938 to 958 Harrison street, same to be used in furnishing power for operating sterilizing machinery.

The rights granted under this resolution shall be exercised within six months, otherwise said permits become null and void.

Reconsideration.

Subsequently, on motion of Supervisor McLeran, the action of the Board in *passing to print* the foregoing resolution was reconsidered.

Privilege of the Floor.

Thereupon, Geo. Fuchs, Wm. Brosnan, D. Brosnan, Mrs. Wm. Finn, Mrs. Kleiner and other property owners were granted the privilege of the floor and protested against the granting of the permit. They declared that rags gathered from all parts of the country infested with dirt and disease would be brought to the establishment to the menace of the health of themselves and their children and the depreciation of the value of their property.

Harry J. Hart, owner and lessor of the property, also addressed the Board. He declared that \$50,000 had already been invested in the enterprise and it was intended to spend \$20,000 more in making the property unobjectionable.

H. A. Harris, applicant, also addressed the Board. He declared that

it was not true that his employes received 75c per day. He said that he pays from \$2.50 per day to \$5.50 per day to the people in his employ.

Passed for Printing.

Thereupon, The foregoing resolution was again *passed for printing* with the understanding that protestants could be again heard on final passage:

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Wolfe—14.

Noes—Supervisors Gallagher, Welch—2.

Absent—Supervisors Hayden, Nolan—2.

Denying Stable Permit.

The following resolution, laid over from last week, was taken up:

Resolution No. 13043 (New Series), as follows:

Denying, in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission to Joseph E. Marron to maintain a stable at 125 Wilmot street.

Privilege of the Floor.

Jos. Marron, applicant, was granted the privilege of the floor and addressed the Board. He said that he wanted his application considered on its merits, notwithstanding the reports of the Board of Health. He said he was willing to make whatever alterations may be necessary to comply with the law. He denied that he claimed he had nine members of the Board in favor of his application. He declared that Dr. Hassler of the Board of Health was not giving him a square deal because he (Marron) appeared as a witness against him in court recently.

Mrs. Cappersall, property owner, also addressed the Board, protesting against the granting of the permit. She denied that she was the only protestant against this stable and produced a list containing twelve or more names of adjoining property owners also in protest.

Mr. Sweeny addressed the Board in favor of the granting of the permit to Mr. Marron.

Dr. Converse of the Board of Health declared that the stable in its present condition does not comply with the sanitary regulations of the Board of Health, but if made to do so does not see any reason for approving application.

Adopted.

Whereupon, the foregoing resolution was *adopted* by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Power, Suhr, Walsh, Welch, Wolfe—13.

Noes—Supervisors Deasy, Mulvihill, Nelson—3.

Absent—Supervisors Hayden, Nolan—2.

Explanation of Vote.

Supervisor Wolfe explained his vote by saying that he would vote for the permit if the premises were put in condition as required by the Board of Health.

Award of Contract, Lighting Streets and Public Buildings.

Supervisor Nolan presented:

Resolution No. 13044 (New Series), as follows:

Resolved, That the contract to light the streets and the outlying districts and all public buildings (except school buildings) of the City and County of San Francisco with gas and electricity and for supplying power for all purposes for the term of one year commencing July 1, 1916, and ending June 30, 1917, in strict accordance with the specifications and advertisement inviting proposals thereon, be and is hereby awarded to the Pacific Gas & Electric Company, a corporation, at the hereinafter designated prices, said company being the lowest responsible bidder, to-wit:

For each single burner gas lamp per night, six and one-half (6½) cents.

For each double inverted gas lamp, per lamp per night, ten (10) cents.

For each triple top gas lamp, per lamp per night, fifteen (15) cents.

For each double globe gasolier (two mantles to each globe), per gasolier per night, fifteen (15) cents.

For each single globe gasolier (two mantles), per gasolier per night, ten (10) cents.

For each single globe gasolier (three mantles), per gasolier per night, twelve (12) cents.

For each electric arc lamp, lighted all night, per lamp per night, seventeen (17) cents.

For each five globe electrolier, per electrolier per night, lighted all night, sixteen (16) cents; lighted until midnight, thirteen and one-half (13½) cents.

For each single globe electrolier (250 watts each), per electrolier per night, lighted all night, fifteen (15) cents; lighted until midnight, thirteen and one-half (13½) cents.

For each 100 watt tungsten bracket lamp, lighted all night, per lamp per night, nine (9) cents.

For each safety station lamp, lighted all night, per lamp per night, sixteen (16) cents.

For electric current furnished for street lighting purposes or metered service, per kilowatt hour, three (3) cents.

For furnishing gas to all public buildings, offices, yards and public places, per 1000 cubic feet, the sum of sixty (60) cents.

For furnishing electric current for light and power purposes for all public buildings, offices, yards, and public places, per kilowatt hour, two and three-quarter ($2\frac{3}{4}$) cents.

For each arc lamp inside public buildings or grounds adjacent thereto, when not connected with a metered service, per lamp hour, two and one-half ($2\frac{1}{2}$) cents.

Provided, that the sureties on the bond of the Pacific Gas & Electric Company, which bond is hereby fixed at \$50,000.00, shall be satisfactory to His Honor the Mayor, who is hereby authorized to enter into said contract, subject to the following conditions, to wit:

The said Pacific Gas & Electric Company shall, during said term of one year from July 1, 1916, to June 30, 1917, light the public streets and outlying districts of the City and County with not less than five thousand gas lamps, and not less than twenty-five hundred electric lamps during the said term.

The term of lighting and extinguishing shall be as follows:

Electric lamps shall be lighted three-quarters of an hour after sunset and shall be extinguished not earlier than three-quarters of an hour before sunrise. In the case of gas lamps the last lamp shall be lighted not later than one hour after sunset, and the first gas lamp shall be extinguished not earlier than one hour and a quarter before sunrise, provided that the last lamp shall not be extinguished earlier than fifteen minutes before sunrise.

Deduction for lamps not burning shall be computed at the same rate for each class of lamp as above specified for lamps burning per light per night, the term "lamp" to include all kinds of lamps, gas or electric, above specified.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Accepting Offer of Chas. Michael Young to Sell Certain Land Required for Daniel Webster School.

Supervisor McLeran presented:

Resolution No. 13045 (New Series), as follows:

Whereas, An offer has been received from Charles Michael Young to convey to the City and County of San Francisco certain land and im-

provements hereinafter described, said property being required as a site for the Daniel Webster School; and

Whereas, The price at which said land and improvements is offered is a reasonable and proper price to pay for said property; therefore, be it

Resolved, That the offer of the above named owner to convey to the City and County of San Francisco a good and sufficient fee simple title to the following described land and improvements free of all encumbrances, including taxes, for the sum of fifteen hundred dollars, is hereby accepted, the said land being described as follows:

Commencing at a point on the westerly line of Texas street, distant thereon 250 feet northerly from the northerly line of Twentieth street, running thence northerly along said westerly line of Texas street 25 feet; thence at a right angle westerly 100 feet; thence at a right angle southerly 25 feet; thence at a right angle easterly 100 feet to the westerly line of Texas street and point of commencement, being a portion of Potrero Nuevo Block No. 267.

The City Attorney is hereby directed to examine the title to said land, and if the same is found to be vested in the aforesaid owner, free of all encumbrances, and the taxes for the current fiscal year are paid, to cause a good and sufficient deed to be executed and delivered to the City and County upon the payment of the agreed purchase price, as aforesaid.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Mayor to Execute Joint Pole Agreement.

Supervisor Wolfe presented:

The following matters were *passed for printing*:

Ordering Construction of Organ Balcony in Auditorium.

On motion of Supervisor McLeran: Bill No. 4123, Ordinance No. — (New Series), entitled "Ordering the construction of an organ balcony in the Exposition Auditorium, authorizing and directing the Board of Public Works to enter into contract therefor, and permitting progressive payments to be made during the progress of the work."

Illumination of Bill Boards.

Also, Bill No. 4124, Ordinance No. — (New Series), as follows:

Amending Section 1 of Ordinance No. 2292 (New Series), approved June 10, 1913, regulating the illumination by electricity of bill or bulletin boards along the public streets and thoroughfares.

Be it ordained by the People of the City and County of San Francisco as follows:

Section "1" of Ordinance No. 2292 (New Series) is hereby amended to read as follows:

Section "1." Bill or bulletin boards not exceeding ten feet in height along public streets and thoroughfares may be illuminated by electricity by means of lamps in pressed steel reflectors located not more than three feet from the bulletin board and not less than ten feet in height from the sidewalk.

When permission of the Board of Supervisors is granted to erect a bill or bulletin board of greater height than ten feet, then an additional permit may be granted for same, provided the reflectors shall not extend over the sidewalk more than four feet.

Section 2. This Ordinance shall take effect and be in force immediately.

Bill No. 4125, Ordinance No. — (New Series), entitled "Establishing grades on Cyrus place, between Broadway and a line 137 feet 6 inches southerly therefrom."

Also, Bill No. 4126, Ordinance No. — (New Series), entitled "Establishing grades on Diamond street, between Chenery and Bosworth streets, and on Wilder street, between the easterly line of Carrie street produced and the westerly line of Diamond street."

Changing Grades.

Also, Bill No. 4127, Ordinance No. — (New Series), entitled:

"Changing and re-establishing the official grades on Moscow street between Brazil and Russia avenues, and on Persia avenue between Munich

street and the easterly line of Moscow street."

Also, Bill No. 4128, Ordinance No. — (New Series), as follows:

"Changing and re-establishing the official grades on Hawes street between Evans and Innes avenues, and on Fairfax, Galvez and Hudson avenues between Griffith and Ingalls streets."

Also, Bill No. 4129, Ordinance No. — (New Series), as follows:

"Changing and re-establishing the official grades on Evans avenue between Hawes and Lane streets, and on Ingalls and Keith streets between Davidson and Fairfax avenues."

Also, Bill No. 4130, Ordinance No. — (New Series), as follows:

"Changing and re-establishing the official grades on Thirty-first avenue between Cabrillo and Fulton streets."

Also, Bill No. 4131, Ordinance No. — (New Series), entitled:

"Changing and re-establishing the official grades on Harold avenue between Ocean avenue and the southerly line of Grafton avenue produced and on Holloway avenue between Harold and Lee avenues."

Fixing Sidewalk Widths.

Also, Bill No. 4132, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the width of sidewalks," approved December 18, 1903, by adding thereto a new section to be numbered Six Hundred and Forty, which amendment provides that the width of sidewalks on Kansas street, westerly side of, between Mariposa street and Eighteenth street shall be thirty (30) feet.

The width of sidewalks on Kansas street, easterly side of, between Mariposa street and Eighteenth street, shall be ten (10) feet.

Any expense caused by the above change of walk widths shall be borne by the property owners.

Spur Track Permit—Great Western Smelting & Refining Co.

The following bill, laid over from last meeting, was taken up:

Bill No. 4133, Ordinance No. — (New Series), Granting permission, revocable at will of the Board of Supervisors, to the Great Western Smelting and Refining Company, its successors and assigns, to lay down, construct, maintain and operate a spur track in Spear street as follows, to-wit:

Beginning at a point in the center line of the present Spear street industry track, said point being 41.25 feet southwesterly at right angles from the northeasterly line of Spear street, and 253.13 feet southeasterly at right angles from the southeast-

erly line of Folsom street; thence northwesterly on the arc of a curve concave to the northeast, having a radius of 235.65 feet, a distance of 50 feet to a point; thence northwesterly on tangent to said curve a distance of 30.72 feet to a point; thence northwesterly on the arc of a curve concave to the southwest, having a radius of 235.65 feet a distance of 50 feet to a point, said point being 24 feet southwesterly at right angles from the northeasterly line of Spear street and 123.10 feet southeasterly at right angles from the southeasterly line of Folsom street; thence northwesterly parallel with and 24 feet southwesterly from the northeasterly line of Spear street a distance of 109.19 feet.

Provided the Great Western Smelting & Refining Co., its successors and assigns, shall erect and maintain one arc light at Spear and Folsom streets.

Provided, that no car shall be taken over said spur track between the hours of 7 a. m. and 6 p. m.

Further provided, that no car shall at any time be allowed to stand on said track so as to block the roadway of a street, or block or obstruct a street crossing to exceed five minutes.

Privilege of the Floor.

Geo. Skaller, representing the Civic League of Improvement Clubs, was granted the privilege of the floor. He addressed himself to the question of spur tracks generally. He said the impression has gone forth throughout the State that San Francisco is opposing industrial spur tracks and other cities like Los Angeles and Oakland are taking advantage of the situation by offering such privileges freely. He asked that the Board consider all these applications in a broad way to counteract this impression and spread the thought throughout the State that San Francisco invites commercial enterprises and is ready to assist them in all reasonable ways by granting such permits whenever possible. In this pending application, he said, it seems that the burden of the proof of public inconvenience and danger is thrown on the applicant, whereas it should be on those making the allegation.

J. Devlin, representing the Draymen's Association, also addressed the Board. He requested that the matter be laid over one week until members of the Teamsters' Union and others could be present.

L. H. Brownstone also addressed the Board, favoring the granting of the permit.

J. J. Dailey, representing the Civic League, also addressed the Board, favoring the passage of the bill. He declared that the larger question of

general commercial development and growth to the city should prevail as against the protest of the teamsters and draymen who fear to lose temporarily some of their hauling.

Motion.

Spur Track Permit—San Francisco Warehouse Co.

On motion of Supervisor Welch:

Bill No. 4134, Ordinance No. — (New Series), Granting permission, revocable at will of the Board of Supervisors, to San Francisco Warehouse Company, its successors and assigns, to lay down, construct, maintain and operate a spur track as follows, to-wit:

Commencing at a point in Spear street, said point being distant 24.0 feet at right angles southwesterly from the northeasterly line of Spear street, and 13.91 feet at right angles southeasterly from the southeasterly line of Folsom street; thence northwesterly parallel with the northeasterly line of Spear street and distant 24.0 feet southwesterly therefrom 234.0 feet.

Provided, that no car shall be taken over said spur track between the hours of 7 a. m. and 6 p. m.

Further provided, that no car shall at an time be allowed to stand on said track so as to block the roadway of a street, or block or obstruct a street crossing to exceed five minutes.

Provided, the San Francisco Warehouse Company, its successors and assigns shall erect and maintain one arc light at Spear and Folsom streets.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and

particular reference is hereby made to Section 8 of this ordinance, reading as follows:

"The railway operating any spur track on any public street or property hereafter constructed in the City and County shall, upon demand of the person, firm or corporation for the use or benefit of which such spur track is operated, place upon such spur track the freight cars of any railway which has, in this City and County, track connections with the operating railway, such cars so placed to be used for the receipt and delivery of freight in carloads only. And the operating railway shall receive and deliver the cars of the connecting railway over, at and upon such connecting track in the performance of such switching service for such persons, firms or corporation; and such railway shall perform such service without undue delay or discrimination. The operating railway shall perform such service for the same charge or rate that it charges for corresponding service for its own cars upon the track for like purpose. The provisions of this section shall apply only to such portions of such spur tracks as are not constructed, maintained or operated upon or across private land, and no permit for a spur track shall hereafter be granted by the Board of Supervisors which does not specifically contain the provisions and conditions of this section."

Provided, that said spur track shall be laid under the supervision and to the lines and grades as furnished by the City Engineer's office; and that any and all expense connected with the installation of the track, restoration of pavement, and any additional requirements for the surface drainage be paid for by the San Francisco Warehouse Company, its successors and assigns.

Accepting Deed of Easement for Sewer Right of Way, Parkside District.

Supervisor Welch presented:

Resolution No. 13048 (New Series), as follows:

Resolved, That the following deed of easement or right of way for a sewer through and under certain lands of the San Francisco Electric Railways, a corporation, the party of the first part, and the City and County of San Francisco, a municipal corporation, the party of the second part, is hereby accepted:

This indenture, made this 29th day of May, 1916, by and between the San Francisco Electric Railways, a corporation, the party of the first part, and the City and County of San Francisco, a municipal corporation, the party of the second part,

Witnesseth: that the said party of the first part, for and in consideration of the sum of one dollar (\$1.00),

to it in hand paid by the said party of the second part, the receipt whereof is hereby acknowledged, does hereby give and grant unto said party of the second part a permanent easement or right of way for a sewer through and under certain lands of said party of the first part in the City and County of San Francisco, said permanent easement or right of way being a strip of land ten feet wide, five feet on either side of a center line described as follows:

Beginning at a point on the boundary line between the right of way of the San Francisco Electric Railways and the property of the Parkside Realty Company, distant thereon five hundred fifteen and sixty-eight hundredths (515.68) feet more or less measured westerly along said line from its intersection with the boundary line between the property of George W. Greene and the property of the Parkside Realty Company; thence south seventy degrees twenty-four minutes and thirty-nine seconds ($70^{\circ} 24' 39''$) west a distance of one hundred and twenty-two and thirty-two (122.32) feet more or less to the northerly line of Sloat Boulevard.

Together with the right and license for said party of the second part, its servants, agents and employes to go and enter upon the land of the party of the first part adjoining the ten-foot strip of land hereinbefore described during the construction of the sewer to be laid therein by said party of the second part and along the line hereinbefore described, with the right and license for said party of the second part to use so much of the land of the party of the first part adjacent to and bordering upon said ten-foot strip of land hereinbefore described for the entire length of said ten-foot strip hereinbefore described as may be necessary or convenient during the immediate construction of said sewer; provided that said use and occupation of said right of way by second party shall not obstruct or hinder or delay the operation of the cars of first party or its lessees over and along said right of way.

Together with the right and license at any and all appropriate times to enter upon the land of said party of the first part adjacent to and bordering upon said ten-foot strip of land hereinbefore described after the construction of the sewer therein for the purposes of inspection, repair or maintenance of said sewer.

Said sewer right of way, and the manner and grade at which such sewer shall be laid and maintained, are described and designated upon the blue print or map hereunto annexed, marked Exhibit "A", which is hereby

expressly referred to and made a part hereof.

The party of the first part reserves to itself and its lessees the sole and exclusive right to the surface of the strip of land hereinabove described and over, through or under which said right of way is hereby granted. Said right of way and appurtenances shall at all times be so used and enjoyed by the party of the second part as to interfere with the use of said strip of land by the party of the first part and its lessees to the least possible extent.

In the event that said sewer so constructed along said ten-foot strip of land hereinbefore described shall ever hereafter be abandoned by said party of the second part, then this easement or right of way shall immediately cease and determine and be and become forfeited and be terminated without further action at law or in equity or otherwise by said first party hereto.

The party of the second part hereby expressly assumes and all liability whatsoever for injury or damage to said sewer by reason of the operation of the cars of the party of the first part or its lessees over its said right of way, or otherwise from its or its lessees use of said right of way, and the party of the first part shall in no wise be or become liable for any such injury or damage.

That the party of the second part shall and will indemnify and save harmless the party of the first part, its successors, assigns and or lessees against any and all loss, damage and liability that may be suffered or incurred by the party of the first part, its successors, assigns and/or lessees and against any and all claims, demands and causes of action that may be made or brought against the party of the first part, its successors, assigns and/or lessees, caused by, arising out of, or in any way connected with the installation, maintenance or use of the said sewer by the party of the second part.

In witness whereof, the party of the first part has, by resolution of its Board of Directors, caused its corporate name to be subscribed hereto by its Vice-President, and its corporate seal to be hereunto affixed, attested by its Secretary, the day and year first above written.

Resolved, That the following deed of easement or right of way for a sewer through and under certain lands of Crocker Estate Company, the party of the first part, and the City and County of San Francisco, a municipal corporation, the party of the second part, is hereby accepted:

This Indenture, made this 8th day of June, 1916, by and between the Crocker Estate Company, a corporation, the party of the first part, and the City and County of San Francisco, a municipal corporation, the party of the second part;

Witnesseth: That the said party of the first part, for and in consideration of the sum of one dollar (\$1.00) to it in hand paid by the said party of the second part, the receipt whereof is hereby acknowledged, does hereby give and grant unto said party of the second part a permanent easement or right of way for a sewer through and under certain lands of said party of the first part in the City and County of San Francisco, said permanent easement or right of way being a strip of land ten feet wide, five feet on either side of a center line described as follows:

Beginning at a point on the boundary line between the property of the Crocker Estate Company and the property of the City and County of San Francisco, which line has a bearing south twenty-three degrees, twenty-eight minutes four seconds ($23^{\circ} 28' 4''$) west, said point being distant thereon two hundred one and eleven hundredths (201.11) feet more or less, measured southerly along said line from the southerly

line of Chenery avenue; thence north thirty degrees, twenty-eight minutes, forty seconds ($30^{\circ} 28' 40''$) west, a distance of one hundred forty-three and seventy hundredths (143.70) feet more or less; thence twelve and fifty hundredths (12.50) feet more or less, along a circular curve to the left having a radius of forty (40) feet; thence north forty-eight degrees, twenty-two minutes, fifty-six seconds ($48^{\circ} 22' 56''$) west a distance of ninety-one and seventy-two hundredths (91.72) feet more or less; thence eighteen and five hundredths (18.05) feet more or less; along a circular curve to the left having a radius of forty (40) feet; thence north seventy-four degrees, fourteen minutes, twenty-six seconds ($74^{\circ} 14' 26''$) west, a distance of one hundred eighty-eight and thirty hundredths (188.30) feet more or less; thence forty-one and two hundredths (41.02) feet more or less; along a circular curve to the right having a radius of forty (40) feet; thence north fifteen degrees, twenty-eight minutes, forty seconds ($15^{\circ} 28' 40''$) west a distance of sixty-four and ninety-eight hundredths (64.98) feet more or less, which point is ten (10) feet more or less from the intersection of the westerly line of Elk street and the southerly line of Chenery avenue measured along a line having a bearing north seventy-four degrees, thirty-one minutes, twenty seconds ($74^{\circ} 31' 20''$) east.

Together with the right and license for said party of the second part, its servants, agents and employees to go and enter upon the land of the party of the first part adjoining the ten-foot strip of land hereinbefore described during the construction of the sewer to be laid therein by said party of the second part and along the line hereinbefore described, with the right and license for said party of the second part to use so much of the land of the party of the first part adjacent to and bordering upon said ten-foot strip of land hereinbefore described for the entire length of said ten-foot strip hereinbefore described as may be necessary or convenient during the immediate construction of said sewer;

Together with the right and license at any and all appropriate times to enter upon the land of said party of the first part adjacent to and bordering upon said ten-foot strip of land hereinbefore described after the construction of the sewer therein for the purpose of inspection, repair or maintenance of said sewer, provided that such entry upon said lands of said party of the first part, adjacent to and bordering upon said

ten-foot strip of land, be made without causing inconvenience or annoyance to said party of the first part, or its tenants, in the peaceful use and occupation of said lands, and that said party of the second part shall be responsible for and shall repair any damage caused by such entry; and provided further that said last mentioned right of entry shall terminate absolutely as to any and all portions of said lands adjacent to said right of way which may be sold and conveyed or improved by said party of the first part, upon the sale, conveyance or improvement thereof.

In the event that said sewer so constructed along said ten-foot strip of land hereinbefore described shall ever hereafter be abandoned by said party of the second part then this easement or right of way shall immediately upon said abandonment be terminated.

In Witness Whereof, the said party of the first part has hereunto caused its corporate name to be signed and its corporate seal to be hereunto affixed by its officers thereunto duly authorized.

Extension of Time.

Supervisor Welch presented:

Resolution No. 13059 (New Series), as follows:

Approved by the Board of Supervisors July 10, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,

Clerk of the Board of Supervisors,
City and County of San Francisco.

Resolved, That M. A. Greely is hereby granted an extension of time from and after June 17, 1916, within which to complete contract for grading and paving Anza street, from Thirty-seventh to Thirty-eighth avenues.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is now well on the way, the grading having been almost completed.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

ADJOURNMENT.

There being no further business, the Board at 4:55 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

Ordered *referred to City Attorney*.

Annexation of San Mateo County.

The following was presented and *read by the Clerk*:

Mayor's Office, San Francisco.

San Francisco, Cal., June 21, 1916.

To the Honorable Board of Supervisors of the City and County of San Francisco—Gentlemen:

The counties of San Mateo and San Francisco are closely interwoven in so many obvious ways that the community interest is probably linked tighter than in any other section of our country. Jointly, we occupy a unique position on the peninsula. Commercially and residentially, we prosper and live as one big community.

The name "San Francisco" is famed throughout the world. San Francisco harbor is unequalled for commerce. In the years to come its commercial growth will be phenomenal. The very trademark "San Francisco" is an asset in itself, and to work and live in one's own city is worth boasting about. Realty holdings in a "Greater San Francisco" would immediately have a standard value. To be a resident of the Greater San Francisco is to be a resident of one of the leading cities of the nation. San Francisco's growth lies down the peninsula. Our transportation, water, good roads and every problem for commercial development are interwoven with yours. In my judgment both counties would immediately benefit by joining into one greater county and city—Greater San Francisco. We know San Mateo can help San Francisco; we know San Francisco can help San Mateo; I want to co-operate with you in making the try.

I believe that it is to the best interest, prosperity and welfare of the people of San Mateo County, as well as of the people of San Francisco County, to consolidate both counties. For the purpose of a friendly discussion of such a movement, and with an open mind and a desire to benefit by an exchange of views on the subject, I cordially invite you, as I am inviting the Mayors of the cities of San Mateo County and the County Supervisors, to meet with me in my chambers in San Francisco's new City Hall on Wednes-

day afternoon, June 28th, at 2 o'clock, where you will find a hearty welcome. The spirit of the occasion will be "For the Good of Both Counties and a Greater San Francisco."

Very sincerely and cordially yours,

JAMES ROLPH, JR.,

Mayor of the City and County of San Francisco.

Official Photographer, Police Department.

The following matter was presented, read and *ordered filed*:

Mayor's Office, San Francisco.

San Francisco, California,
May 31st, 1916.

Honorable Board of Supervisors of the City and County of San Francisco, City Hall, San Francisco—Gentlemen:

Application having been made to me by the Honorable Board of Police Commissioners of this City and County for authority to appoint an official photographer in that department, and having found upon investigation that the appointment of such photographer is necessary, I respectfully recommend that you authorize the appointment of one photographer at a salary of \$150.00 per month.

This request and recommendation are made in accordance with the provisions of Section 35, Article XVI of the Charter of the City and County of San Francisco.

Yours very truly,

JAMES ROLPH, JR., Mayor .

John Bollman Spur Track Permit—Notice of Reconsideration Deferred.

Harbor Commissioners to Consider Construction of Recreation Piers on State Wharves.

The following resolution heretofore presented by Supervisor Gallagher and referred to Education, Parks and Playgrounds Committee was returned with favorable recommendation:

Resolution No. 13070 (New Series), as follows:

Resolved, That the Board of State Harbor Commissioners are hereby respectfully requested to give their attention and consideration to a plan for furnishing Recreation Piers along the water front of San Francisco, in accordance with the models and photographs shown at the New York City

exhibit at the Exposition, whereby the second floors of wharves are used for recreation purposes.

In consideration of the fact that several new wharves are being constructed by the Board of Harbor Commissioners, such recreation space could be furnished to San Francisco at an inconsiderable cost, considering the substantial reasons for the expenditure; the said second story being of an open character, the roof being supported by columns only. In some cases it would seem preferable not to have any roof on the second story, the roof of the first story being so constructed as to be used as the floor of the said second story embellished with palms and durable plants and flowers. In New York City there are eight large piers which provide such recreation space for the people, the said space being five acres in area. Such recreation piers are also provided in Chicago, Baltimore and Philadelphia.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

School Lots in Richmond and Sunset.

Supervisor Power presented:

Resolution No. 13071 (New Series), as follows:

Whereas, There are many unused school lots throughout the City, more especially in the Richmond, Sunset and Potrero Districts, and that many of these lots will never be used for school purposes, and that it would be extremely advisable to have as much yard room and play space as possible around each school building, and

Whereas, By the exchange of unused school lots for land adjoining present and contemplated school sites, each school could have ample yard room and play space, with very little cost, if any, to the City, therefore be it

Resolved, That the Board of Education is requested to advise this Board of Supervisors as soon as possible as to the unused school lots that may be used for school purposes in the future, and be it

Further Resolved, that upon receipt of said information the Board of Supervisors shall instruct the City Attorney to take the necessary legal procedure to bring about the required exchange of land referred to in this Resolution.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill,

Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Lobos Square to be Turned Over to Playground Commission.

Supervisor Power presented:

Resolution No. 13072 (New Series), as follows:

Resolved, That in accordance with the recommendation of the Public Schools Athletic League, the Park Commission is hereby requested, if in its judgment same is deemed advisable, to transfer its jurisdiction over Lobos Square to the Playground Commission for the purpose of converting said square into a playground, the expense thereof to be defrayed out of the Panama-Pacific International Exposition Lobos Square Fund, which fund has been set aside for the purpose of restoring the park to its original condition, as agreed upon by the Exposition Company and the Park Commission.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Section 2. This Ordinance shall take effect July 1, 1916.

Privilege of the Floor.

H. A. Mason, Assistant Clerk, pending the consideration of the Bill No. 4139, was given the privilege of the floor and called attention to the fact that he was the only employe of the City whose salary had been reduced in the budget, and that this reduction had been made on account of the diminished work that had been assigned to him. He suggested that an arrangement be made by which he could do other work in the time for which there was no need for his services; that it would not be fair to require him to be idle in view of a reduction of his salary for the reason stated.

The Board agreed that the matter of Mr. Mason's time be left with the Finance Committee to adjust under such advice as the City Attorney might give in this connection.

Jitney Ordinance.

Bill No. —, Ordinance No. — (New Series). Amending Section 3 of Ordinance No. 3212 (New Series) entitled, "Regulating the use of the streets of the City and County of San Francisco by self-propelled motor vehicles carrying passengers for hire, and providing for the licensing of such vehicles and for a penalty for the violation of this Ordinance," and adding five new sections thereto to be numbered Sections 5a, 5b, 19a, 19b and 19c.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 3 of Ordinance No. 3212 (New Series), the title of which is recited in the title of this Ordinance, is hereby amended so as to read as follows:

Section 3. Application for a "jitney bus" permit shall be made in writing and filed with the Chief of Police an-

nually on or before the 15th day of December and shall state:

(a) The type of motor vehicle and the name of the manufacture or popular name thereof;

(b) The horsepower thereof;

(c) The factory number and state license number thereof;

(d) The seating capacity thereof according to its trade rating;

(e) The name of the owner or lessee and of the person to be in immediate charge thereof as operator or chauffeur and the number of his state license;

(f) That the operator is a citizen of the United States and has been a resident of the City and County of San Francisco for more than one year;

(g) Whether the driver has had six months' experience in operating automobiles over the streets of the City and County of San Francisco as hereinafter provided;

(h) That the driver is physically qualified to drive a motor car safely and that said driver's hearing and eyesight are unimpaired.

The driver shall pass an oral examination as to knowledge of traffic laws and rules of the City and County.

(i) The signature of each applicant shall be acknowledged before a notary public or some other officer or magistrate duly authorized to administer oaths. At the same time and in the same manner as herein provided application shall be made to renew the chauffeur's permit by each and every operator or chauffeur of a "jitney bus."

Section 2. Five new sections are hereby added to said ordinance to be numbered respectively 5a, 5b, 19a, 19b and 19c, the same to read as follows:

Section 5a. Not more than 700 permits to operate "jitney buses" shall be granted; priority of application shall be observed in filling vacancies. No "jitney bus" shall have more than one operator or driver.

Section 5b. Before the issuance of the permit the driver or operator to whom it has been granted shall furnish to the Police Department two photographs of himself, one of which shall be for the License Bureau and one for the Traffic Bureau; he shall also carry a like photograph upon his operator's card.

Section 19a. All "jitney buses" shall carry signs on which shall be displayed the route to be traversed and termination thereof, and all buses shall run to the termination so stated.

Section 19b. No jitney buses shall be operated on Market street between First street and Sixth street between the hours of 10:30 o'clock a. m. and 4 o'clock p. m.; Sundays and holidays excepted.

Section 19c. The Police Department shall have and exercise the following powers in connection with the enforcement of this Ordinance:

To establish traffic lanes at crossings where traffic is congested and to direct pedestrians not to cross streets except along such lanes and at intervals to halt vehicular traffic along the street so as to permit pedestrians to cross in safety.

To establish points where jitney buses may take on and discharge passengers, but there shall be not more than two such points on each side of the street in every block on Market street between the Embarcadero and Seventh street.

Whenever deemed advisable for the public safety or convenience, to temporarily suspend vehicular traffic upon any street or to divert the traffic thereon, or to divert and direct the course of pedestrian traffic.

Spur Track Permit—Bruce Cornwall.

Bill No. 4152, Ordinance No. — (New Series), as follows:

Granting permission, revocable at will of the Board of Supervisors, to Bruce Cornwall to lay down, construct, maintain and operate a spur track, as follows:

Beginning at the terminus of the Southern Pacific Company's spur track in Second street near Bryant street, thence on a straight line northwesterly and parallel to the center line of Second street, across Bryant and Harrison streets, and the tracks of the United Railroads thereon to a point 250 feet, more or less, northwesterly of the northwesterly line of Harrison street, thence returning in a southeasterly direction and parallel to the center line of Second street, to a point 80 feet more or less northwesterly to the northwesterly line of Harrison street, thence southwesterly along a curve to the right having a radius of 250 feet, more or less, a distance of 32 feet, more or less; thence southwesterly by along a tangent a distance of 27 feet, more or less; thence southwesterly by a convenient line into private property at the southwest corner of Second and Harrison streets, together with necessary switches, turnouts and crossings.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 13078 (New Series), as follows:

Resolved, That J. D. Hannah is hereby granted an extension of 60 days from and after July 3, 1916, within which to complete contract for the construction of the Ocean Beach Esplanade.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor was delayed in the completion of the work because of the trouble caused by the now existing strike, and also because of the great amount of extra filling that had to be done.

The work is now being prosecuted diligently, the concrete piling and the concrete sheeting having been completed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

Absent—Supervisors Hayden, Wolfe—2.

Also Resolution No. 13079 (New Series), as follows:

Resolved, That Finn & Treacy are hereby granted an extension of 90 days

from and after July 7, 1916, within which to complete contract for grading, curbing and paving Twenty-fourth street, from Rhode Island to De Haro streets, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the survey for this work has just been issued to the contractor, and Mr. James J. Flinn of the firm of Flinn & Treacy personally assured the Board of Public Works on June 21, 1916, that the work which has just been commenced would be expedited to completion.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

Absent—Supervisors Hayden, Wolfe—2.

Also Resolution No. 13080 (New Series), as follows:

Resolved, That Eaton & Smith are hereby granted an extension of 60 days from and after July 5, 1916, within which to complete contract for curbing and paving on Congo street, from Flood avenue to Mangels avenue.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is well under way, the concrete curbs and most of the concrete foundation having been constructed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

Absent—Supervisors Hayden, Wolfe—2.

Intention to Close Edna Street.

Supervisor Welch presented:

Resolution No. 13081 (New Series), as follows:

Resolved, That the public interest requires that a portion of Edna street between Joost avenue and Sunnyside avenue be closed in part as hereinafter described.

Be it further resolved, That it is the intention of the Board of Supervisors to close and abandon that part of Edna street between Joost avenue and Sunnyside avenue, more particularly described as follows, to-wit:

Commencing at a point where the easterly line of Edna street intersects the northerly line of Sunnyside avenue, and running thence northerly along the easterly line of Edna street 200 feet to the northerly line of Joost avenue; thence westerly along the southerly line of Joost avenue if extended and produced 60 feet to the

westerly line of Edna street; thence southerly along the westerly line of Edna street 200 feet to the northerly line of Sunnyside avenue; thence easterly along the northerly line of Sunnyside avenue if extended and produced 60 feet to the easterly line of Edna street and point of commencement, as per map of Sunnyside, City and County of San Francisco, State of California.

Said closing up of said part of Edna street between Joost avenue and Sunnyside avenue shall be done and made in a manner and in accordance with the provisions of Section 2 of Chapter 3 of Article VI of the Charter as amended, and the sections of said chapter and article following said Section 2.

Be it further resolved, That the damage, cost and expense of said closing up of said part of Edna street between Joost avenue and Sunnyside avenue be paid out of the revenue of the City and County of San Francisco.

And the Clerk is hereby directed to transmit to the Board of Public Works a certified copy of this Resolution, and the Board of Public Works is hereby directed to give notice of said contemplated closing and abandonment of said portion of said street in the manner provided by law, and to cause notice to be published as required by law.

Resolution No. 12867 (New Series), approved April 25, 1916, is hereby repealed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

Absent—Supervisors Hayden, Wolfe—2.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 13082 (New Series), declaring that it is the intention of the Board of Supervisors to change the established grades on the following named streets, at elevations above City base, in accordance with Resolution No. 46490 (Second Series) of the Board of Public Works adopted June 19, 1916, and written recommendation of said Board, filed June 20, 1916, to-wit:

Athens avenue, between Excelsior and Brazil avenues.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

Absent—Supervisors Hayden, Wolfe—2.

Also Resolution No. 13083 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change

and establish grades on the following named streets, at the points herein-after specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 46491 (Second Series) of the Board of Public Works adopted June 19, 1916, and with written recommendation of said Board, filed June 20, 1916, to-wit:

Carolina street, between Twenty-second and Twenty-third streets.

Resolution No. 12392 (New Series), approved December 21, 1915, is hereby repealed.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this Resolution of Intention.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

Absent—Supervisors Hayden, Wolfe—2.

Passed for Printing.

The following matters were passed for printing:

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JULY 3, 1916, 2 P. M.

In Board of Supervisors, Monday, July 3, 1916, 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following members were noted present:

Supervisors Gallagher, McLeran, Walsh—3.

No quorum.

DELIVERY OF ASSESSMENT ROLL.

The Clerk announced that the Assessor had this day delivered to the Clerk of the Board of Supervisors the Assessment Roll for the fiscal year 1916-1917, consisting of 42 volumes of assessment of real estate and personal property secured by real estate; 18 volumes of assessment of unsecured personal property and 4 volumes of indices; also that the Assessor had filed on the 1st day of July, 1916, the list of arbitrary assessments, separate from the Assessment Book as required by Section 3633 of the Political Code of the State of California.

Report of the Assessor on the Assessment Roll for 1916-1917.

Thereupon the following report was presented and read:

City and County of San Francisco
Assessor's Office.

July 3rd, 1916.

Honorable Board of Supervisors:
Gentlemen:

I have this day delivered to the Clerk of your Board, the assessment roll of the City and County of San Francisco, to-wit: 42 volumes of assessment of real estate and personal property secured by real estate; 18 volumes of assessment of unsecured personal property, and 4 volumes of indexes. The assessment of non-operative property subject to local taxation is as follows:

On land	\$301,689,659
On improvements ...	175,404,555
On personal property	62,054,496

Total\$539,148,710

This is an increase of \$444,960 over last year. An unusual number of

complaints were filed for reduction of land values in some parts of the city where values have receded, and a larger amount of reductions was made on improvements, as there has not been any allowance made for deterioration in buildings for a number of years.

The war conditions have had their effect in smaller stocks of merchandise by the merchants, and an insufficient force of men in the field work has probably resulted in some losses on personal property. There was also withdrawn from the non-operative roll and placed on the operative roll, \$496,620; if the latter had not occurred, the increase would have been \$941,580.

The operative roll comprises the property of public service corporations taxed exclusively by the State, on which the city receives from the State a refund of about 21 cents on the \$100 assessed valuation, to be applied on the bond interest, and redemption of those city bonds that were outstanding November 8, 1910, at the time of separation of state from local taxation. The total of this roll is \$209,242,082, an increase over last year of \$91,640,479. This increase includes \$496,620 taken from the non-operative roll by public service corporations, also \$929,853 impounded money of the Western Pacific Railway, and \$82,263,240 assessed for a franchise tax by the State Board of Equalization against all corporations whose principal place of business is in San Francisco. I tried to get these figures last year, but was denied an appropriation of \$250 to procure same; this would have increased the revenues of the city about \$172,752.80.

This year your Finance Committee allowed me \$300 to get these figures, and the city will receive this \$172,752.80 as a windfall on the \$300 appropriation. As an expenditure of \$54,000 is equal to one cent in the tax rate, this year's increase of income from franchise assessments will be equivalent to 3 2/10 cents of this year's tax rate. It is poor economy to stint the appropriations for this office, which earns 81 per cent of the entire budget.

The total assessment of the city, operative and non-operative property, is \$748,390,792; if this amount were subject to city taxation, it would only require a tax rate of 1.68 to raise the full amount of taxes; the contemplated rate is 2.34, or a difference of 60 cents in the city tax rate.

The total increase in the operative roll over 1915 is \$91,495,698 and will produce as much income for the city as an increase of \$8,250,000 would on the non-operative roll.

Respectfully yours,
JOHN GINTY,
Assessor.

Meeting of the Board of Equalization.

Thereupon the Clerk announced that it would be necessary for the Board to meet on Thursday, July 6, 1916, to sit as a Board of Equalization to examine the Assessment Roll.

ADJOURNMENT.

Whereupon, the Board at the hour of 2:10 adjourned for lack of a quorum to meet Thursday, July 6, 1916, at 2 p. m.

J. S. DUNNIGAN,
Clerk.

of Equalization from time to time until Monday, July 17th, 1916, at 12 o'clock noon, for the purpose of hearing applications, verified by oath, for the correction of assessments on said Assessment Books.

Adoption of Rule.

Resolution No. 13093 (New Series), as follows:

Adopting a rule as to the manner in which persons, firms, companies and corporations are to be notified why their assessments for the fiscal year 1916-1917 should not be increased by the Board of Supervisors sitting as a Board of Equalization.

Resolved, That it is hereby adopted as a rule of this Board that the notice required to be given under the provisions of Section 3673 of the Political

Code to corporations or persons to show cause why their assessments on the Assessment Book of real and personal property for the fiscal year 1916-1917 shall not be increased, will be as follows:

To corporations: A written or printed notice addressed to the president, secretary or managing agent of each corporation and delivered by the sergeant-at-arms of this Board at the office of such corporation in this city.

To persons, firms or companies: A written or printed notice, postage prepaid and mailed to their address.

The Clerk is hereby directed to cause to be delivered or mailed to the several corporations, persons, firms or companies, when designated by this Board, the said notice at least twelve (12) hours prior to the time set for hearing said parties as aforesaid.

ADJOURNMENT.

Whereupon the Board at the hour of 3 p. m. adjourned to meet again as a Board of Equalization on Tuesday, July 11, 1916, at 10 a. m.

J. S. DUNNIGAN
Clerk.

MONDAY, JULY 10, 1916.

In Board of Supervisors, San Francisco, Monday, July 10, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—16.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journals of the meetings of June 12 and 19, 1916, were read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

Jitney Regulation.

Communication—From Daniel A. Ryan, submitting certain proposed amendments to the Jitney Ordinance.

Referred to the Public Utilities Committee.

Also, *Communication*—From Automobile Owners' Rental Association of San Francisco, requesting that jitney buses be defined and limited in their operation so as not to interfere and compete with taxicabs.

Referred to Public Utilities Committee.

San Francisco Day at Santa Cruz.

Communication—From Santa Cruz

Chamber of Commerce, inviting Board of Supervisors to attend "San Francisco Day" celebration to be held in Santa Cruz, July 15, 1916.

Invitation accepted.

(Subsequently, His Honor Mayor Rolph appointed a committee consisting of Supervisors Gallagher, McLeran, Power, Brandon and Nelson to represent San Francisco at celebration.)

Referred to Supplies Committee.

Correction of Assessor's Report on Assessment Roll for 1916-1917.

The following communication was presented, read by the Clerk and ordered spread in the Journal:

San Francisco, July 7, 1916.

Mr. J. S. Dunnigan,
Clerk, Board of Supervisors,
City Hall.

Dear Sir:

I beg to advise you that in checking up the Assessment Roll I have found some errors, the true figures are as follows for city purposes:

On land	\$302,689,659
On improvements.....	175,404,555
On personal property.	62,054,496

Total\$540,148,710

This is an increase of \$1,444,960 over last year, notwithstanding a loss of \$496,620 of property transferred by the public service corporations from the non-operative to the operative roll. The total of the operative roll is \$209,242,082, an increase of \$91,640,479 over last year.

This increase consists of \$82,263,240 for franchise assessments, and \$929,853 impounded money of the Western Pacific Railway Company. The total assessment of the City is \$749,390,792. If the city tax rate was based on the total assessment of the city it would be \$1.68. Land pays 56 22/100 per cent of the city taxes, improvements 32 47/100 per cent, personal property 11 31/100 per cent.

Yours truly,

JOHN GINTY,
Assessor.

REPORTS OF COMMITTEES.

The following committees, by their respective chairmen, presented reports on various matters referred, which reports were read and ordered placed on file:

Fire Committee, by Supervisor Deasy, chairman.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Extension of Time.

Supervisor Brandon presented:

Resolution No. 13117 (New Series), as follows:

Resolved, That Western Motor Draying Company is hereby granted an extension of sixty days from and after July 7, 1916, within which to complete contract for grading and paving on Seventeenth avenue, between Quintara and Rivera streets, where not already done, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that City Engineer recommends the extension on account of a change in method of operating on the Twin Peaks Tunnel which rendered it impossible for the company to obtain the fill for grading Seventeenth avenue from Quintara street to Rivera street.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh—11.

Absent—Supervisors Hayden, Hilmer, Hocks, Lahaney, Suhr, Welch, Wolfe—7.

ADJOURNMENT.

There being no further business, the Board at the hour of 4 p. m., adjourned.

J. S. DUNNIGAN,
Clerk.

TUESDAY, JULY 11, 1916, 10 A. M.

In Board of Supervisors, Tuesday, July 11, 1916, 10 a. m.

The Board of Supervisors met pursuant to adjournment for the purpose of continuing the hearing of applicants who had filed sworn applications for reductions of assessments on the assessment books of real and personal property for the fiscal year 1916-1917.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Deasy, Kortick, McLeran, Mulvihill, Power, Walsh—6.

Supervisor Power in the chair.

Panama-Pacific International Exposition Company Assessment.

Frank Brittain, attorney, representing the Panama-Pacific International Exposition Company, was granted the privilege of the floor and said that a committee consisting of Messrs. Henry T. Scott, John A. Britton, Marshal Hale, and Secretary Cummings, representing the Exposition Company, had been appointed to appear before the Board of Equalization as a result of the announcement made by Supervisor Gallagher at a previous meeting that he would require an explanation from the Assessor as to why land occupied and leased by the Exposition was not shown in the Assessment Roll at an assessed valuation equitable with other property in the neighborhood. Mr. Brittain said that the Exposition Company's representatives were there to sustain the position taken by the Assessor in the matter and that if any Supervisor desires to attack the assessment made by the Assessor that a date be set for their appearance.

Mr. Brittain was advised that as yet nothing was formally before the Board and that when subject was under consideration that he would be notified.

Consideration of Applications for Reduction of Assessments.

Applications for reduction of assessments were taken up, the applicant, or their agents called, duly sworn, examined, and after consideration, said applications were acted upon as follows:

Clerk to Cancel Assessments of Property
About to be Purchased from A. D. J.
Sherwood for Civic Center Purposes.

Supervisor Gallagher presented:
Resolution No. 13118 (New Series),
as follows:

Whereas, The City and County of
San Francisco has negotiated for and
is about to consummate the purchase
of the lands hereinafter described, and
the owners thereof are ready to im-
mediately execute deeds of convey-
ance therefor subject to the lien of
taxes for the year 1916-17,

Therefore Resolved, That the Clerk
of the Board of Equalization is hereby
directed to cancel the assessment of
the property so about to be purchased,
which property is described on the
assessment roll for the year 1916-1917
on page 27 of Volume 3, as being lot
27 of Blocks 351 and 351A assessed
to California Title & Insurance Co.,
and lot 29 of Blocks 351 and 351A
assessed to A. D. J. Sherwood.

Adopted by the following vote:
Ayes—Supervisors Brandon, Deasy,
Gallagher, Hayden, Hynes, Kortick,
McLeran, Mulvihill, Nelson, Nolan,
Power, Suhr, Walsh—13.

Panama-Pacific International Exposition
Company's Assessment.

Max Kuhl, representing the P. P. I.

E. Company, was granted the priv-
ilege of the floor. Regarding Super-
visor Gallagher's proposition of restor-
ing exposition property to assessment
roll, he said that he believed that
under constitutional amendment that
none of the Exposition Company prop-
erty is assessable; that the assessment
placed on it was nominal for the pro-
tection of the Assessor. He declared
that the Assessor had been fully ad-
vised as to property not now in use by
the Exposition Company. He requested
a list of the property that the Board
thought should be assessed.

Motion.

Supervisor Gallagher moved that the
Clerk serve notice on the Exposition
Company and property owners who
own property under lease to the Ex-
position Company to appear before the
Board of Equalization on Monday,
July 17, 1916, and show cause why
their property should not be restored
to the Assessment Roll.

ADJOURNMENT.

Thereupon, the Board took a Recess
until Monday, July 17, 1916.

J. S. DUNNIGAN,
Clerk.

FRIDAY, JULY 14, 1916.

Approved by the Board of Supervisors July 31, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing are true and correct copies of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,

Clerk of the Board of Supervisors,
City and County of San Francisco.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JULY 17, 1916, 10 A. M.

In Board of Supervisors, San Francisco, Monday, July 17, 1916, 10 a. m.

The Board of Supervisors met pursuant to adjournment for the purpose of continuing the hearing of all applicants who had filed sworn applications for reductions of assessments on the assessment books of real and personal property for the fiscal year 1916-1917.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Gallagher, Hayden, Hilmer, Kynes, Kortick, Mulvihill, Nelson, Nolan, Power, Walsh—10.

Quorum present.

Supervisor Walsh presiding.

Communication.

The following was presented, read and ordered *filed*:

Market Street Property Owners Request Reduction.

Communication—From Market Street Association, consisting of merchants and property owners on Market street, and representing \$18,000,000 worth of property on said street, requesting that the assessment on their property be reduced on the ground that the jitney bus has worked a serious depreciation in its value.

Consideration of Applications for Reduction of Assessments.

Applications for the reduction of assessments were taken up, the applicants or their agents called, duly sworn, and, after consideration, said applications were disposed of as follows:

Assessment of Property Under Control of the Exposition Company.

In accordance with the motion of Supervisor Gallagher made at the last meeting, the Board of Equalization thereupon proceeded to hear representatives of the Exposition Company and interested property owners who had been summoned to appear and show cause why the property heretofore used for Exposition purposes should not now be restored to the Assessment Roll.

Privilege of the Floor.

Max Kuhl, attorney, representing the Panama-Pacific International Exposition Company, was granted the privilege of the floor. He declared that the constitutional amendment relating to this subject exempted all property in possession and under the control of the Exposition from any taxes whatsoever and that this exemption covered not only the lands and structures, but the exhibits in the buildings which had been brought from abroad and had been loaned to the Exposition by foreign governments and private individuals. He declared, moreover, that this exemption was to be in effect, not only during the operation of the Exposition, but while it was in course of preparation and during any reasonable period that might be required to demolish it after the doors had been closed.

"Although the constitutional amendment exempted the Exposition from all taxes, the Exposition Company," he said, "saw fit to submit to a nominal tax upon the request of the Assessor in order that there

might be no question as to the responsibility of the Assessor's bondsmen."

"We are now turning over the property to the owners," he said, "as fast as we are able to clear it and to dispense with its use. In all cases where this has been done the Assessor has been notified in order that the property might be restored to the Assessment Roll. Such is the case with practically all the property east of Fillmore street formerly occupied by the Zone.

"Although we are making record time, it is extremely doubtful whether we can demolish the buildings, sell off the material, clear the land, open the streets and restore the grades to their previous condition in much less time than one year. It is therefore our opinion, based on the advice of our engineers, that these properties will not be in a condition to turn over to the owners in much less time.

"If the Board of Equalization is determined to put this burden on the Exposition Company it will mean that \$35,000 to \$38,000 will be taken from the fund, which together with the money subscribed by public spirited citizens, is being accumulated for the purchase of approximately nine blocks of land and the construction of the Marina as a place of public recreation. Such action to us seems poor public policy. If the tax is to be levied it will fall on the Exposition Company, as the lessors by the terms of their leases are held free from all charges."

Assessor Ginty also addressed the Board. He confirmed the statement of Attorney Kuhl that a nominal tax was placed on the Exposition Company merely that there might be no question as to the responsibility of the Assessor's bondsmen.

Louis Mooser and Mr. Suppe, representing interested property owners, were granted the privilege of the floor and addressed the Board on the foregoing subject.

RECESS.

Whereupon the Board took a recess until 3 p. m.

Re-assembled.

In Board of Supervisors July 17, 1916, 3 p. m.

Motion.

Supervisor Gallagher moved that the Board of Supervisors resolve itself into a Board of Equalization for the purpose of concluding matters pending before it.

ROLL CALL.

The following members were noted present:

Supervisors Brandon, Gallagher, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Wolfe—14.

The following matters were *passed for printing*:

Garage and Boiler Permits.

On motion of Supervisor Deasy:

Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Public Garage.

Henry Cailleaud, at the south side of Pacific street, 137 feet 6 inches west of Sansome street; also to store 300 gallons of gasoline. The provisions of Ordinance No. 746 (New Series) must be strictly complied with.

Boiler.

Jean Allec, at 2148 Folsom street, 400 horsepower, to be used in furnishing power for dyeing and cleaning works.

California Curb Bar Company, at 819 Bryant street, 6 horsepower, to be

used in furnishing steam for electro-galvanizing plant.

Ellen Ryan, at 949 Clay street, 5 horsepower, to be used in furnishing steam for heating purposes.

The rights granted under this Resolution shall be exercised within six months, otherwise said permits become null and void.

Stable Permits.

On motion of Supervisor Walsh:

Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at the will of the Board of Supervisors, is hereby granted Frank Bossi to maintain a stable for one (1) horse only at 3427 Twenty-second street.

Also, Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at the will of the Board of Supervisors, is hereby granted to P. S. Vaughan to maintain a stable for twelve (12) horses at Nos. 1348-50 Grove street; provided the requirements of the Department of Public Health be strictly complied with.

Extensions of Time.

Supervisor McLeran presented:

Resolution No. 13131 (New Series), as follows:

Resolved, That Wm. Newsom is hereby granted an extension of 30 days from and after June 21, 1916, within which to complete contract for alteration and additions, Hall of Justice (Proposition No. 2).

This extension of time is granted upon the recommendation of the Board of Public Works for the reason that the size and nature of the job are such that not more than two men in this trade can work to advantage.

Further Resolved, That the advertising fee be remitted.

Adopted by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Wolfe—14.

Jitney Ordinance Amendment.

The following Bill, laid over from the previous meeting, was taken up:

Bill No. 4166, Ordinance No. — (New Series).

Amending Section 3 of Ordinance No. 3212 (New Series), entitled: "Regulating the Use of the Streets of the City and County of San Francisco by Self-Propelled Motor Vehicles Carrying Passengers for Hire, and Providing for the Licensing of Such Vehicles and for a Penalty for the Violation of this Ordinance," and adding five new sections thereto, to be numbered Section 5a, 5b, 19a, 19b and 19c.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 3 of Ordinance No. 3212 (New Series), the title of which is recited in the title of this Ordinance, is hereby amended so as to read as follows:

Section 3. Application for a "jitney bus" permit shall be made in writing and filed with the Chief of Police annually on or before the 15th day of December, and shall state:

(a) The type of motor vehicle and the name of the manufacturer or popular name thereof;

(b) The horsepower thereof;

(c) The factory number and State license number thereof;

(d) The seating capacity thereof according to its trade rating;

(e) The name of the owner or lessee and of the person to be in immediate charge thereof as operator or chauffeur and the number of his State license;

(f) That the operator is a citizen of the United States and has been a

resident of the City and County of San Francisco for more than one year;

(g) Whether the driver has had six months' experience in operating automobiles over the streets of the City and County of San Francisco as hereinafter provided;

(h) That the driver is physically qualified to drive a motor car safely and that said driver's hearing and eyesight are unimpaired.

The driver shall pass an oral examination as to knowledge of traffic laws and rules of the City and County.

(i) The signature of each applicant shall be acknowledged before a notary public or some other officer or magistrate duly authorized to administer oaths. At the same time and in the same manner as herein provided application shall be made to renew the chauffeur's permit by each and every operator or chauffeur of a "jitney bus".

Section 2. Five new sections are hereby added to said Ordinance, to be numbered respectively 5a, 5b, 19a, 19b and 19c, the same to read as follows:

Section 5a. No more than 700 permits to operate "jitney busses" shall be granted; priority of application shall be observed in filling vacancies. No "jitney bus" shall have more than one operator or driver.

Section 5b. Before the issuance of the permit, the driver or operator to whom it has been granted, shall furnish to the Police Department two photographs of himself, one of which shall be for the License Bureau and one for the Traffic Bureau; he shall also carry a like photograph upon his operator's card.

Section 19a. All "jitney busses" shall carry signs on which shall be displayed the route to be traversed and termination thereof, and all busses shall run to the termination so stated.

Section 19b. No "jitney busses" shall be operated on Market street, between First street and Sixth street, between the hours of 10:30 o'clock a. m. and 4 o'clock p. m.; Sundays and holidays excepted.

Section 19c. The Police Department shall have and exercise the following powers in connection with the enforcement of this Ordinance:

To establish traffic lanes at crossings where traffic is congested and to direct pedestrians not to cross streets except along such lanes and at intervals to halt vehicular traffic along the street so as to permit pedestrians to cross in safety.

To establish points where "jitney busses" may take on and discharge passengers, but there shall be not more than two such points on each

side of the street in every block on Market street, between the Embarcadero and Seventh street.

Whenever deemed advisable for the public safety or convenience, to temporarily suspend vehicular traffic upon any street or to divert the traffic thereon, or to divert and direct the course of pedestrian traffic.

Amendment.

Supervisor Hayden moved to amend Section 19b, second line thereof, by striking out the word "First" and inserting in lieu thereof the word "Fremont".

Amendment to the Amendment.

Supervisor Brandon moved as an amendment to the amendment that the words "between First street and Sixth street, between the hours of 10:30 o'clock a. m. and 4 o'clock p. m." and inserting in lieu thereof the words "from Seventh street to the Ferry".

Amendment to the amendment *lost* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Kortick, McLeran, Power, Suhr—7.

Noes—Supervisors Gallagher, Hynes, Mulvihill, Nelson, Nolan, Walsh, Wolfe—7.

Absent—Supervisors Deasy, Hocks, Lahaney, Welch—4.

Privilege of Floor.

Tom O'Connor, attorney, representing Market street merchants and property owners, was granted the privilege of the floor and addressed the Board. He said: Not only are the jitneys injurious to the business of my clients on Market street; not only are they depreciating property values on said street; but they constitute a serious menace to life and limb. Six people, he said, were killed by jitneys during the past year. The detriment that this menace works to business in the districts where the jitney operates is evident by the advertising sent broadcast throughout the United States by the Hotel St. Francis, which literature urges as an advantage that the vicinity of the St. Francis is free from the jitney menace. Most of the jitneys, he said, do not run the full length of their route. Many of them, if they have no load to the Ferry, return at Montgomery street and continue out Market. This, he said, is not only unfair competition, but it is a grave menace to pedestrians at this congested crossing.

D. M. Hanlon, representing property owners on Market street, also addressed the Board in opposition to the operation of jitneys east of Sixth street during congested hours.

Daniel A. Ryan, attorney, representing the Jitney Drivers' Association, also addressed the Board. He pointed out that the six persons killed by jitneys met their deaths outside the hours of jitney regulation; some at 1 o'clock and 5 o'clock in the morning. He contended that if the jitneys were diverted from Market street between First street and Sixth street during business hours that it would be the destruction of the jitney industry. He believed the ordinance in that respect was unconstitutional and that the regulation was discriminating as between the jitney and other modes of transportation.

M. Faulkner, representing the Automobile Rental Association, also addressed the Board. He called attention to jitneys operating as taxicabs around theaters and cafes and unfairly competing with licensed taxicabs. We requested an amendment to the ordinance restricting jitneys to their legitimate field.

(Supervisor Wolfe advised Mr. Faulkner that that question was not germane to the matter in hand, but that the matter would be taken up by the Public Utilities Committee and given earnest consideration.)

Amendment Carried.

Whereupon, the question being taken on Supervisor Hayden's amendment, the amendment carried by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Kortick, McLeran, Nelson, Nolan, Power, Suhr, Wolfe—10.

Noes—Supervisors Gallagher, Hynes, Mulvihill, Walsh—4.

Absent—Supervisors Deasy, Hocks, Lahaney, Welch—4.

Amendments.

Whereupon the following amendments were offered by Supervisor Gallagher.

1. Sec. 3, Subd. "f", add the following: "Or now has a permit and has heretofore taken out his first papers."

2. Sec. 5a, second line, after the word "busses" insert, "on Market street between Sixth and Fremont streets."

Sec. 19c, second subdivision (not numbered), after the word "more" in the second line insert "nor less," and after the word "points" in the next line insert "on each side of the street."

Amendments carried.

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Wolfe—14.

Absent—Supervisors Deasy, Hocks, Lahaney, Welch—4.

Absent—Supervisors Deasy, Hocks, Lahaney, Welch—4.

Also, Resolution No. 13146 (New Series), as follows:

Resolved, That A. E. Buckman is hereby granted the following extensions of time to complete street work:

Sixty days from and after July 27, 1916, within which to complete contract for grading, curbing and sewerage of Judah street, between the easterly line of Seventeenth avenue and the westerly line of Eighteenth avenue.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that delay has occurred owing to inability to secure dirt to make fill.

Sixty days from and after August 10, 1916, within which to complete contract for grading, curbing, paving and sewerage Eighteenth avenue, from Judah to Kirkham streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that delay has occurred owing to inability to secure dirt to make fill.

Adopted by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Wolfe—14.

Absent—Supervisors Deasy, Hocks, Lahaney, Welch—4.

Investigation of Participation of Municipal Railway Employees in Street Car Strike.

Supervisor Hayden presented the following resolution and moved the suspension of the rules for its immediate consideration:

Resolution No. — (New Series):

Resolved, That the Board of Supervisors commends the action of the Board of Public Works and the Superintendent of the Municipal Railway in promptly ordering an investigation into the conduct of the employees of the Municipal Railway concerning their participation in the street railway blockade at Market and Kearny streets last Friday afternoon; an event that tended to bring about riot, disorder, and possibly bloodshed.

Motion lost by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Suhr—10.

Excused from voting—Supervisors Gallagher, Walsh—2.

Absent—Supervisors Deasy, Hocks, Lahaney, Power, Welch, Wolfe—6.

Preparedness Parade.

Supervisor Mulvihill presented the following resolution and moved the suspension of the rules for its immediate consideration:

Resolution No. — (New Series):

Whereas, The movement in favor of "Preparedness" is one to be encouraged, and the parade to be held Saturday, July 22, 1916, is designed to give testimony to the spirit which prevails in the community; therefore

Resolved, That his Honor the Mayor is requested to express in behalf of this Board of Supervisors its sympathy in the cause, and

Further Resolved, That he request all City and County officials and employees of the City and County of San Francisco to participate in said parade.

Motion *lost* by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nolan, Suhr, Welch, Wolfe—10.

No—Supervisor Nelson—1.

Excused from voting—Supervisor Walsh—1.

Absent—Supervisors Deasy, Hocks, Lahaney, Power, Welch, Wolfe—6.

Supervisors' Automobile to be in Custody of Licensed Chauffeur Only.

Supervisor Hayden presented:

Resolution No. — (New Series), as follows:

Resolved, That the Supervisors' automobile shall be in the exclusive control and custody of the duly appointed or any regular licensed chauffeur, and no other person shall be permitted to operate the same.

Refused adoption by the following vote:

Ayes—Supervisors Hayden, Hilmer—2.

Absent—Supervisors Deasy, Hocks, Lahaney, Power, Welch, Wolfe—6.

Opposing Federal Inheritance Tax.

Supervisor Power presented:

Resolution No. — (New Series), as follows:

Whereas, The United States Commission on Industrial Relations in its report which was made public in August, 1915, strongly urged the imposition of a tax upon inheritance by the Federal Government; and

Whereas, The Ways and Means Committee of the House of Representatives has been in correspondence

with the State Controller of California, John S. Chambers, and with like officials in other States of the Union, asking for data as to the collections, by the States, of revenue under their inheritance tax laws, with the undoubted object in view of utilizing such information in connection with the plan of the Congress to enact Federal legislation of the kind; and

Whereas, Press dispatches and letters received by the State Controller of California from Washington proclaim the determination of the Ways and Means Committee of the House of Representatives to recommend to the Congress the enactment of a Federal inheritance tax law; and

Whereas, Further information is to the effect that the States will be requested to abandon their inheritance tax systems to the end that all such revenue may be collected by the Federal Government, with the understanding that a certain percentage of such collections, less overhead costs, shall be returned to the States on the basis of collections within each State; now therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco does disapprove of such proposed legislation by the Federal Congress and hereby protests; that the States, and more particularly California, would be done a grievous injury by such legislation; that under the State of California's system of taxation it is essential not only that the State derive revenue from inheritance tax sources, but also that the annual average collections of about \$3,000,000 should not be materially reduced without just cause; that the proposed plan of a partial return to the States by the Federal Government, even if 50 per cent, less the cost of collection, would reduce California's revenue from this source to less than \$1,500,000 a year; that as a consequence the revenue of the common schools of the State would be imperiled to the extent of \$250,000 annually, the sum now being given them under the present average revenue; that the Teachers' Retirement Fund, commonly called the Teachers' Pension Fund, which receives five per cent of the total inheritance tax collections each year, would suffer a loss of more than half the revenue derived from this source; that the general fund of the State Treasury would lose approximately one million dollars annually; that the State cannot spare this revenue and would be forced to obtain it from a higher tax upon corporations or a general property tax upon the people—the people under either plan carrying the additional

burden; that the States have developed the inheritance tax system with remarkable success; that they need this revenue and that the Federal Government, if in need of more revenue, has many sources upon which to draw, far more than have the States, and therefore should not encroach upon the rights and the needs of the States in the matter of inheritance tax revenue; and be it further

Resolved, That the Clerk of this Board send a copy of these resolutions to each member of the California delegation in Congress.

Referred to Finance and Judiciary Committees.

Municipal Record Subscription.

Supervisor Walsh presented:

Resolution No. — (New Series), as follows:

Resolved, That Resolution No. 12901 (New Series), fixing a subscription price of fifty cents a year for the Municipal Record be so modified that the name of no present subscriber be stricken from the subscription list until October 1st, and that notice to this effect be published in the Record and in the columns of the public press.

Referred to Finance Committee.

Mayor to Appoint Committee on Consolidation of San Mateo and San Francisco Counties.

Supervisor Hayden presented:

Resolution No. 13150 (New Series), as follows:

Whereas, On June twenty-first, Nineteen Hundred and Sixteen, the Mayor addressed the following letter to:

Mayor F. B. Woodhouse of Daly City,

Mayor Jos. H. Kelley of South San Francisco,

Mayor L. H. Traeger of San Bruno,

Mayor W. H. Pearson of Burlingame,

Mayor W. A. Brewer of Hillsborough,

Mayor F. P. Simmen of San Mateo,

Mayor Edw. Sampson of Redwood City,

and to the following named Supervisors of San Mateo County:

Hon. Jas. T. Casey of Colma,

Hon. W. H. Brown of San Mateo,

Hon. John MacBain of Menlo Park,

Hon. Jos. M. Francis of Half Moon Bay,

Hon. C. V. Thompson of Pescadero.

"The Counties of San Mateo and San Francisco are closely interwoven in so many obvious ways that the community interest is probably linked tighter than in any other section of our country. Jointly, we occupy a unique position on the Peninsula.

Commercially and residentially, we prosper and live as one big community.

"The name 'San Francisco' is famed throughout the world. San Francisco's harbor is unequalled for commerce. In the years to come, its commercial growth will be phenomenal. The very trademark 'San Francisco' is an asset in itself, and to work and live in one's own City is worth boasting about. Realty holdings in a 'Greater San Francisco' would immediately have a standard value. To be a resident of the Greater City of San Francisco is to be a resident of one of the leading cities of the Nation. San Francisco's growth lies down the Peninsula. Our transportation, water, good roads, and every problem for municipal development, are interwoven with yours. In my judgment, both counties would immediately benefit by joining into one greater county and city, Greater San Francisco. We think San Francisco can help you; we know you can help San Francisco; I want to cooperate with you in making the try.

"I believe it to be to the best interest, prosperity and welfare of the people of San Mateo County, as well as of the people of San Francisco County, to consolidate both counties. For the purpose of a friendly discussion of such a movement, and with an open mind and a desire to benefit by an exchange of views on the subject, I cordially invite you, as I am inviting all of your and my fellow Mayors of the cities of both counties, and the County Supervisors as well, to meet with me, in my chambers in San Francisco's new City Hall, on Wednesday afternoon, June 28th, at two o'clock, where you will find a hearty welcome. The spirit of the occasion will be 'For the Good of Both Counties and a Greater San Francisco.'

"Very sincerely and cordially yours,
(Signed) "JAMES ROLPH, JR.,

"Mayor of the City and County of San Francisco."

And Whereas, At the meeting held in the Mayor's chambers in the new City Hall, on June Twenty-eighth, Nineteen Hundred and Sixteen, in response to this call, it was resolved that a committee consisting of five (5) members of San Mateo County be appointed by the Board of Supervisors of San Mateo County, the District Attorneys of both counties, City Attorneys of the cities of both counties, one (1) representative of the Board of Supervisors of San Francisco County, be appointed to meet in conference and whip into shape a tentative plan, satisfactory to both counties, for the consolidation into "Greater San Francisco," of San

Francisco and San Mateo Counties, said conference to be arranged by His Honor James Rolph, Jr., Mayor of the City and County of San Francisco, within thirty (30) days.

Now Therefore, Be it Resolved, That the Mayor be and is hereby empowered by the Board of Supervisors of the City and County of San Francisco, to appoint a member from this Board, the District Attorney of the City and County of San Francisco, and the City Attorney of the City and County of San Francisco, to serve on the committee above alluded to.

Adopted, under suspension of the rules, by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh—12.

Absent—Supervisors Deasy, Hocks, Lahaney, Power, Welch, Wolfe—6.

ADJOURNMENT.

There being no further business the Board at the hour of 7:55 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

Approved by the Board of Supervisors July 31, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing are true and correct copies of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,
Clerk of the Board of Supervisors,
City and County of San Francisco.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JULY 24, 1916.

In Board of Supervisors, San Francisco, Monday, July 24, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Gallagher, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch—15.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journal of the meeting of June 26, 1916, was read and approved.

Condemnation of Bomb Outrage.

Mayor Rolph's Statement.

It is unnecessary for me to relate to you in detail the fiendish criminal act which was committed Saturday afternoon. The horror of it is too deeply impressed upon our being. I am sure that you, like every other city official, are fully informed of all the facts.

I have been in constant touch with the situation since Saturday afternoon. During the time that I was reviewing the parade Supervisor Gallagher kept me advised, and Captain Gleeson was also standing close by my side and added to the details. Immediately after the parade I went to the Central Emergency Hospital. I was at the bedside of Dr. George Painter when he died.

Yesterday, at my home, I had a conference with the Chief of Police whom I had seen on the evening before. He urged that a reward of \$5,000 be offered, and I told him that it would be done, and that if any obstacles arose to prevent it being offered by the Board of Supervisors I would be personally responsible for its payment. I knew the feeling of every one of you.

Today I find a section of the charter, which reads as follows:

"To offer reward not exceeding \$1,000 in any one instance for the apprehension and conviction of any person who may have committed a felony in the city and county, and to authorize the payment thereof."

Apparently this section limits your appropriation to \$1,000, but I stand personally responsible for the other \$4,000.

This morning R. W. Kinney telephoned me, and told me that he was a friend of Dr. George L. Painter, and that he wished to subscribe \$1,000.

And twenty minutes ago Mr. Wallace Alexander and Mr. George Rolph called upon me and told me that the Chamber of Commerce wished to offer another \$5,000 for the apprehension and conviction of the criminal or criminals who committed this awful act.

They assured me that they have every confidence in the city officials and would co-operate with the Police Department in every way.

I also told the Chief of Police yesterday that you would stand back of his department and support him to the limit with funds in order that the criminals who committed this crime are brought to justice. And I am sure that you will go the limit, and that you are aroused to the fullest extent to stamp out this disease that for the first time has been made such a fiendish demonstration in this city.

This morning I received the following telegram from Supervisor Power:

"Dunsmuir, Cal.,

"July 24, 1916.

"Hon. James Rolph Jr., City Hall, San Francisco:

"Just learned particulars of fiendish crime of Saturday. Wish to join with you and Board of Supervisors in expressing sympathy, and also to be considered in accord any action the Board takes to assist in the capture of guilty. Favor liberal reward for apprehension of guilty. Will return if needed.

"JAMES E. POWER."

I say to you: The police department is on the job, never more determined to solve crime and convict the guilty fiend than in this instance. You may rest assured that they are doing everything in their power to run to earth these criminals. I am not permitted to give you the clues upon which the chief of police is working, but I feel sure that they are working in the right direction, and I believe

they know what they are doing. I believe that you have the same confidence in the police department that I have.

Supervisors Walsh, McLeran, Wolfe and Nelson, and the Board generally, vigorously denounced the outrage committed on the innocent spectators of Saturday's parade and pledged themselves to support the Mayor in any measure to bring the culprit to justice.

Adopted.

Whereupon, the following resolutions were presented and *adopted*:

Award for Capture of Perpetrator of Bomb Outrage During Preparedness Parade.

Supervisor Hilmer presented:

Resolution No. 13151 (New Series), as follows:

Whereas, an anarchistic crime was committed against this community, the State and the Nation last Saturday afternoon at Steuart and Market streets, by which six persons were killed, and two score others injured, some of them fatally;

Whereas, such dastardly crimes strike at the foundation of municipal and social life, and are offenses against the government;

Whereas, it is the duty of all officials and citizens to assist in the detection and punishment of the criminals who perpetrated such heinous felony; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco pledges itself to exert every effort toward the arrest and conviction of the person or persons guilty of the terrible assassination which bereft many families and maimed and mutilated men, women and children, and the Board further pledges its co-operation to his Honor the Mayor, the police authorities and the State in bringing to justice the assassin and his associates; be it further

Resolved, That the Board of Supervisors hereby authorizes and offers a reward of one thousand dollars to any person who furnishes information which will lead to the indentivity, arrest or conviction of the person or persons who committed the aforesaid crime.

Further Resolved, That the Auditor and Treasurer are hereby notified to take cognizance of this reward, and they are authorized to audit and pay the same.

Adopted by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Deasy, Korkick, Power—3.

Use of Auditorium Granted to Chamber of Commerce.

Supervisor Brandon presented:

Resolution No. 13154 (New Series), as follows:

Resolved, That the San Francisco Chamber of Commerce be and it is hereby granted free use of the Main Hall in the Exposition Auditorium for the evening of July 26, 1916, between the hours of 6 p. m. and 12 p. m. for the purpose of holding a mass meeting to permit the expression of public opinion against the bomb outrage of Saturday, July 22, 1916, where men, women and children were killed and wounded.

Adopted by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Deasy, Korkick, Power—3.

Emergency Hospital Service Commended.

Supervisor Gallagher moved that the commendation of the Board of Supervisors be extended to the staff and employes of the Emergency Hospital service for their promptness and efficiency in handling persons wounded by bomb outrage.

So ordered, Clerk to advise of Board's action.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

City Engineer Recommends Acceptance of Bid of J. D. Hannah for the Construction of Section "B", Ocean Esplanade.

Communication—From the City Engineer stating that he has examined both bids for the construction of Section B, Ocean Esplanade, and that he considers the bid of J. D. Hannah the best and recommending that award be made to said firm and that the \$25,000 set aside in the budget for said work be appropriated in order that this work may be finished before next November. *Read and ordered filed.*

Inauguration of D'Arcy Lighting System on Market Street by Free Ball at Auditorium.

Communication—From Downtown Association, requesting use of Civic Auditorium for two free balls to be held Sept. 15 and 16 in connection with the inauguration of the D'Arcy lighting system on Market street.

Referred to Auditorium Committee.

Chief of Police Proposed Amendments to "Jitney Ordinance."

Communication—From the Chief of Police, recommending amendments to

Sections 3 and 6b of the "Jitney Ordinance."

Read by the Clerk and considered in the Board.

Hearing in re Metal Lath and Button Lath.

Supervisor Wolfe moved that next meeting be set for hearing interested parties regarding proposed test of relative merits of button lath and metal lath for use in Class A building construction.

So ordered.

Notices of Reconsideration.

The following resolution heretofore reconsidered and laid over from last meeting was taken up and *adopted* by the following vote:

Rejection of Bids for Alimentary Paste.

Supervisor Gallagher presented:

Resolution No. 13152 (New Series), as follows:

Resolved, That all bids heretofore submitted on May 1, 1916, for furnishing alimentary paste to the various municipal departments and public institutions during the fiscal year 1916-1917, be and are hereby rejected; that the Clerk is directed to cause the notice for proposals for said articles to be readvertised.

Adopted by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Deasy, Kortick, Power—3.

Investigation of Participation of Municipal Railway Employees in Street Car Strike.

The following resolution heretofore *refused passage* was taken up on notice of reconsideration given by Supervisor Hayden at last meeting. Previous action was thereupon reconsidered by unanimous vote and *adopted* by the following vote:

Resolution.

Resolution No. 13153 (New Series):

Resolved, That the Board of Supervisors commends the action of the Board of Public Works and the Superintendent of the Municipal Railway in promptly ordering an investigation into the conduct of the employees of the Municipal Railway concerning their participation in the street railway blockade at Market and Kearny streets last Friday afternoon; an event that tended to bring about riot, disorder, and possibly bloodshed.

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Deasy, Kortick, Power—3.

Action Deferred.

Rejection of Bids for Potatoes.

The following Resolution heretofore refused passage, subsequently recon-

sidered on notice given by Supervisor Power, was taken up and *laid over one week*:

Resolution No. — (New Series), as follows:

Resolved, That all bids heretofore submitted on May 1, 1916, for furnishing potatoes under Schedule Item Nos. 1165 and 1166 to the various municipal departments and public institutions during the fiscal year 1916-1917 be and are hereby rejected; that the Clerk is directed to cause the notice for proposals for said articles to be re-advertised.

Jitney Ordinance.

The following Bill heretofore *passed for printing* was taken up:

Bill No. 4166, Ordinance No. 3829 (New Series).

Amending Section 3 of Ordinance No. 3212 (New Series), entitled: "Regulating the Use of the Streets of the City and County of San Francisco by Self-Propelled Motor Vehicles Carrying Passengers for Hire, and Providing for the Licensing of Such Vehicles and for a Penalty for the Violation of this Ordinance," and adding five new sections thereto, to be numbered Sections 5a, 5b, 19a, 19b and 19c.

Be it ordained by the People of the

City and County of San Francisco as follows:

Section 1. Section 3 of Ordinance No. 3212 (New Series), the title of which is recited in the title of this Ordinance, is hereby amended so as to read as follows:

Section 3. Application for a "jitney bus" permit shall be made in writing and filed with the Chief of Police annually on or before the 15th day of December, and shall state:

(a) The type of motor vehicle and the name of the manufacturer or popular name thereof;

(b) The horsepower thereof;

(c) The factory number and State license number thereof;

(d) The seating capacity thereof according to its trade rating;

(e) The name of the owner or lessee and of the person to be in immediate charge thereof as operator or chauffeur and the number of his State license;

(f) That the operator is a citizen of the United States and has been a resident of the City and County of San Francisco for more than one year, or now has a permit and has heretofore taken out his first papers;

(g) Whether the driver has had six months' experience in operating automobiles over the streets of the City and County of San Francisco as hereinafter provided;

(h) That the driver is physically qualified to drive a motor car safely and that said driver's hearing and eyesight are unimpaired.

The driver shall pass an oral examination as to knowledge of traffic laws and rules of the City and County.

(i) The signature of each applicant shall be acknowledged before a notary public or some other officer or magistrate duly authorized to administer oaths. At the same time and in the same manner as herein provided application shall be made to renew the chauffeur's permit by each and every operator or chauffeur of a "jitney bus".

Section 2. Five new sections are hereby added to said Ordinance, to be numbered respectively 5a, 5b, 19a, 19b and 19c, the same to read as follows:

Section 5a. No more than 700 permits to operate "jitney busses" on Market street, between Sixth and Fremont shall be granted; priority of application shall be observed in filling vacancies. No "jitney bus" shall have more than one operator or driver.

Section 5b. Before the issuance of the permit, the driver or operator to whom it has been granted, shall furnish to the Police Department two photographs of himself, one of which shall be for the License Bureau and one for the Traffic Bureau; he shall

also carry a like photograph upon his operator's card.

Section 19a. All "jitney busses" shall carry signs on which shall be displayed the route to be traversed and termination thereof, and all busses shall run to the termination so stated.

Section 19b. No "jitney busses" shall be operated on Market street, between Fremont streets and Sixth street, between the hours of 10:30 o'clock a. m. and 4 o'clock p. m.; Sundays and holidays excepted.

Section 19c. The Police Department shall have and exercise the following powers in connection with the enforcement of this Ordinance:

To establish traffic lanes at crossings where traffic is congested and to direct pedestrians not to cross streets except along such lanes and at intervals to halt vehicular traffic along the street so as to permit pedestrians to cross in safety.

To establish points where "jitney busses" may take on and discharge passengers, but there shall be not more nor less than two such points on each side of the street in every block on Market street, between The Embarcadero and Seventh street.

Whenever deemed advisable for the public safety or convenience, to temporarily suspend vehicular traffic upon any street or to divert the traffic thereon, or to divert and direct the course of pedestrian traffic.

Privilege of the Floor.

John O'Connell, secretary of the San Francisco Labor Council, was granted the privilege of the floor. He declared that the adoption of this jitney ordinance meant the slow strangulation of the jitney industry. These men, he said, have just as much right as anybody to make a livelihood on Market street. The law should be general and not specific in discriminating against jitneys and permitting other automobiles the use of Market street without limitation.

Daniel Ryan, attorney representing the Jitney Drivers' Association. If this law is enacted, he said, the "jitney" will no longer be a mode of transportation in San Francisco. The prohibition against use of Market street is equivalent to its absolute elimination. Although some merchants on Market street may have opposed the jitney bus on Market street, upwards of 100,000 who ride every day in jitneys favor their retention on said street. These people will be seriously inconvenienced and will become strap-hangers in street cars.

Theo. Johnson, representing San Francisco Labor Council, said the procedure leading up to the adoption of the ordinance was peculiar. The clients of Mr. O'Connor, he said, had refused any conference with the jitney

bus men looking to an amicable arrangement between both parties. The procedure, he said, was rushed through similar to that taken on Charter Amendment No. 34 and he predicted that if this matter was brought before the people it would be defeated as the Charter Amendment was. Some things have not been provided for in this ordinance. The fixing of alternative routes should be provided for. This has not been done, although he called it to the attention of the committee when the matter was under consideration. He declared that the general public will say, "You are working in the interest of the United Railroads and not in the interest of the traveling public."

E. E. Schmitz, former Mayor, declared that 4,000,000 fares are carried every month by the jitneys. He requested postponement of action until the matter could be submitted to the people.

Final Passage.

Whereupon, the question being taken the foregoing Bill was *finally passed* as Ordinance No. 3829 (New Series), by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, McLeran, Nelson, Nolan, Suhr, Welch, Wolfe—10.

Noes—Supervisor Gallagher, Hynes, Lahaney, Mulvihill, Walsh—5.

Absent—Supervisors Deasy, Kortick, Power—3.

Final Passage.

Providing \$25,000 for Construction of Section "B," Ocean Beach Esplanade.

Supervisor Nolan presented:

Resolution No. — (New Series), as follows:

Resolved, That the sum of \$25,000 be and the same is hereby set aside, appropriated and authorized to be expended out of "Esplanade, Ocean Beach," Budget Item No. 74, for the construction of Section "B" of the Ocean Beach Esplanade, including engineering and inspection expenses (J. D. Hannah contract at \$23,148.90), per recommendation by Board of Public Works, filed July 21, 1916.

Privilege of the Floor.

Mr. Healy, representing the Board of Public Works, was granted the privilege of the floor and addressed the Board. He declared that of the two bidders for the work, J. D. Hannah was the only reliable one, although his bid was not the lowest. Mr. Hannah had the previous contract and has his equipment on the ground. He recommended that the appropriation be set aside today in order work might proceed, as delay may prevent work being done before winter sets in and contractor may suffer serious loss.

Passed for Printing.

Intention to Close Portions of Sixteenth, Seventeenth and Eighteenth Avenues, From the Southerly Line of Wawona Street Southerly to the Southerly Extremities of Said Streets.

Supervisor Welch Presented:

Resolution No 13169 (New Series), as follows:

Whereas, A petition has been filed with the Board of Supervisors of the City and County of San Francisco, State of California, by the property owner owing all of the frontage upon the portions of Sixteenth, Seventeenth and Eighteenth avenues, between the southerly line of Wawona street and the southerly extremity of said streets hereinafter more particularly described, except only the frontage of that certain school lot, belonging to the City and County of San Francisco, and being a portion of Outside Land Block No. 1258, and having a frontage of one hundred and fifty (150) feet on Eighteenth avenue, and which said petitioner and owner owns all of the property affected by the closing and abandonment of said portions of said streets except the school lot aforesaid, and

Whereas, New streets to be approved by the Board of Supervisors will be opened up and deeded by said owner to the City and County of San Francisco conforming to the contours of said land adjoining said streets to be closed so as to make the same accessible, and whereas the said school lot will have a greater frontage on one of the new streets so to be deeded to the City and County of San Francisco than on said street to be closed, and

Whereas, The area of the streets to be opened and deeded by said petitioner and owner to the City and County of San Francisco exceeds the area of said streets to be abandoned and closed, and

Whereas, Public interest and convenience requires and would be conserved by said closing and abandonment; therefore, be it

Resolved, That it is the intention of said Board of Supervisors to close and abandon said portions of said streets or avenues more particularly described as follows, to-wit:

Parcel One: Commencing at the point of intersection of the southerly line of Wawona, formerly "W", street with the westerly line of Eighteenth avenue, and running thence easterly

along the said southerly line of Wawona street seventy (70) feet to the easterly line of Eighteenth avenue; thence southerly along the said easterly line of Eighteenth avenue six hundred (600) feet; thence at right angles westerly seventy (70) feet to the westerly line of Eighteenth avenue, and thence northerly along the said westerly line of Eighteenth avenue six hundred (600) feet, to its intersection with the southerly line of Wawona street and the point of commencement. Said parcel containing .844 acres.

Parcel Two: Commencing at the point of intersection of the southerly line of Wawona, formerly "W", street with the westerly line of Seventeenth avenue, and running thence easterly along the said southerly line of Wawona street seventy (70) feet to the easterly line of Seventeenth avenue; thence southerly along the said easterly line of Seventeenth avenue six hundred (600) feet; thence at right angles westerly seventy (70) feet to the westerly line of Seventeenth avenue, and thence northerly along the said westerly line of Seventeenth avenue six hundred (600) feet to its intersection with the southerly line of Wawona street and the point of commencement. Said parcel containing .964 acres.

Parcel Three: Commencing at the point of intersection of the southerly line of Wawona, formerly "W", street with the westerly line of Sixteenth avenue and running thence easterly along the said southerly line of Wawona street seventy (70) feet to the easterly line of Sixteenth avenue; thence southerly along the said easterly line of Sixteenth avenue five hundred and ninety (590) feet to a point; thence south 57° west 20.235 feet to a point; thence south $86^{\circ} 37'$ west 52.409 feet to a point on the westerly line of Sixteenth avenue; thence northerly along the said westerly line of Sixteenth avenue six hundred (600) feet to its intersection with the southerly line of Wawona street and the point of commencement. Said parcel containing .962 acres.

Said closing up of said parts of Sixteenth, Seventeenth and Eighteenth avenues shall be done and made in the manner and in accordance with the provisions of Section 2, and succeeding sections, of Chapter III of Article VI of the Charter of the City and County of San Francisco as amended. Be it further

Resolved, That the damage, cost and expense of said closing up of said parts of Sixteenth, Seventeenth and Eighteenth avenues be paid out of the revenues of the City and County of San Francisco.

And the Board of Public Works is

hereby directed to give notice of said contemplated closing and abandonment of said portions of said streets in the manner provided by law and the Clerk is hereby directed to advertise this resolution in the "Daily Journal of Commerce" as required by law.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Deasy, Kortick, Power—3.

On motion of Supervisor Wolfe, the Clerk was directed to notify interested persons to be present at the next meeting of the Board, on Monday, August 7, 1916, to inform the Board as to whether or not they have abandoned the holding of tests relative to the use of the so-called "button lath," prescribed in ordinance.

Report of Lands and Tunnels Committee—Exchange of Lands.

Supervisor Hayden, chairman of the Lands and Tunnels Committee, presented the following report relative to the proposed exchange of South Beach Blocks Nos. 53 and 54, belonging to the City and County of San Francisco, for properties owned by the Southern Pacific Company, as follows:

San Francisco, July 31, 1916.
To the Board of Supervisors.
Gentlemen:

Your Committee on Lands and Tunnels, to which was referred Resolution No. 12956 (New Series), relative to the exchange of South Beach Blocks 53 and 54 with properties owned by the Southern Pacific Com-

pany in the vicinity of the northerly termination of Van Ness avenue, a copy of which is hereto annexed, begs leave to report as follows:

In accordance with said resolution, a list and description of the properties of the Southern Pacific Company was furnished to your Committee, together with a report from the California Pacific Title Insurance Company, which report disclosed that the title to said properties is in the Southern Pacific Company. Said report, together with a letter from the Southern Pacific Company, dated July 21, 1916, is herewith submitted.

It is stated in said communication that the Southern Pacific Company has appointed Mr. Hugh M. Webster to act as its appraiser to meet with the appraiser to be appointed by your Honorable Board under the terms of the Act of the Legislature, approved March 30, 1868, Statutes 1867-8, page 716, and your Committee recommends, in the event of your Honorable Board determining to proceed further with this matter, the appointment of Mr. Louis H. Mooser as the appraiser for the City and County of San Francisco, to act on a board of three arbitrators, the third member of which shall be appointed by the two appraisers appointed by the Southern Pacific Company and the City and County of San Francisco, which board of arbitrators shall determine a fair and reasonable value of said Produce and Market Place, and also the fair and reasonable value of the property owned by the Southern Pacific Company, as provided for in said Act of the Legislature.

Respectfully submitted,
J. EMMET HAYDEN,
FRED L. HILMER,
J. O. WALSH,

Lands and Tunnels Committee.

Upon motion of Supervisor Hayden the above report was adopted by the following vote:

Ayes—Supervisors Deasy, Hayden, Hilmer, Hocks, Hynes, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—13.

Noes—Supervisors Gallagher, Lahaney—2.

Absent—Supervisors Brandon, Kortick, McLeran—3.

Report Finance Committee—Subscription to Municipal Record.

Supervisor Power, Chairman of the Finance Committee, presented a report in the matter of the consideration of a resolution presented by Supervisor Walsh extending the time for free circulation of the "Municipal Record" until October 1, 1916, and expressing the inadvisability of allowing the extension for the reason that notice has been published that

the paid subscriptions will go into effect August 1, 1916. The committee recommends that the resolution be filed, and it was so ordered.

Notice of Reconsideration.

Rejection of Bids for Potatoes.

On motion of Supervisor Power, the action heretofore taken, on July 10, 1916, in refusing the adoption of the following resolution, was reconsidered and the said resolution was *adopted* by the following vote, to-wit:
